

## **Digital Library**

The College Library System consists of a Central Library and 6 departmental libraries, which collectively support the teaching, research and extension programmes of the Institute. All students, faculty members and employees of the Institute are entitled to make use of the Library facilities on taking library membership. The Library, besides having a huge collection of books on engineering, science and humanities, offers library services through its various divisions.

### **Library Automation**

The Library uses **NewGenLib** software package, which is an integrated multi-tier library management system that supports all in-house operations of the Library. The NewGenLib consists of modules on acquisition, technical processing, circulation, serial management, Administration, Reports, Queries and utilities. More than 12,000 bibliographic records of books available in the Library, can now be accessed through the **NewGenLib OPAC** (Online Public Access Catalogue). The database of books available in the Library is being updated on day-to-day basis with details of recently acquired books. Records of all the Library patrons have also been created in the NewGenLib package.

### **Library Working Hours**

**Monday - Saturday : 8.00 AM - 6.00 PM**

**Circulation Section : 9.00am - 4.00pm**

### **Collection**

The Library subscribes to 372 current journals/periodicals. The Library has a rich collection of books on Science and Technology including Computer Science, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering and Biotechnology, Chemical Engineering, Chemistry, Mathematics, Physics. Besides, the Library also has a good collection in the areas of Humanities, Social Sciences and Management. Besides General Collection, the Library has segregated specialized collection of Reference books, Project Reports, Bound Volumes of Journals, Standards Compact Disks, Text Books and Book Bank.
