Grievance and Redressal Cell Meeting Minutes

A.Y:2022-23

Date: 8/7/2022

Time: 3 PM

Venue: Principal Chamber

Attendees:

Dr.K.Srinivas, Chairperson of the Grievance and Redressal Cell

Mrs. Vijaya R, Convener

Mr. NV Subba Rao, Member

Dr.P.Pradeep, Member

Dr.D V Siva Reddy, Member

Dr. Ch. Pulla Rao, Member

Mr. D.Prasad, Member

Mrs. A.Anuradha, Member

Mr.Ch.Vijaya Kumar, Member

Mr. A.Sai Kiran, Special Invitee

Agenda:

- To discuss the activities that can be conducted to create awareness about the grievance and redressal committee among the students and employees of the institute.

Discussion:

The meeting began with a presentation by the chairperson of the grievance and redressal committee. He explained the purpose of the committee, how to file a grievance, and what to expect from the process. He also highlighted the importance of creating awareness about the committee so that everyone knows about it and can use it if they need to.

The representative of the students and Members of the committee then shared their thoughts on the best ways to create awareness about the committee. They suggested that the following activities could be conducted:

- **Information sessions:** Information sessions can be held to explain the purpose of the committee, how to file a grievance, and what to expect from the process. These sessions can be held in person or online, and they can be targeted at specific groups of people, such as students, faculty, or staff.
- **Flyers and posters:** Flyers and posters can be a great way to spread the word about the committee. They can be put up in strategic locations around the institute, such as in classrooms, libraries, Hostels and cafeterias.
- **Emails:** Emails can be sent to the employees to remind them about the committee. These messages can also include information about how to file a grievance.
- **Personal stories:** Personal stories can be a very effective way to raise awareness about the committee. Students and employees who have filed grievances with the committee can share their stories to help others understand the process and the benefits of using the committee.

The meeting concluded with an agreement that the following activities will be conducted to create awareness about the grievance and redressal committee:

- Information sessions will be held in the next few weeks for students and employees.
- Flyers and posters will be put up around the institute.
- Emails will be sent to employees.
- The chairperson of the committee will share his personal story about using the committee.

The meeting was adjourned at 4 PM.

Action Items:

- The chairperson of the grievance and redressal committee will coordinate with the students and the employees to organize the information sessions.
- The Mechanical department will design flyers and posters about the committee.
- The ECE & CSE departments will send emails the committee.
- The BED department will create a newsletter for the committee.
- The chairperson of the committee will share her personal story about using the committee on the social media account.

Next Steps:

- The meeting will be reconvened in one month to review the progress made on creating awareness about the grievance and redressal committee.

Subject: Proposal for Early Commencement of Placement Training from Second Year B.Tech Onwards

Dear Members of the Grievance and Redressal Cell,

I trust this letter finds you well. My name is POORNIMA P and I am currently a second-year B.Tech (IT) student at our college. I am writing to bring to your attention a matter that we could significantly enhance the overall preparedness and employability of students within our institution.

In recent years, the job market has become increasingly competitive, and the demand for skilled professionals has risen substantially. Recognizing this trend, we would like to propose the early commencement of placement training for B.Tech students, starting from the second year of their academic journey.

Placement training from the second year onwards would have several benefits, including Skill Development, Industry Readiness, Confidence Building, Holistic Development.

I understand that curriculum decisions involve careful consideration and planning. However, I believe that implementing this change would be a proactive step towards ensuring the success and future prospects of our student body.

I kindly request the Grievance and Redressal Cell to explore the feasibility of incorporating placement training for second-year B.Tech students and to initiate necessary discussions with relevant academic authorities.

Thank you for your attention to this matter.

Sincerely,

*

Circular

Date: 8th August 2022

Dear GRC Members,

I trust this message finds you well. We would like to bring to your attention an important proposal that has been raised by our II BTech students regarding the early commencement of placement training for B.Tech students from the second year onwards.

The proposal highlights the growing competitiveness of the job market and the need for our students to be well-prepared and equipped with essential skills earlier in their academic journey. This matter is of significant importance and aligns with our commitment to addressing concerns that impact the overall well-being and development of our student community.

To discuss this proposal in detail and explore its feasibility, we will be conducting a meeting on **9th August 2022 at 11AM** in Principal's Chamber. Your active participation and valuable input in this discussion are crucial.

Agenda:

- Introduction to the Proposal for Early Commencement of Placement Training.
- Rationale and Benefits of Early Placement Training.
- Feasibility and Potential Implementation Strategies.
- Role of the Grievance and Redressal Committee in Facilitating Discussions.
- Next Steps and Action Items.

We look forward to a fruitful discussion that will ultimately enhance the overall educational experience for our students.

Thank you.

Agenda: Discuss and Resolve Scarcity of Water Supply before 9 AM in Boys' Hostel

Meeting Commencement: The Chairperson called the meeting to order at 3PM and welcomed all the attendees.

Opening Remarks: The Chairperson acknowledged the severity of the issue and highlighted the importance of addressing the lack of water supply in the Boys' Hostel, specifically before 9 AM, to ensure the well-being and comfort of the students.

Complaint Presentation: Mr. D.Siva Krishna, a resident of the Boys' Hostel, presented the complaint. He explained the recurring problems faced by the students, emphasizing the inconvenience, impact on personal hygiene, and disruption of daily routines caused by the inconsistent water supply in the mornings.

Discussion:

The members discussed the gravity of the issue and recognized the adverse effects it has on the students' daily lives.

The Student Representative highlighted that this issue has been ongoing for a significant period and has generated widespread frustration among hostel residents.

Possible reasons for the lack of morning water supply were discussed, including potential infrastructure issues, maintenance problems, or distribution inefficiencies.

Action Plan:

It was decided that an immediate investigation would be conducted to identify the root cause of the morning water scarcity issue.

The maintenance and facilities management teams will be tasked with inspecting the water supply infrastructure within the Boys' Hostel and ensuring it is functioning optimally.

The administration will review the water distribution schedule to ensure an adequate supply before 9 AM and make any necessary adjustments.

Regular communication channels will be established with the Boys' Hostel to promptly report any issues related to water supply.

Timeline:

The Chairperson emphasized the need for swift resolution and committed to a follow-up meeting to review the progress within one week.

Closing Remarks: The Chairperson thanked everyone for their active participation in the meeting and encouraged open communication between students and the administration. The issue will be resolved with the utmost priority.

Meeting Adjournment: The meeting was adjourned at 4PM.

Next Meeting Date: The next meeting to review the progress and resolutions will be scheduled for December 26th 2023.

- **Flyers and posters:** Flyers and posters can be a great way to spread the word about the committee. They can be put up in strategic locations around the institute, such as in classrooms, libraries, Hostels and cafeterias.
- **Emails:** Emails can be sent to the employees to remind them about the committee. These messages can also include information about how to file a grievance.
- **Personal stories:** Personal stories can be a very effective way to raise awareness about the committee. Students and employees who have filed grievances with the committee can share their stories to help others understand the process and the benefits of using the committee.

The meeting concluded with an agreement that the following activities will be conducted to create awareness about the grievance and redressal committee:

- Information sessions will be held in the next few weeks for students and employees.
- Flyers and posters will be put up around the institute.
- Emails will be sent to employees.
- The chairperson of the committee will share his personal story about using the committee.

The meeting was adjourned at 4 PM.

Action Items:

- The chairperson of the grievance and redressal committee will coordinate with the students and the employees to organize the information sessions.
- The Mechanical department will design flyers and posters about the committee.
- The ECE& CSE departments will send emails the committee.
- The BED department will create a newsletter for the committee.
- The chairperson of the committee will share her personal story about using the committee on the social media account.

Next Steps:

- The meeting will be reconvened in one month to review the progress made on creating awareness about the grievance and redressal committee.

Subject : Complaint about the quality of food
in hostel mess.

Respected Sir/Madam,

I am a student of B-Tech ECE II year
C Section in your College. I am writing to you today to
complaint about the quality of food in the hostel mess.
The food in the mess is very poor. It is tasteless & some
insects in food on several occasions. This is a serious
problem, as it is affecting my health and I am feeling
unwell. I have tried to speak warden madam about this
but she is not been helpful. I am requesting that
you take action to improve the quality of food in
the hostel. I believe that this is matter of urgency
please solve my problem

Thanking you

Sincerely

Sub: request for internet facility in girls hostel to prepare
for campus placements for 3rd year students.

Respected Sir/Madam.

I/on behalf of 3rd year students of B.Tech CSE
in your college. I am writing to you today to request
for internet facility in the girls hostel.

As you know, campus placements are a very important
part of our college. We need to prepare for them by
doing research taking online test and attending virtual
interviews.

However the internet facility in hostel is very poor.
I would like to request you to kindly provide us
with better internet facility in hostel. This will help us
to prepare better for campus placements and secure good jobs
after graduation.

I hope you will consider my request and provide us
with a better internet facility in girls hostel.

Thank you for your time & consideration.

Sincerely,

Agenda:

- To discuss the issue of lack of internet facility in the girls hostel.
- To explore possible solutions to the issue.

Discussion:

The meeting began with a presentation by the representative of the girls hostel residents. She explained that the internet facility in the hostel is very poor. It is often slow and unreliable, which makes it difficult for the students to do their work.

The representative of the hostel management acknowledged the problem and apologized for the inconvenience caused to the students. She explained that the hostel is currently using a

shared internet connection, which is not enough to meet the needs of all the students. She also said that the hostel is planning to upgrade the internet connection in the near future.

The chairperson of the Grievance and Redressal Cell suggested that the hostel management provide a temporary solution to the problem by installing a few Wi-Fi hotspots in the hostel. This would allow the students to access the internet at a faster speed.

The meeting concluded with an agreement that the hostel management will install a few Wi-Fi hotspots in the hostel within the next week. The Grievance and Redressal Cell will monitor the situation and ensure that the problem is resolved in a timely manner.

Action Items:

The hostel management will install a few Wi-Fi hotspots in the hostel within the next week.

Subject: Complaint about the cleanliness of the boy's washroom

Respected Sir/Madam,

I am a student of II B.tech in your college. I am writing to you today to complain about the cleanliness of the boy's washrooms. The washrooms are very dirty and unhygienic. The floors are often wet and slippery, and there is a constant smell of urine. The sinks are often clogged, and the toilets are not flushed properly.

This is a serious problem, as it is affecting the health of the students. I have seen students getting sick after using the washrooms. I have also seen students avoid using the washrooms altogether, which is not healthy.

I have tried to speak to the supervisor about this, but he has not been helpful. He has simply told me that the washrooms are cleaned regularly, and that I should just use them.

I am therefore requesting that you take action to improve the cleanliness of the boy's washrooms.

Thank you for your time & consideration.

Sincerely,

II B.tech Students.
