1.	Health Checkup camp for staff of MIC	19.07.2022	College Campus
----	---	-------------------	-----------------------

Not all employees make healthy choices. Some don't go to the doctor or check their blood sugar and blood pressure because they don't feel any symptoms. These required health checkups don't just save time and money for the employer and employees, they also find small health issues before they become big problems. Health checkups at work encourage employees to think about how they live every day. It pushes them to choose a healthy lifestyle, eat a balanced diet, exercise every day, and build other good habits for health.

Keeping all the above benefits in mind, NSS unit has organized a mega health checkup camp for entire staff on 19.07.2022 in the campus. A total of 315 staff including teaching and non-teaching underwent medical checkup such as BP, Sugar, Ultrasound for kidney, and ECG for heart. The medical reports were distributed immediately.

The program is organized for free of cost with the support from Andhra Hospitals Vijayawada. Dr. K. Achut Rao, Director of Andhra Hospitals and Dr. T. Vamsee Kiran, Director Academics and Dr. K. Srinivas, Principal have inaugurated the medical camp.

7.	Awareness on fire and safety	17.08.2022	College campus
----	------------------------------	------------	----------------

Fire safety training is an important aspect of employee safety. Employees should be trained on how to deal with fire and other hazards in the workplace. Approximately 95% of all fires can be put out quickly if the appropriate fire extinguisher is used promptly, according to both Australian and international fire statistics.

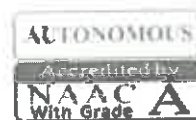

Keeping all the above points in mind, the college NSS unit organizes awareness program on Fire and Safety for diploma and engineering students every year. The students were given hands on training about how to pun on the fire during emergency fire accidents in the industry or in any organization. The program is organized by Mr. Johnson, director of Kings Institute of fire and safety engineers, Hyderabad.
