On behalf of Oracle Corporation, Oracle Support Services would like to thank you for your recent purchase of Oracle products and technical support services. Our support services team is ready and committed to assist you in protecting the investment you have made.

With your purchase, you now have access to Oracle's exclusive web support portal which provides you secure, real-time access to critical and timely information related to your investment in Oracle's technical support services. Please visit the Oracle Support website at <http://www.oracle.com/us/support/index.html> where you will find information about technical support service descriptions, technical support policies, technical support news and events, and internet seminars.

You can also access Oracle technical support services through one of the industry leading web-based customer support systems:

- **My Oracle Support**

To register for My Oracle Support, please use your **Customer Support Identifier ("CSI")** number below. If you are already a registered user, please add the CSI number(s) below to your existing My Oracle Support user profile. To access My Oracle Support, [click here](#).

- Review [My Oracle Support - How-to Training Videos](#) and quickly learn about key features of My Oracle Support in just a few minutes.
- Learn more about My Oracle Support features and capabilities by attending **My Oracle Support Essentials** sessions. To view the current schedule and to register [click here](#).

- **Support interfaces for recently Acquired Products**

Oracle is committed to ensuring that you receive specific product support as we transition recently acquired companies into Oracle's framework of technical support services and tools. To access the appropriate support portal for your product, please go to: <http://www.oracle.com/us/support/support-integration/index.html>

Technical Contact Information

As the technical contact for Devineni Venkata Ramana & Dr.Hima Sekhar MIC College Of Technology, you are the individual designated within your organization who may contact Oracle Support Services to resolve technical issues.

If your order with Oracle allows international deployment of programs to your subsidiaries or includes hardware that has been relocated outside the country of delivery, please communicate the relevant CSI in this email to persons in those countries who will be technical contacts with Oracle.
