

COLLEGE TRANSPORT

College operates about 48 well maintained and conditioned buses for commuting students from various parts in and around Vijayawada to college campus. College also operates an A.C bus for senior faculty of the college. GPRS system has been implemented and speed limit has been setup to ensure safe travel of the students and staff. All safety guidelines of A.P government are being followed including installation of speed governors to limit the speed. A separate maintenance section is being maintained at Vijayawada to keep the buses in good condition and to take care of routine maintenance.
