REPORT

Venue: College Canteen

Date: 10.07.2018

The committee has observed the following

- One of the major aspects of the canteen is its **hygiene**. The food preparation area is visibly clean, and the staff wears hair nets.
- The interior part of the kitchen area where food is prepared in huge bulk quantity were also inspected.
- The canteen maintains the quantity of the food as per the requirement. Lesser wastage is observed.
- The management of canteen is very particular about the usage of daily consumable items, and also expiry dates of the groceries.
- The committee took random feedback from students and staff and was quite positive.
- It is advised to stop reusing the oil for frying.
