SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

STUDENT ATTESTATION

I have read and agreed to comply with the terms and conditions of my admission and those of any extension of stay. I certify that all information provided on this form refers specifically to me and is true and correct to the best of my knowledge. I certify that I seek to enter or remain in the United States temporarily, and solely for the purpose of pursuing a full program of study at the school named above. I also authorize the named school to release any information from my records needed by DHS pursuant to 8 CFR 214.3(g) to determine my nonimmigrant status. Parent or guardian, and student, must sign if student is under 18.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you ~~are~~ ~~leave~~ ~~arrive~~ ~~in~~ ~~the~~ ~~United~~ ~~States~~, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

(JKSTRC)(RGS), under BC_A_GEN_AU category.**

The students belonging to SC/ ST/ BC/ EBC/ Disabled/ Minority categories will be considered for Full Reimbursement of Tuition Fee (RTF) which is subject to verification and eligibility criteria prescribed by State Government of Andhra Pradesh vide G.O.M.S.NO:72 dated 18/10/2014 of social welfare department. In the event of the candidate found not eligible for fee reimbursement, the candidate shall have to pay the tuition fee. Those who are not eligible for reimbursement as prescribed in G.O.M.S.NO:72 Dt 18.10.2014 shall pay the annual tuition fee as existing for the college in the previous block period 2016-19. However, the final fee payable is subject to the outcome of W.A. No. 241 and SLP of the Supreme Court of India.

Instructions to Candidates:

1. Reporting through 'Candidates Login' from the website <https://appgecet.nic.in> through self-reporting system or from a nearby help line center.
2. Take print out of two copies of joining report and report to the allotted college with all original certificates. Submit a copy of joining report and obtain acknowledgment on 2nd copy from the College where you have reported and retain the same with you.
3. Both Self reporting and reporting at the allotted college is compulsory to retain the present allotment. The last date for Self reporting and reporting at the allotted College is **15.09.2020 (before 5.00PM)**. Pay all necessary fees if any to the allotted college.
4. If you do not report through Self-reporting system and/or not reporting at the allotted college, the provisional allotment will be stands cancelled and you have no claim on the seat allotted.
5. The academic credentials verified if found false at a later date, your allotment will be cancelled and you are also liable for criminal prosecution.
6. RGS or SFS [STIPENDARY], RGN OR SFN [NON-STIPENDARY].
7. Candidates who got more than one allotment by virtue of their eligibility, can choose one college/course allotment through self reporting system before joining the college. The other allotments will become null and void and they will be offered to other meritorious candidates in next phase of counselling.
8. A candidate having more than one allotment, self reporting and reported at college but wish to change his college shall have to cancel his allotment from already reported college and can change to another college with in stipulated date.
9. Allotments in pharmacy colleges are subjected to approval of Pharmacy Council of India.

LETTER OF RECOMMENDATION

I am contented to endorse this letter of recommendation in favor of **Mr. MANI SREEHARSHA YARLAGADDA** who is keen to pursue higher studies at your institution. I know him for the past four years as an undergraduate student, where I had taught him the courses in the field like **COMPILER DESIGN** in 7th semester and have been instructor for laboratory courses like "**COMPUTER NETWORKS**" in 6th semester.

Aesthetic programming skills, perseverance and tenacity to complete the work assigned in him. His keen insight into the learning process and innovative thinking made him participate in various technical symposiums conducted in the college. He is an intelligent, hardworking student with excellent creative and observation skills. He can carryout practical work independently and also extended good cooperation in teamwork. He has also worked under my supervision in organizing lab and Department works.

High grasping power and ability to reason logically seem to come naturally to him. His manners are quite pleasing and he has a natural drive to come up with solutions for problems since he has a sound knowledge of the concepts taught in class. He is enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. He is willing to go ahead and get a comprehensive picture of things, rather than acquiring a surface understanding.

On associating with him, I have found him to be attentive and enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. His ability to convince people has always impressed me. Good communication and organizational skills help him to be at the forefront of organizing seminars. Undoubtedly, he will be a source of inspiration for others.

Considering his academic excellence and effective communication skills, I rank him among the top 10% of the students of his class. I recommend him in the strongest terms for admission to the Graduate Program at your University preferably with financial aid.

LETTER OF RECOMMENDATION

I am highly pleased to recommend **Mr. AYYAPPA CHADALAVADA** for a Master's in your esteemed university. For the past few years, he has been my student incapacity of his academic guide and mentor. I have taught him "**JAVA PROGRAMMING**". He always has a positive attitude towards studies. As per my observation, he is attentive, intellectual, and intelligent.

I found him a good listener, hardworking and active partner in class discussions. During three years of acquaintance with him, the remarkable quality that impressed me was his analytical thinking. He quickly understands the basic principles and concepts from his academic subjects and tries to implement them at the earliest. He has shown great interest by venturing beyond the scope of the matter. His inquisitive mind, analytical skills, and good interpretation skills will significantly facilitate research work at your university.

Apart from his studies, he is good at organizing activities and events. His excellent interpersonal skills make him quickly get along with classmates and teachers. He is emotionally mature and stable. He has excellent proficiency in English, which makes him express his ideas and thoughts clearly.

Judging from the above aspects, I can confidently state that **Mr. AYYAPPA CHADALAVADA** possesses the necessary qualities of passion, dedication, determination, and intellect to meet the graduate program requirements at your esteemed university. I highly recommend him for the Master's program at your reputed institution. I am optimistic that he can complete the course. I would be happy to provide you with any further information you require about him.

PM

Dear Prasad D

Cleveland State University collects applicant recommendations electronically. The applicant below has requested that you submit a letter of recommendation. (REC_MSG1)

Applicant: Bhavana Phani Mavuluri (bhavanaphanim@gmail.com)

Application: Graduate Application (W00000000213396)

Academic Program: Computer Science MCS

Entrance Semester: Fall Semester 2020

Applicant Message:

As you craft your recommendation letter, please consider the following in your assessment of the applicant:

- How long and in what capacity have you known the applicant?
- What is the applicant's aptitude for graduate study?
- What are the applicant's scholastic achievements?
- What is your opinion of his/her potential for success?

Please click on 'Submit my recommendation' to upload your letter in support of the student's application. (REC_MSG2)

Submit my recommendation

If you are having a problem with the 'Submit my recommendation' link, copy the link below into your browser's navigation bar and enter the following code manually.

LETTER OF RECOMMENDATION

I am writing to you in support of **Mr. BHAVANA PHANI MAVULURI** and his desire to attend your university for doing Master's program. I have assessed him in the subject "**DATA STRUCTURES THROUGH C**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extracurricular activities impressed me immensely.

Mr. BHAVANA PHANI MAVULURI possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems, which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from the technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am writing this recommendation letter to you in support of **Ms. VYSHNAVI PRIYA TUMMALAGUNTA** on her desire to be a part of your university and to seek admission for higher studies at your university. I know her for past four years as an undergraduate student and found her to be an aspiring and sincere student. I was able to determine her initiate abilities to understand the basic concept and apply them to tackle the problems associated with it.

Relationship with this particular student became strong when I handled subjects like "**ADVANCED DATA STRUCTURES**" and "**DATABASE MANAGEMENT SYSTEM**". She has performed exceptionally well in the academics and in the lab as well scoring excellent grades in theory and laboratory.

Ms. VYSHNAVI PRIYA TUMMALAGUNTA is quite ambitious and career driven. She works hard to achieve her goals and is committed to her work. Her ability to organize her time efficiently and her meticulous preparation will be an asset to her research team. Her self confidence and optimistic approach to solve even the most difficult problems are worth mentioning, her systematic and focused approach has always ended in her good academic performance. Her ability to visualize and link together the fundamental of each subject marks her as an ideal student for research. She has brilliant leadership skills and competent of extracting the best out of her team.

With a good sense of foresight she has always been a foot forward to all her fellow students in all aspects of circular activities. I feel she is one of the best students and recommend her candidature for admission which gives her an opportunity to prove at your university. It is my earnest hope that you accept her application to your university with financial assistance.

FINAL REMINDER

Le texte français suivra

Dear Prasad D.,

You have been asked to provide a reference for **Naga Maruthi Kumari Paruchuri** in support of an application to the Master of Applied Comp Science in Computer Science at Concordia University. Before proceeding, please be aware of the following:

- The link below is active for **5 more days**.
- The assessment form has **two parts**:
 - A **questionnaire** asking you to rank the applicant's qualities and potential to succeed in the program.
 - An **attached letter** describing the applicant's ability to complete graduate studies. The letter should be prepared before clicking on the link.
- The assessment form cannot be saved, and must be completed within 30 minutes of opening the form.
- You will receive a confirmation email within two hours after submitting the assessment form. Please contact application.support@concordia.ca if you do not receive this email and include the following application number: **20474745**
- Applicants are not able to access the contents of your assessment during the application process; they will only see the date it was submitted. However, applicants can submit a request to obtain letters of reference once a decision has been made on their file.*

We appreciate your time and effort in support of this application to Concordia's graduate programs. Please use the link provided below to submit your reference. If you are unable to provide a reference for this applicant, use the link and follow the instruction to decline.

Please CLICK HERE to begin your reference

If you are unable to access the link above, please copy and paste the link below into the browser.

https://campus.concordia.ca/pscspred/cu_html/online_referencer.html?token=516edd7e-7a8c-40b8-af55-852981a7438f&lang=E

Sincerely,

Graduate Admissions Application Center
Concordia University

*Referees are advised that the Act respecting access to documents held by public bodies and the Protection of personal information, (RSQ, c A-2.1), permits applicants to access letters of reference about them, including those written by non-Quebec referees.

COLORADO STATE UNIVERSITY | GRADUATE ADMISSIONS

Dear Mr. D,

Gopi Kiran Kommineni is applying for graduate admission to Colorado State University and has listed you as a reference. If you are willing to write a recommendation for Gopi Kiran, click the link below to access a secure site to submit your recommendation.

Submit Your Recommendation

Thank you in advance for your insight into Gopi Kiran's readiness for academic and personal success at Colorado State University as evidenced through your interactions.

Recommendations are a valued part of our comprehensive application review, especially when they include specific examples of students' demonstrated skills, passions, and areas for growth. Your efforts help us to invite talented and engaged learners to work with our outstanding faculty members.

If you have any questions about this request, please contact us at the phone number or email address below.

LETTER OF RECOMMENDATION

This letter is in support of **Lokesh Kumar O** who is aspiring to pursue his masters in Civil Engineering at your venerated university. Being his Head of the Department, I know him very well for more than three years as an undergraduate student where I taught him "**Waste water management, environmental engineering to and estimation specifications**" and instructed him in the laboratories of **Computer Aided Engineering and GIS & CAD**. As his teacher I am convinced that he would be a true asset to your university.

In my interaction with him, I observed him to have strong fundamentals and analytical skills. He had conducted himself with good progression throughout his academic period and has always been punctual with his assignments. His pragmatic nature contributes by bringing a new perspective into discussions in class.

He is a good performer in non-academics as well taking an interest in arranging different projected occasions on our grounds. He worked as the organizer for our institution's technical fest where I have seen his adeptness to organizational and managerial skills.

All the above qualities coupled with his pleasing demeanor, adaptability and initiation have convinced me to rank him one of the best among all the students associated with me. I am convinced that he will scale the highest peaks in his field of interest. With the still set that he possesses, I am sure that he will prove himself as an excellent student in academics and research as well. Thus, I am certain that he will bring laurels to your institution. hence, I recommend this candidature for admission into the master's program.

LETTER OF RECOMMENDATION

This letter is in support of Yuvabindu P who is aspiring to pursue her masters in Civil Engineering at your venerated university. Being her Head of the Department, I know her very well for more than three years as an undergraduate student where I taught her “Waste water management, environmental engineering to and estimation specifications” and instructed him in the laboratories of Computer Aided Engineering and GIS & CAD. As her teacher I am convinced that she would be a true asset to your university.

In my interaction with her, I observed her to have strong fundamentals and analytical skills. She had conducted herself with good progression throughout her academic period and has always been punctual with her assignments. Her pragmatic nature contributes by bringing a new perspective into discussions in class.

She is a good performer in non-academics as well taking an interest in arranging different projected occasions on our grounds. She worked as the organizer for our institution's technical fest where I have seen her adeptness to organizational and managerial skills.

All the above qualities coupled with her pleasing demeanor, adaptability and initiation have convinced me to rank her one of the best among all the students associated with me. I am convinced that she will scale the highest peaks in her field of interest. With the still set that he possesses, I am sure that she will prove herself as an excellent student in academics and research as well. Thus, I am certain that be will bring laurels to your institution. hence, I recommend this candidature for admission into the master's program.

NV SUBBARAO

LETTER OF RECOMMENDATION

Take great pleasure in recommending my student, **Mr Manoj B** in support of his application towards your post graduate program. Being his mentor I had keenly observed his academics and I am glad to produce him testimonial for your consideration.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him "**TRANSPORTATION ENGINEERING AND CONSTRUCTION MANAGEMENT**". He has a good hold on the fundamentals of the above subjects. He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him. I am at privilege to note that he is regular performance in the classroom is an indicative of a productive student. I have taken note of his admirable problem solving skills and reasoning abilities. His understanding and application of concepts to various situations stand as a proof of capacity to work in research-oriented environment.

In short, I would like to say Mr Manoj B is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend him candidature in your esteemed university and will be glad to entertain any further communication in the regard.

LETTER OF RECOMMENDATION

Take great pleasure in recommending my student, **Mr Subba Reddy B** in support of his application towards your post graduate program. Being his mentor I had keenly observed his academics and I am glad to produce him testimonial for your consideration.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him “TRANSPORTATION ENGINEERING AND CONSTRUCTION MANAGEMENT”. He has a good hold on the fundamentals of the above subjects. He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him. I am at privilege to note that he is regular performance in the classroom is an indicative of a productive student. I have taken note of his admirable problem solving skills and reasoning abilities. His understanding and application of concepts to various situations stand as a proof of capacity to work in research-oriented environment.

In short, I would like to say Mr Subba Reddy B is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend him candidature in your esteemed university and will be glad to entertain any further communication in the regard.

LETTER OF RECOMMENDATION

This letter is in support of Uday Kumar D who is aspiring to pursue his masters in Civil Engineering at your venerated university. Being his Head of the Department, I know him very well for more than three years as an undergraduate student where I taught him "Concrete Technology, Surveying and Construction Technology and Management and Instructed in the laboratory's of computer Aided in engineering and GIS and CAD". I instructed him in the laboratories of Computer Aided Engineering and GIS & CAD. As his teacher I am convinced that he would be a true asset to your university.

In my interaction with him, I observed him to have strong fundamentals and analytical skills. He had conducted himself with good progression throughout this academic period and has always been punctual with his assignments. His pragmatic nature contributes by bringing a new perspective into discussions in class.

He is a good performer in non-academics as well taking an interest in arranging different projects and occasions on our grounds. He worked as the organizer for our institution's technical fest where I have seen his adeptness to organizational and managerial skills.

All the above qualities coupled with his pleasing demeanor, adaptability and initiation have convinced me to rank him one of the best among all the students associated with me. I am convinced that he will scale the highest peaks in his field of interest. With the still set that he possesses, I am sure that he will prove himself as an excellent student in academics and research as well. Thus, I am certain that he will bring laurels to your institution. Hence, I recommend him candidly for admission into the master's program.

LETTER OF RECOMMENDATION

This letter is in support of Saikumar R who is aspiring to pursue his masters in Civil Engineering at your venerated university. Being his Head of the Department, I know him very well for more than three years as an undergraduate student where I taught him “Waste water management, environmental engineering to and estimation specifications” and instructed him in the laboratories of Computer Aided Engineering and GIS & CAD. As his teacher I am convinced that he would be a true asset to your university.

In my interaction with him, I observed him to have strong fundamentals and analytical skills. He had conducted himself with good progression throughout his academic period and has always been punctual with his assignments. His pragmatic nature contributes by bringing a new perspective into discussions in class.

He is a good performer in non-academics as well taking an interest in arranging different projected occasions on our grounds. He worked as the organizer for our institution's technical fest where I have seen his adeptness to organizational and managerial skills.

All the above qualities coupled with his pleasing demeanor, adaptability and initiation have convinced me to rank him one of the best among all the students associated with me. I am convinced that he will scale the highest peaks in his field of interest. With the still set that he possesses, I am sure that he will prove himself as an excellent student in academics and research as well. Thus, I am certain that he will bring laurels to your institution. hence, I recommend his candidature for admission into the master's program.

LETTER OF RECOMMENDATION

I am delighted to issue this recommendation in favor of Ms. D.Sai Deepthi for admission to your prestigious university's graduate program. I had taught her a course on 'ELECTRICAL MACHINES'. In the learning process, I find her to be dedicated. My interaction with her during this term had given me abundant scope to assess her academic and personal capabilities.

She is conscientious student with a high level of academic commitment Ms. D.Sai Deepthi has strong understanding of fundamentals and exuberant in acquiring knowledge. Outstanding comradeship qualities, high initiative, and strong academic background are a few of her assets. His pragmatic approach towards the subject gives her the ability to draw inferences and develop solutions. She has demonstrated passion, intelligence, persistence, and analytical aptitude for his study.

I consider her to be one of our department's best and brightest student. During my interactions with her, I was struck by his inquisitive nature and insatiable desire to learn. She is quick learner with strong analytical abilities. She is determined to put in a long hour of disciplined effort in whatever field she is in. The optimistic behavior encourages her to create opportunities rather than wait for them.

If given the opportunity, I'm confident that Ms. D.Sai Deepthi will live up to the standards of your college. I strongly urge you to accept her to your graduate program. I am sure he will find her to be a well-rounded Individual who will be a valuable asset to your university. I hope you will support her induction with significant financial assistance.

LETTER OF RECOMMENDATION

I am delighted to issue this recommendation in favor of **Ms. Sree Lakshmi Pujitha P** for admission to your prestigious university's graduate program. I had taught her a course on 'ELECTRICAL MACHINES'. In the learning process, I find her to be dedicated. My interaction with her during this term had given me abundant scope to assess her academic and personal capabilities.

She is conscientious student with a high level of academic commitment. Ms. Sree Lakshmi Pujitha P has strong understanding of fundamentals and exuberant in acquiring knowledge. Outstanding comradeship qualities, high initiative, and strong academic background are a few of her assets. His pragmatic approach towards the subject gives her the ability to draw inferences and develop solutions. She has demonstrated passion, intelligence, persistence, and analytical aptitude for his study.

I consider her to be one of our department's best and brightest student. During my interactions with her, I was struck by his inquisitive nature and insatiable desire to learn. She is quick learner with strong analytical abilities. She is determined to put in a long hour of disciplined effort in whatever field she is in. The optimistic behavior encourages her to create opportunities rather than wait for them.

If given the opportunity, I'm confident that Ms. Sree Lakshmi Pujitha P will live up to the standards of your college. I strongly urge you to accept her to your graduate program. I am sure he will find her to be a well-rounded Individual who will be a valuable asset to your university. I hope you will support her induction with significant financial assistance.

She is conscientious student with a high level of academic commitment **Ms. Pushpalatha Ch** has strong understanding of fundamentals and exuberant in acquiring knowledge. Outstanding comradeship qualities, high initiative, and strong academic background are a few of her assets. His pragmatic approach towards the subject gives her the ability to draw inferences and develop solutions. She has demonstrated passion, intelligence, persistence, and analytical aptitude for his study.

I consider her to be one of our department's best and brightest student. During my interactions with her, I was struck by his inquisitive nature and insatiable desire to learn. She is quick learner with strong analytical abilities. She is determined to put in a long hour of disciplined effort in whatever field she is in. The optimistic behavior encourages her to create opportunities rather than wait for them.

If given the opportunity, I'm confident that **Ms. Pushpalatha Ch** will live up to the standards of your college. I strongly urge you to accept her to your graduate program. I am sure he will find her to be a well-rounded Individual who will be a valuable asset to your university. I hope you will support her induction with significant financial assistance.

LETTER OF RECOMMENDATION

I am delighted to issue this recommendation in favor of **Mr. Ravi Teja K** for admission to your prestigious university's graduate program. I had taught him a course on 'ELECTRICAL MACHINES'. In the learning process, I find him to be dedicated. My interaction with him during this term had given me abundant scope to assess his academic and personal capabilities.

He is a conscientious student with a high level of academic commitment. **Mr. Ravi Teja K** has strong understanding of fundamentals and exuberant in acquiring knowledge. Outstanding comradeship qualities, high initiative, and strong academic background are a few of his assets. His pragmatic approach towards the subject gives him the ability to draw inferences and develop solutions. He has demonstrated passion, intelligence, persistence, and analytical aptitude for his study.

I consider him to be one of our department's best and brightest students. During my interactions with him, I was struck by his inquisitive nature and insatiable desire to learn. Cleveland State University Graduate Admissions <graduate.admissions@csuohio.edu>

To: vinodaranjith@gmail.com

Dear R.Ranjith

Cleveland State University collects applicant recommendations electronically. The applicant below has requested that you submit a letter of recommendation. (REC_MSG1)

Applicant:Sai Gokul R

Application: Graduate Application (W000000002139896)

Academic Program: Computer Science MCS

Entrance Semester: Fall Semester 2020

Applicant Message:

As you craft your recommendation letter, please consider the following in your assessment of the applicant:

- How long and in what capacity have you known the applicant?
- What is the applicant's aptitude for graduate study?
- What are the applicant's scholastic achievements?
- What is your opinion of his/her potential for success?

Please click on 'Submit my recommendation' to upload your letter in support of the student's application. (REC_MSG2)

Submit my recommendation

If you are having a problem with the 'Submit my recommendation' link, copy the link below into your browser's navigation bar and enter the following code manually.

Email: vinodaranjith@gmail.com

LETTER OF RECOMMENDATION

Sai Gokul R has been my student for the past three years. I have handled **Mechanics of solids and Machinery**. He is an intelligent and diligent student excelling in both academic work and co-curricular activities.

Sai Gokul R is an extremely self-motivated student with sharp intellect. His enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides his regular course work, he has participated in various symposiums and technical seminars.

Sai Gokul R is studious and very strong in his fundamentals. He has excellent command over English and apart-from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Sai Gokul R research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

In view of the above qualities, I strongly recommend **Sai Gokul R** for admission in your university for the graduate program with full financial assistance.

Mr. Pardhu M is studious and very strong in his fundamentals. He has excellent command over English and apart-from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Mr. Pardhu M research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

In view of the above qualities, I strongly recommend **Pardhu M** for admission in your university for the graduate program with full financial assistance.

Sincerely,

(Mr. R. Ranjith Kumar)

LETTER OF RECOMMENDATION

I take an immense pleasure in introducing one of my outstanding students Mr. Poorna Kiran V , whom I know for the past ten years as an under graduate student in the department of Mechanical Engineering. My association with him has given me an ample scope to assay his capabilities very closely, both academically and personally.

I taught him Computer Aided Design and Computer Aided Manufacturing, Robotics & Machine Drawing. This interaction has provided me sufficient information to gauge and asses him. His intellect, deep interest and untiring attitude of exploring the subject in detail have impressed me a lot. I assure you that with this attitude, coupled with him ability to apply the theories in real time environment, he will make strides to excel in his field of interest. His articles on the subject, which he demonstrated in the various seminars and symposiums, were always research oriented and proved his expertise on the subject.

His ability to work with counter parts and even with his seniors is exemplary. With his pleasing manners, proficiency in communicating his ideas effectively, he has established an excellent rapport with his fellow students and the faculty. He has excellent team leader skills and is competent of extracting the best out of his team members. He has the zeal to be the best that drives his to put that extra effort to be among the topper in his Department. He has maintained a bright and consistent academic record so far, which reflects his keen interest in his academic and professional career.

Being his professor for more than a three years, I discovered his to be responsible and immaculate in character. I proudly recommend his to pursue his Master's Degree in your esteemed University with suitable aid. I am assured that he would maintain the same valedictorian class he has been retaining all these years and would bring laurels to your prestigious University.

I wish him all the success in his future endeavours.

Letter of Recommendation

I take great pleasure in recommending **Mr. Sai Srinadh B** for admission into your esteemed institution. I have known **Mr. Sai Srinadh B** from the past three years and have been his instructor for "MECHANICS OF SOLIDS & THEORY OF MACHINERY" and found him to be a sincere, self-reliant and diligent young man with a pleasing demeanour.

Mr. Sai Srinadh B has good subjective knowledge, which is quite evident from his performance index. He has consistently being among the top 10 of his class. During his interactions with me, he showed great insight in subject matters. He had good communication skills and expressed his ideas lucidly and impressively.

Mr. Sai Srinadh B has a great thirst for knowledge. He had a great ability to quickly assimilate and relate it to the previously acquired knowledge. He demonstrates leadership qualities and was an active member of our student counsel. He is quite capable of undertaking research projects and I am sure that he can perform at his best as a member of a team.

Judging from the above aspects, I can confidently state that **Mr. Sai Srinadh B** possesses the required zeal to prepare and has sufficient motivation and commitment. Hence, I strongly recommend his admission to your esteemed university with requisite financial aid.

Sincerely

(R.Ranjith Kumar)

LETTER OF RECOMMENDATION

Syamprasad K has been my student for the past three years. I have handled **Mechanics of solids and Machinery**. He is an intelligent and diligent student excelling in both academic work and co-curricular activities.

Syamprasad K is an extremely self-motivated student with sharp intellect. His enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides his regular course work, he has participated in various symposiums and technical seminars.

Syamprasad K is studious and very strong in his fundamentals. He has excellent command over English and apart-from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Syamprasad K research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

In view of the above qualities, I strongly recommend **Syamprasad K** for admission in your university for the graduate program with full financial assistance.

Sincerely

LETTER OF RECOMMENDATION

I am immensely pleased to recommend **Gopi V** who is applying for the Master's program at your university. I have taught him "**Wireless sensor network**". As his teacher, I have found his sincere, responsible, and dedicated to his course of work.

Gopi V is one of the best students I have taught in recent years. He has shown excellent academic performance. After knowing him for past year, he has always managed to showcase his talents. He seized my attention during his presentation on "**INTERNET OF THINGS**" which he had already completed in his internship.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

His work is very disciplined and systematic in addition to his impressive interactive approach and clear expression of thought. With his pleasing manners, proficiency in communicating his ideas effectively has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members.

Having known him as a student, I am strongly convinced that **Gopi V** will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in his Field of interest at your prestigious university with possible financial assistance.

LETTER OF RECOMMENDATION

I am immensely pleased to recommend **Gopinadh G** who is applying for the Master's program at your university. I have taught him "**Wireless sensor network**". As his teacher, I have found his sincere, responsible, and dedicated to his course of work.

Gopinadh G is one of the best students I have taught in recent years. He has shown excellent academic performance. After knowing him for past year, he has always managed to showcase his talents. He seized my attention during his presentation on "**INTERNET OF THINGS**" which he had already completed in his internship.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

His work is very disciplined and systematic in addition to his impressive interactive approach and clear expression of thought. With his pleasing manners, proficiency in communicating his ideas effectively has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members.

Having known him as a student, I am strongly convinced that **Gopinadh G** will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in his Field of interest at your prestigious university with possible financial assistance.

Letter of recommendation

Ms. Sai Bhavya V has been my student for the past three years. I have handled **Communication Systems and Antenna and Wave Propagation** . She is an intelligent and diligent student excelling in both academic work and co-curricular activities.

Ms. Sai Bhavya V is an extremely self-motivated student with sharp intellect. Her enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides her regular course work, he has participated in various symposiums and technical seminars.

Ms. Sai Bhavya V is studious and very strong in his fundamentals. She has excellent command over English and apart-from being studious in her academic work, she is an enthusiastic participant in technical quizzes. She has an ability to rapidly grasp and perceive new concepts.

Ms. Sai Bhavya V research orientation and strong inclination towards her field of interest will help her make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make her an asset to any team he may work with. Her aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team she is in.

In view of the above qualities, I strongly recommend Sai Bhavya V for admission in your university for the graduate program with full financial assistance.

Sincerely,

(Ms. G Anantha Lakshmi)

LETTER OF RECOMMENDATION

I take an immense pleasure in introducing one of my outstanding students **Ms. Nagaveni V**, whom I know for the past four years as an under graduate student in the Department of Electrical & Electronics Engineering. My association with him has given me an ample scope to assay his capabilities very closely, both academically and personally.

I taught him **Digital Logic and Circuit and Analog Electronics**. This interaction has provided me sufficient information to gauge and asses him. His intellect, deep interest and untiring attitude of exploring the subject in detail have impressed me a lot. I assure you that with this attitude, coupled with him ability to apply the theories in real time environment, she will make strides to excel in his field of interest. His articles on the subject, which he demonstrated in the various seminars and symposiums, were always research oriented and proved his expertise on the subject.

His ability to work with counter parts and even with his seniors is exemplary. With his pleasing manners, proficiency in communicating her ideas effectively, he has established an excellent rapport with his fellow students and the faculty. He has excellent team leader skills and is competent of extracting the best out of his team members. He has the zeal to be the best that drives his to put that extra effort to be among the topper in his Department. He has maintained a bright and consistent academic record so far, which reflects his keen interest in his academic and professional career.

Being his professor for more than three years, I discovered him to be responsible and immaculate in character. I proudly recommend his to pursue his Master's Degree in your esteemed University with suitable aid. I am assured that he would maintain the same valedictorian class he has been retaining all these years and would bring laurels to your prestigious University.

I wish him all the success in his future endeavours.

He has excellent team leader skills and is competent of extracting the best out of his team members. He has the zeal to be the best that drives him to put that extra effort to be among the topper in his Department. He has maintained a bright and consistent academic record so far, which reflects his keen interest in his academic and professional career.

Being his professor for more than three years, I discovered him to be responsible and immaculate in character. I proudly recommend him to pursue his Master's Degree in your esteemed University with suitable aid. I am assured that he would maintain the same valedictorian class he has been retaining all these years and would bring laurels to your prestigious University.

I wish him all the success in his future endeavours.

Lakshmi

LETTER OF RECOMMENDATION

I take an immense pleasure in introducing one of my outstanding students **Mr. Venkateswarlu Ch**, whom I know for the past four years as an under graduate student in the Department of Electrical & Electronics Engineering. My association with him has given me an ample scope to assay his capabilities very closely, both academically and personally.

I taught her **Digital Logic and Circuit and Analog Electronics**. This interaction has provided me sufficient information to gauge and asses him. Her intellect, deep interest and untiring attitude of exploring the subject in detail have impressed me a lot. I assure you that with this attitude, coupled with him ability to apply the theories in real time environment, she will make strides to excel in his field of interest. Her articles on the subject, which she demonstrated in the various seminars and symposiums, were always research oriented and proved his expertise on the subject.

Her ability to work with counter parts and even with his seniors is exemplary. With her pleasing manners, proficiency in communicating her ideas effectively, he has established an excellent rapport with his fellow students and the faculty. She has excellent team leader skills and is competent of extracting the best out of his team members. He has the zeal to be the best that drives his to put that extra effort to be among the topper in his Department. He has maintained a bright and consistent academic record so far, which reflects his keen interest in his academic and professional career.

LETTER OF RECOMMENDATION

I am immensely pleased to recommend **Chetan P** who is applying for the Master's program at your university. I have taught him "Micro Processor and Micro Controllers". As his teacher, I have found his sincere, responsible, and dedicated to his course of work.

Chetan P is one of the best students I have taught in recent years. He has shown excellent academic performance. After knowing him for past year, he has always managed to showcase his talents. He seized my attention during his presentation on "INTERNET OF THINGS" which he had already completed in his internship.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

His work is very disciplined and systematic in addition to his impressive interactive approach and clear expression of thought. With his pleasing manners, proficiency in communicating his ideas effectively has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members.

Having known him as a student, I am strongly convinced that **Chetan P** will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in his Field of interest at your prestigious university with possible financial assistance.

LETTLER OF RECOMMENDATION

I am immensely pleased to recommend **Saikeerthana G** who is applying for the Master's program at your university. I have taught him "Electronic Devices Circuite". As her teacher, I have found her sincere, responsible, and dedicated to her course of work.

Saikeerthana G is one of the best students I have taught in recent years. She has shown excellent academic performance. After knowing him for past year, she has always managed to showcase his talents. She seized my attention during his presentation on "INTERNET OF THINGS" which she had already completed in her internship.

I interacted with him a lot of times and I found him very unique because she stands out when compared to the rest of the students. I found him very creative and she has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

Her work is very disciplined and systematic in addition to her impressive interactive approach and clear expression of thought. With her pleasing manners, proficiency in communicating her ideas effectively has established an excellent rapport with her fellow students and the faculty. She has brilliant team leader skills and is competent in extracting the best out of her team members.

Having known him as a student, I am strongly convinced that **Saikeerthana G** will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in her Field of interest at your prestigious university with possible financial assistance.

Letter of Recommendation

I take great pleasure in recommending Mr. Venkata Sai Ganesh M for admission into your esteemed institution. I have known Mr.N.Prudhvi from the past three years and have been his instructor for "FINITE ELEMENT METHODS" and found him to be a sincere, self-reliant and diligent young man with a pleasing demeanour.

Mr. Venkata Sai Ganesh M has good subjective knowledge, which is quite evident from his performance index. He has consistently being among the top 10 of his class. During his interactions with me, he showed great insight in subject matters. He had good communication skills and expressed his ideas lucidly and impressively.

Mr. Venkata Sai Ganesh M has a great thirst for knowledge. He had a great ability to quickly assimilate and relate it to the previously acquired knowledge. He demonstrates leadership qualities and was an active member of our student counsel. He is quite capable of undertaking research projects and I am sure that he can perform at his best as a member of a team.

Judging from the above aspects, I can confidently state that Mr. Venkata Sai Ganesh M possesses the required zeal to prepare and has sufficient motivation and commitment. Hence, I strongly recommend his admission to your esteemed university with :equisite financial aid.

Sincerely

(Ms.A.Sarada)

LETTER OF RECOMMENDATION

Take great pleasure in recommending my student, Ms JAYA SREE N in support of her application towards your post graduate program. Being her mentor I had keenly observed her academics and I am glad to produce him testimonial for your consideration.

I have been able to gauge her strengths and abilities. He has a terrific ability to draw on her experiences and develop thoughtful opinions on a variety of issues. I taught him "SIGNALS AND SYSTEMS". He has a good hold on the fundamentals of the above subjects. He is an individual with good subject involvement and her systematic approach is evident from her exceptional aptitude in engineering profession. Her technical knowledge is no doubt an asset to him. I am at privilege to note that he is regular performance in the classroom is an indicative of a productive student. I have taken note of her admirable problem solving skills and reasoning abilities. Her understanding and application of concepts to various situations stand as a proof of capacity to work in research-oriented environment.

In short, I would like to say Ms JAYA SREE N is a hardworking, courteous individual, who in my opinion is well suited for research. Her aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend him candidature in your esteemed university and will be glad to entertain any further communication in the regard.

LETTER OF RECOMMENDATION

Take great pleasure in recommending my student, Mr Mahesh Babu M in support of his application towards your post graduate program. Being his mentor I had keenly observed his academics and I am glad to produce him testimonial for your consideration.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him "SIGNALS AND SYSTEMS". He has a good hold on the fundamentals of the above subjects. He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him. I am at privilege to note that he is regular performance in the classroom is an indicative of a productive student. I have taken note of his admirable problem solving skills and reasoning abilities. His understanding and application of concepts to various situations stand as a proof of capacity to work in research-oriented environment.

In short, I would like to say Mr Mahesh Babu M is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend him candidature in your esteemed university and will be glad to entertain any further communication in the regard.

LETTER OF RECOMMENDATION

I am immensely pleased to recommend **NASRIN SK** who is applying for the Master's program at your university. I have taught him "Wireless sensor network & Communication Systems ". As her teacher, I have found her sincere, responsible, and dedicated to her course of work.

NASRIN SK is one of the best students I have taught in recent years. She has shown excellent academic performance. After knowing him for past year, she has always managed to showcase her talents. She seized my attention during her presentation on "Signals and systems" which she had already completed in her internship.

I interacted with her a lot of times and I found him very unique because she stands out when compared to the rest of the students. I found her very creative and she has an excellent grasping power. Unique students are rare to find and when we professors find one like her, we are happy to be the one to guide her through a particular subject and help him master it, as it will be helpful for him in future projects.

Her work is very disciplined and systematic in addition to her impressive interactive approach and clear expression of thought. With her pleasing manners, proficiency in communicating her ideas effectively has established an excellent rapport with her fellow students and the faculty. She has brilliant team leader skills and is competent in extracting the best out of her team members.

Having known her as a student, I am strongly convinced that Gopi V will make a significant contribution to your program. I take pleasure in recommending her for admission towards the Master's program in her Field of interest at your prestigious university with possible financial assistance.

Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects

his work is very disciplined and systematic in addition to his impressive interactive approach and clear expression of thought. With his pleasing manners, proficiency in communicating his ideas effectively has established an excellent rapport with his fellow students and the faculty. he has brilliant team leader skills and is competent in extracting the best out of his team members.

Having known him as a student, I am strongly convinced that Sri Swetha Hrudaya Raj B will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in his Field of interest at your prestigious university with possible financial assistance.

LETTER OF RECOMMENDATION

I am immensely pleased to recommend **Swetha M** who is applying for the Master's program at your university. I have taught him "**Micro Processor and Micro Controllers**". As her teacher, I have found her sincere, responsible, and dedicated to her course of work.

Swetha M is one of the best students I have taught in recent years. She has shown excellent academic performance. After knowing him for past year, she has always managed to showcase his talents. She seized my attention during his presentation on "**INTERNET OF THINGS**" which she had already completed in her internship.

I interacted with him a lot of times and I found him very unique because she stands out when compared to the rest of the students. I found him very creative and she has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

Her work is very disciplined and systematic in addition to her impressive interactive approach and clear expression of thought. With her pleasing manners, proficiency in communicating her ideas effectively has established an excellent rapport with her fellow students and the faculty. She has brilliant team leader skills and is competent in extracting the best out of her team members.

Having known him as a student, I am strongly convinced that **Swetha M** will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in her Field of interest at your prestigious university with possible financial assistance.

LETTER OF RECOMMENDATION

I am immensely pleased to recommend **Venu M** who is applying for the Master's program at your university. I have taught him "Wireless sensor network". As his teacher, I have found his sincere, responsible, and dedicated to his course of work.

Venu M is one of the best students I have taught in recent years. He has shown excellent academic performance. After knowing him for past year, he has always managed to showcase his talents. He seized my attention during his presentation on "**INTERNET OF THINGS**" which he had already completed in his internship.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

His work is very disciplined and systematic in addition to his impressive interactive approach and clear expression of thought. With his pleasing manners, proficiency in communicating his ideas effectively has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members.

Having known him as a student, I am strongly convinced that **Venu M** will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in his Field of interest at your prestigious university with possible financial assistance.

Mobile Number: +919440428638

LETTER OF RECOMMENDATION

I am writing to you in support of **HARSHITHA V** and his desire to attend your university for doing Master's program. I have assessed him in the subject "**DATA STRUCTURES THROUGH C**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extra curricular activities impresses immensely..

HARSHITHA V possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from that; technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am writing to you in support of **RAMYA G** and her desire to attend your university for doing Master's program. I have assessed him in the subject "**CYBER SECURITY**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, she is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. She is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards her studies and extra curricular activities impresses immensely..

RAMYA G possesses a very fine personality for which she is liked by one and all in the department, with his friendly disposition, she can fit into any team. She has a theoretically well-backed approach to solving problems which clearly displays his innovative and experimental skills. Her understanding of concepts with ease makes him an ideal candidate for any kind of work.

She is an ambitious and career-oriented person who believes in reality and completing the work meticulously. She keeps herself updated on the latest developments and goes through which was evident from that; technical discussions and interviews I had with him. I am confident that she will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. SRI VIDHYA CH with whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "**CLOUD COMPUTING**", in graduate program. From the tenure of my observation and interaction I can say that she is the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the language as well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has compliant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. SRI VIDHYA CH for her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavour to acquire knowledge through higher studies.

LETTER OF RECOMMENDATION

I am immensely pleased to recommend **DYANA GOPI D** who is applying for the Master's program at your university. I have taught him "Computer networks & Operating Systems". As his teacher, I have found his sincere, responsible, and dedicated to his course of work.

DYANA GOPI D is one of the best students I have taught in recent years. He has shown excellent academic performance. After knowing him for past year, he has always managed to showcase his talents. He seized my attention during his presentation on "Signals and systems" which he had already completed in his internship.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

His work is very disciplined and systematic in addition to his impressive interactive approach and clear expression of thought. With his pleasing manners, proficiency in communicating his ideas effectively has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members.

Having known him as a student, I am strongly convinced that **DYANA GOPI D** will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in his Field of interest at your prestigious university with possible financial assistance.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. KUNDANA B with whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "**CLOUD COMPUTING**", in graduate program. From the tenure of my observation and interaction I can say that she is the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the language as well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has compliant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. KUNDANA B for her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavour to acquire knowledge through higher studies.

LETTER OF RECOMMENDATION

I am writing to you in support of **VENKATA KRISHNA G** and his desire to attend your university for doing Master's program. I have assessed him in the subject "**OP's THROUGH JAVA**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extra curricular activities impresses immensely..

VENKATA KRISHNA G possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from that; technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am writing to you in support of AKASH K and his desire to attend your university for doing Master's program. I have assessed him in the subject "DATA SCIENCE". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extra curricular activities impresses immensely..

AKASH K possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from that; technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am writing to you in support of **SRAVANI J** and her desire to attend your university for doing Master's program. I have assessed him in the subject "**DATA SCIENCE**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, she is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. She is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, she has taken up several other initiatives. His equal commitment and sincerity towards her studies and extra curricular activities impresses immensely..

SRAVANI J possesses a very fine personality for which she is liked by one and all in the department, with his friendly disposition, she can fit into any team. She has a theoretically well-back approach to solving problems which clearly displays his innovative and experimental skills. Her understanding of concepts with ease makes him an ideal candidate for any kind of work.

She is an ambitious and career-oriented person who believes in reality and completing the work meticulously. She keeps herself updated on the latest developments and goes through which was evident from that; technical discussions and interviews I had with him. I am confident that she will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

Subject: Recommendation Request from Sai Gowri Srikar M for University of Docklands campus

To: <dprasad@mictech.ac.in>

Dear PrasadD,

Sai Gowri Srikar M has requested that you write a letter of recommendation to University of Docklands campus on their behalf. In an effort to make this process as easy as possible for you, we offer the ability to complete your recommendation online through our secure website. To submit your recommendation, please use the link below. This link is unique to this recommendation and should not be shared or forwarded.

[Submit Recommendation](#)

Thank you for your time and consideration.

University of Docklands campus

D.Prasad

Associate Professor,
Department of Computer Science and Engineering, Email:
dprasad@mictech.ac.in
Mobile Number: +919440428638

LETTER OF RECOMMENDATION

I am writing to you in support of **SAI GOWRI SRIKAR M** and his desire to attend your university for doing Master's program. I have assessed him in the subject "**OP's THROUGH JAVA**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extra curricular activities impresses immensely..

SAI GOWRI SRIKAR M possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from that; technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Mr. Sai Krishna Rakesh R with whom I foster a close interaction for the past few years. He is one of the brightest and enthusiastic students I had ever taught. He took my subject "CLOUD COMPUTING & DVMS", in graduate program. From the tenure of my observation and interaction I can say that He is the most ambitious and industrious person in my class.

I appreciate the contribution He made to my class in making it a more interactive discussion than a conventional classroom teaching. He used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped him in some of his projects and was amused by the ways he searched for accomplishing his projects.

His prospects as a research is are strongly complemented by experimental skills in the laboratory. His grasp over the language as well as his writing abilities, shall stand him in good stead in subsequent research and teaching assignments. His curiosity and his stand to put things to perfection shall surely be an advantage. His role in various events organized by our department is appreciable. Furthermore, He has compliant manners and a good character.

He is a student of high moral and ethical standards. I am sure He will put forth all his effort into any task that he confronts. By furnishing him with a graduate program in your University, you will not only give him an opening for career headway but also help him reach the supreme level of accomplishment. With full confidence in his abilities, I strongly recommend Mr. Sai Krishna Rakesh R for his studies in your esteemed University, with suitable financial aid.

I convey my best wishes to him in future endeavour to acquire knowledge through his studies.

LETTER OF RECOMMENDATION

I am immensely pleased to recommend Chetan Sai S who is applying for the Master's program at your university. I have taught him "Computer networks & Operating Systems". As his teacher, I have found his sincere, responsible, and dedicated to his course of work.

Chetan Sai S is one of the best students I have taught in recent years. He has shown excellent academic performance. After knowing him for past year, he has always managed to showcase his talents. He seized my attention during his presentation on "Signals and systems" which he had already completed in his internship.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

His work is very disciplined and systematic in addition to his impressive interactive approach and clear expression of thought. With his pleasing manners, proficiency in communicating his ideas effectively has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members.

Having known him as a student, I am strongly convinced that Chetan Sai S will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in his Field of interest at your prestigious university with possible financial assistance.

LETTER OF RECOMMENDATION

I am writing to you in support of **Kishore Kumar V** and his desire to attend your university for doing Master's program. I have assessed him in the subject "**DATA STRUCTURES THROUGH C**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extra curricular activities impressed immensely..

Kishore Kumar V possesses a very fine personality for which she is liked by one and all in the department. With his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from that: technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Mr. Manikanta Sai N. with whom I foster a close interaction for the past few years. He is one of the brightest and enthusiastic students I had ever taught. He took my subject "FLAT & COMPUTER NETWORK", in graduate program. From the tenure of my observation and interaction I can say that He is the most ambitious and industrious person in my class.

I appreciate the contribution He made to my class in making it a more interactive discussion than a conventional classroom teaching. He used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped him in some of his projects and was amused by the ways he searched for accomplishing his projects.

His prospects as a research is are strongly complemented by experimental skills in the laboratory. His grasp over the language as well as his writing abilities, shall stand him in good stead in subsequent research and teaching assignments. His curiosity and his stand to put things to perfection shall surely be an advantage. His role in various events organized by our department is appreciable. Furthermore, He has compliant manners and a good character.

He is a student of high moral and ethical standards. I am sure He will put forth all his effort into any task that he confronts. By furnishing him with a graduate program in your University, you will not only give him an opening for career headway but also help him reach the supreme level of accomplishment. With full confidence in his abilities, I strongly recommend Mr. Manikanta Sai N for his studies in your esteemed University, with suitable financial aid.

I convey my best wishes to him in future endeavour to acquire knowledge through his studies.

Firm Offer of Admission

Keerthika Kolusu
Student ID Number: 991705187

July 23, 2022

Date of Birth: September 20, 1999
Address: 21-74,Siddartha Nagaar , 3rd Street
Gollapudi
Krishna, 521225 India

Institution: Sheridan College
Designated Learning Institution #: O19385946782
Post-Secondary Public Institution
Status: Full-time studies, Academic, Non-Exchange
Term: Winter 2023

Dear Keerthika,

Congratulations! We are very pleased to offer you admission to:

Program

PURBN - Urban Design
Entry Level: Year 1 / Semester 1
Level of Study: Ontario College Graduate Certificate

Campus

Hazel McCallion Campus
Mississauga
ON

Orientation Date: January 05, 2023

Term Start Date: January 9, 2023

Last Registration Date: January 13, 2023

Expected Graduation Date: August 2023

Your next steps:

- Accept your offer in [Sheridan Application Portal](#) within two weeks, or your offer may expire.
- Explore your [Sheridan Application Portal](#) - helpful hints and information will help you start off right.
- Access [resources and supports](#) to help you make the move from applicant to successful Sheridan student.
- Check your email frequently for updates from Sheridan.
- See your program Fee Estimate enclosed. Prompt payment secures your seat in the program.

Apply for Study Permit:

- Please present this letter to apply for your study permit at the nearest Canadian Embassy, High Commission or Consulate.
- Once you have been approved, please upload a copy of your Study Permit Confirmation Letter or Visa to our [Immigration File Submission](#) system.
- If you withdraw, cease to attend classes or become part-time, you should be aware that we will inform Immigration, Refugees and Citizenship Canada of your change in status.

Apply for Co-op Work Permit (if applicable):

Entry Level: Year 1 / Semester 1

Congratulations Keerthika!

In addition to the Letter of Acceptance, I am pleased to congratulate you on being selected to receive a **Sheridan Entrance Scholarship** for the program and term stated above.

This award is valued at a total of \$1,000; \$500 will be applied directly to your Sheridan student account after the fourth week of classes of your first term and \$500 applied after the fourth week of classes of your second term. You must meet all the program's admission requirements and be registered full-time as an international student in both terms to qualify for this award. This award only applies to the program in this offer letter starting in Year 1 Semester 1. The award for a term will be canceled if you withdraw from that term at any time.

Again, please accept my warmest congratulations; we look forward to welcoming you to Sheridan!

Sincerely,

Deanna McQuarrie

University
of Windsor

International Cohort Based Masters Admissions

Office of the Registrar

apply@uwindsor.ca

Congratulations on your admission to the University of Windsor's Professional Program!

The next step is to confirm your offer of admission. Please login to the University's electronic Graduate Application System (eGAS) at www.uwindsor.ca/its/eiss/egas. Once you have printed your offer of admission letter, you can prepare to apply for your visa, bank loan, search for living accommodations and begin making travel preparations.

Program Terms and Conditions

- To secure your place in the program, you must accept the offer of admission through your eGAS account. The offer will expire 21 days from the date on the offer of admission letter. You must also submit a deposit of **\$4000.00 CAD**. The deposit is due 21 days from the date issued on the offer of admission. If you do not provide a deposit by the due date you will not be guaranteed a seat in the class. Payment should be made via www.uwindsor.ca/finance/student-accounts. Payment will be applied to your first term program fees and is refundable only with adequate proof of a refused Student Visa. The VISA refusal letter for the term in which your offer is valid will need to be provided to the Cashier's Office to receive a refund. See the University of Windsor website for the refund policy.
- By accepting this offer of admission, you are also agreeing to register for the University Health Insurance Plan.
- All conditions on your offer letter associated with this offer must be satisfied before the due date indicated.
- This letter of offer is non-transferable. Payment of program fees and/or remittance of program deposit cannot be applied to any other program offered by the University of Windsor.

Condition(s) of Admission

- Degree Confirmation: Please forward an official copy of your degree confirmation/proof of completion of all post-secondary education to the Office of Graduate Admissions (address above) by the listed due date. The Degree Confirmation must be received in the original sealed envelope from the granting institution to be considered official. An attested copy of the original certificate would be accepted if received in the original sealed envelope from the granting institution.

Northeastern College of Professional Studies

FOR ALL STUDENTS

Students admitted to Northeastern will have access to limited services through the myNortheastern portal. As you transition from an admitted to an enrolled student, your access to myNortheastern services is automatically modified.

Student Account Claim:

Students eligible for a Northeastern online account will receive an automated account claim email 1 business day after decision is published. Eligibility is based on admission data in university systems. Students can follow the steps below to claim their online account:

To claim a student account:

1. Open Account Claim email.
2. Click on the "Claim your Northeastern online account now" claim token in email.
3. Follow the prompt to enroll in Duo, the university's two-factor authentication provider.
4. Complete the "Student Account Claim" form.
5. Review and accept the "Northeastern University Appropriate Use Policy"
6. Create a password.

If you are unable to claim your student account:

There are several reasons why you may not be able to claim your student account, including:

- University admission data on file indicates that you are not eligible for a myNortheastern account and have not been sent an account claim email.
- You have not accepted the Northeastern University Appropriate Use Policy for Computer Network Resources.
- Your password doesn't meet the minimum length requirement.

If you need additional support with the account claim process, the IT Service Desk is available 24/7. Call 617.373.HELP (4357) or email help@northeastern.edu.

November 8, 2022

Hema Sri Nakirikanti
3-107, Konakanchi Penuganchiprolu, Krishna
Krishna, AP 521190
India

Dear Hema Sri:

It gives me great pleasure to inform you that you have been accepted into the following program:

Intended Program: Computer Science (MS)
Intended Term of Entry: Spring 2023

Your application was evaluated based on unofficial academic transcripts and test scores. You will be required to submit official copies of these items by the twelfth (12th) class day of the term to which you are admitted, and you will receive a separate communication which contains more information about what to submit and how it should be submitted.

Please review the Graduate Catalog to familiarize yourself with Graduate School regulations and requirements. Information for newly admitted students is available on our website at <http://go.grad.ttu.edu/newstudents>. Pre-arrival information for new incoming international students will be available online at <http://go.grad.ttu.edu/prearrival>.

Access to graduate education is reserved for students who have demonstrated uncommon scholastic ability at the undergraduate level. Moreover, we believe that these students show great promise for further academic achievement. Accordingly, your admission to the Graduate School is a pivotal event in your professional development, and we welcome you to our community of scholars. Please accept our congratulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark A. Sheridan".

Mark A. Sheridan, Ph.D.
Vice Provost of Graduate Affairs and Dean of the Graduate School

2020-21

5.2.2

Sacred Heart UNIVERSITY

INTERNATIONAL ADMISSIONS

Dear Balakiran,

Congratulations on your admission to Sacred Heart University for the MS in Computer Science & IT - Data Science Track program ! Please make sure that all information entered on the I-20 is correct (name, date of birth, country of birth and citizenship, education level and program of study, and your financial information). If not correct, please contact our office immediately. Listed below is important information, please read carefully.

IMPORTANT DATES

- **July 30, 2022:** Earliest date you can enter the U.S. You cannot enter the U.S. as a student prior to this date.
 - **August 29, 2022:** MANDATORY Orientation before classes begin--you will receive an email requesting to confirm your attendance.
 - **August 29, 2022:** Latest date you can enter the U.S. You cannot arrive any later than the Program Start Date on your I-20. You may not be granted entry to the U.S. If you cannot arrive by this date, please contact International and Immigration Services.
 - **September 6, 2022:** Classes begin

University policy states that you cannot switch majors upon arrival at Sacred Heart University

SEVIS FEE/SCHOOL CODE

Now that you have received your Form I-20 you have to pay a \$350 SEVIS Fee by filing Form I-901 before you obtain your U.S. visa. The easiest way to do this is through the internet at www.FMJfee.com.

Sacred Heart University's school code is **BOS214F10554000**.

Make sure you enter your personal information exactly as it appears on your Form I-20 (and passport). If not correct, please contact us before paying the fee.

GETTING A U.S. VISA

After paying your SEVIS I-901 fee, please go to www.travel.state.gov for instructions on how to obtain your U.S. visa. Click on U.S. Visas, Study & Exchange, Student Visas.

To obtain a U.S. visa your first step will be to complete Form DS-160, upload your photo, and pay the required \$160 application fee. After completing your DS-160, schedule an interview at the U.S. consulate or embassy at your place of residence. **F-1 visa appointments can be scheduled no earlier than 120 days in advance of your program start date.** Bring to your interview all the documentation you presented to obtain your Form I-20 as well as your SEVIS Fee receipt, your Form I-20, your academic records and tests scores, your letter of admission, scholarship letter (if applicable) and proof of compelling ties. (*Please note----Canadian citizens do not need to complete Form DS-160, but you are required to pay the SEVIS I-901 fee.*)

Compelling ties are those things that tie you to your country and which prevent you from permanently moving to the United States. The best proofs of compelling ties are family ties, property, and previous U.S. travel. Be aware that the interview will be conducted in English. Prepare yourself so you can answer questions about your intention to study at Sacred Heart University.

ENTERING THE UNITED STATES

Make sure to carry the following documents with you when traveling:

- Valid Form I-20
 - Valid passport
 - Valid U.S. visa
 - Your financial documentation
 - Sacred Heart University's letter of admission
 - Receipt of SEVIS Fee; Form I-901

On the airplane (or means of transportation) you will be given an I-94 card. Complete this card and present it at the port of entry. U.S. Customs and Border Protection (CBP) has automated the arrival/departure process and an electronic record will be created. After arriving in the U.S., your admission number and electronic I-94 record can be obtained through the website www.cbp.gov/I-94

Letter of Admission

Deadline Date for Fees Payment (MM/DD/YY): 08/04/22

Dear Ramya Goberu,

Congratulations! You are being offered admission to Fanshawe College for your post-secondary studies in Canada. This letter contains information that you can use to apply for a Study Permit and should be submitted to Immigration, Refugees and Citizenship Canada (IRCC).

Fanshawe College Student ID	: 1148324
Date of Birth	: 06/12/99 (MM/DD/YY)
Type of School	: Public; Member, CICan www.collegesinstitutes.ca ; DLI # O19361039982
Program of Study	: ESD3 - Electronics and Embedded Systems Development, London Campus
Academic Status	: Full Time
Level of Study	: Graduate Certificate
Semester of Study	: Level Year 1
Program Start Date	: 01/04/23 (MM/DD/YY)
Length of Program	: 2 Years (4 Levels)
Co-Op/Work Term	: N/A
Expected Date of Completion	: 08/31/24 (MM/DD/YY)
Fees	: C\$17907.27
Fees Due	: C\$17907.27 (Approximate and subject to change)
Fees Payment Deadline	: 08/04/22 (MM/DD/YY)
Condition(s) (if applicable)	: NA. Student accepted under SDS.
Last date to update your visa	: 12/20/22 (MM/DD/YY)
Last date for registration	: 12/29/22 (MM/DD/YY)

Program fees for International students for are listed here by Program Name:

https://www.fanshawec.ca/sites/default/files/2021-06/international_fees_2021.pdf

The Deadline Date is important, as your seat is not confirmed until full payment has been made. Your seat will be confirmed subject to availability of seats in your program at the time of your payment. To hold your place, the fee of C\$17907.27 must be received by the "deadline date" mentioned above. Payment should be made in Canadian dollars through Flywire ONLY. The fee receipt can be downloaded from your Flywire account approximately 48-72 hours after making the payment.

Arrival Services are provided at no additional charge to all new international students. This includes pre-departure briefings, transportation from Pearson Airport to London (or a Fanshawe regional campus), and preferred rates at Fanshawe partner hotels.

In the most recent Ontario College Key Performance Indicators (KPI) survey, Fanshawe ranked above the provincial average for Graduate Employment Rate (85.8%), Graduate Satisfaction Rate (80.8%), Employer Satisfaction Rate (95.8%) and Graduation Rate (69.7%).

Once your visa is approved, you MUST email atandon@fanshawec.ca before 12/20/22 (MM/DD/YY). We look forward to seeing you in Canada at Fanshawe College.

Sincerely,

Wendy Curtis,
 Dean, Fanshawe International Centre

Congratulations, Seathu Sai, you have been admitted to Illinois State University!

I am pleased to inform you that the committee for admission to the Graduate School has approved your application. As a student at Illinois State, you will enjoy an educational experience in which expert faculty will work closely with you to achieve your academic goals.

You have been admitted into the Information Systems program for Fall 2022. Your next steps to becoming a Redbird require access to your admitted student portal. To begin, you must activate your account at IllinoisState.edu/Activate.

You will need your University ID: 807139433

Once your account is active, please visit My.IllinoisState.edu to view the information needed to complete your admission file.

You will find everything you need to know about enrolling at Illinois State in your admission packet. You will also be receiving additional information from the Office of International Studies and Programs regarding housing, transportation, and immigration.

In addition, you will want to contact your graduate program coordinator to get additional information about academic requirements, course registration, and other important steps to enrollment. You can find contact information for your graduate program coordinator at IllinoisState.edu/GGraduateCoordinators.

Seathu Sai, you should be very proud of your accomplishments. I am confident that you will continue your academic success, pursue your passions, and accomplish great things as an Illinois State Redbird!

Sincerely,

Kayla Carroll
Director of International Admissions

Dear Mr. Chilaka,

Congratulations and welcome to Governors State University! We are pleased to inform you that you have been admitted into the Masters Computer Science program for the Fall 2022 semester, which begins on August 29, 2022.

As a new student at Governors State University it is important that you work closely with your advisor to plan your schedule to ensure your best opportunities for academic success. *In some cases, pre-requisite coursework may be required.* Please contact your academic advisor to schedule an appointment.

Advisor name: McMullen, Paula

Advisor phone: 708-235-2221

Advisor email: plewickas@govst.edu

The information below will be needed to access the myGSU portal (mygsu.govst.edu), which provides easy access to important student services including new student orientation, schedule of classes, course registration, tutorials, grades, academic program information, and more.

Student ID: 1255471

Systm Login: vchilaka

Password: GovstMMDDYY (Please use your 6-digit birthdate)

GSU student e-mail address: vchilaka@student.govst.edu

To secure your seat in the program and continue the enrollment process, a \$200 deposit will be required. This deposit will only be refundable upon evidence of visa denial. Please log into your application portal for information regarding the deposit, immigration processes, orientations, and other necessary steps.

Also, please keep in mind that U.S. Federal regulations allow international students to enter the U.S. no earlier than 30 days before to the start of classes. This means you can enter after July 30, 2022. Please plan accordingly.

If your enrollment plans change in any way, please contact the Office of International Services (OIS) in writing. Application and admission materials are kept on file for one year and students may have the option to defer their admission for one term. You will need to reapply with all new materials after one year, or after the admission deadline has passed for special program admissions.

If you have any questions, please contact OIS by email at ois@govst.edu or by phone at +1.708.235.7611.

Dear Ashok Kumar,

Congratulations! We are pleased to inform you that you have been fully admitted to the Master of Science program in **Technology** beginning **Fall 2022**. Your academic advisor is Dr. David Melton (dwmelton@eiu.edu).

Please plan to arrive on campus on either Sunday, August 14, 2022 or Monday, August 15, 2022. International Student Orientation is August 16-19, 2022. You are **required** to attend **all** Orientation sessions. First day of classes for the Fall 2022 semester is Monday, August 22, 2022.

Eastern Illinois University assists students with learning, physical, or health-related disabilities. Contact the Office of Disability Services upon your arrival to establish your needs.

Upon your first entry to the United States, you must report to the Designated School Official at the school named on your Form I-20.

If you have decided not to enroll for the semester you have been admitted, please let us know well in advance so we can update your admission status to the desired semester. To defer, please submit a *Defer Admission* form which can be found on our website under "Forms and Documents."

Sincerely,

A handwritten signature in black ink, appearing to read "Mutombo Andy Kabasele".

Vijayawada, Andhra Pradesh 521456
India

Dear Durga Malleswari,

Congratulations on your acceptance to the University of New Haven. You have been selected by the admissions committee as an outstanding candidate for our prestigious Dean's Scholarship. On behalf of the admissions committee I am pleased to offer you a **10% Dean's Scholarship** for the Spring 2023 semester.

The terms and conditions of the award are listed below:

- The award can only be applied toward the program you have been accepted to as of the date of award letter.
- The award cannot be deferred to a future term and is non-transferable between programs.
- During the period of this scholarship you must be registered as a full-time student with a maximum of 12 credits during each of the spring and fall terms.
- You must maintain a 3.0 cumulative quality point ratio and maintain Satisfactory Academic Progress (SAP) as outlined in the Student Handbook.
- These merit based (scholarship, assistantship, or discount) programs offered by the University cannot be used in conjunction with each other. In the event that a student qualifies for more than one of these programs, the largest tuition benefit will take precedence. If a student subsequently loses eligibility for the program with the larger tuition benefit their eligibility for the program with the smaller tuition benefit will be re-evaluated.
- Awards funded through external entities (outside grants, scholarships, fellowships, etc.) can be used in conjunction with University awards/discounts, however the combination of tuition benefits from all sources cannot exceed the student's cost of tuition. If the combination of awards exceeds the cost of tuition the University award/discount will be reduced to no longer exceed the cost of tuition. Exceptions may apply based on external agency policies.
- Complete the Dean's Scholarship Acknowledgement Form to accept the award.
- Failure to accept the scholarship will result in the withdrawal of the award.

If you have any questions or if we can be of any assistance, please contact the Office of Graduate Admissions at 203-932-7440.

Sincerely,

Ronald S. Harichandran, Ph.D., D.E., FASCE

Dear Mounika,

Congratulations and welcome to the University of Central Missouri! We are excited to offer you admission to the MS Cybersecurity & Information Assurance program for the Fall 2023 semester.

Please continue to check your email. You may receive additional information from the program coordinator regarding your admission. In addition, you will receive more information regarding our online international orientation process.

If you are a new student, you should receive an email within 24 hours of admission with your network ID and instructions on accessing MyCentral. If you do not receive an email, and it is not in your Spam folder, please contact tsc@ucmo.edu. If you are a returning student, you will not receive that email as you have already been assigned a network ID. If you need assistance retrieving your network ID, please contact our office.

Please let us know if you have any questions about your next steps. For specific questions about the program or which courses to enroll in, please contact the program directly.

Sincerely,

International Student Services
University of Central Missouri

Reminder: You will not be able to enroll in classes until we receive all of your final official transcripts (evaluations) from all college/post-secondary institutions attended (including provisional certificates and/or diplomas for international students) that meet the GPA requirements of the University.

Dear Geyasri Vagdevi M,

It is my pleasure to offer you admission to the University of Maryland, Baltimore County (UMBC) Graduate School as a graduate student in the **Data Science** program for the **Spring 2021** semester. You are now eligible to take courses at UMBC towards the completion of your program. We were impressed with your qualifications, and hope you will find graduate education here both challenging and rewarding.

Please indicate whether you accept this offer by logging in to your myUMBC account. Accepting your admission is required before you are able to register for classes. To activate your account, please visit <https://my.umbc.edu/account> then click the "Create my Account" link. Activating your account requires your date of birth and UMBC Campus ID.

Your Campus ID is: **FH13422**

You may be required to pay a deposit after you accept your admission. This deposit will be a credit to your tuition bill and is not an extra fee. However, you will be required to pay this deposit before you are able to register for classes.

You will be contacted by your Graduate Program Director or Program Coordinator regarding program-specific orientation and academic advisement for your first semester's course selection. If you are subject to prerequisites or other terms of admission, the department will notify you directly. The Graduate School Catalog, Schedule of Classes, Policies and Procedures are available on our website at <https://gradschool.umbc.edu/>, some helpful resources for new students are listed at <https://gradschool.umbc.edu/students/checklist/>.

PRINCIPAL
DVR & Dr. HS MJC College of Technology

UMBC's International Student and Scholar Services (**ISSS**) will issue you the appropriate document to apply for a U.S. visa after you submit evidence of your financial support. If you have additional questions about this process, please contact the ISSS office using their website.

Please review the Mandatory UMBC Health Form, which must be completed and returned to University Health Services with documentation of all required immunizations before you may register for your second term at UMBC. The form is available at <https://health.umbc.edu/health-services/health-requirements/>.

Residential Life may provide temporary housing accommodations to UMBC graduate students who will be participating in campus orientation programs. Please be aware that temporary housing is available on a limited basis and is not guaranteed. For more information about registration, availability and costs, please contact Residential Life at reslife@umbc.edu.

If you have other questions or need assistance, please contact the staff of the Graduate School at 410-455-2537 or gradschool@umbc.edu. Congratulations on your acceptance and best wishes in your academic pursuits.

Sincerely yours,

K. Jill Barr J.D., M.Ed.
Associate Vice Provost, Graduate Education

Dear Jyothi Priyanka M,

Congratulations! We are pleased to admit you to the M.S. degree program in Industrial Management at the University of Central Missouri for the fall 2021 semester. You have been granted regular admission which means you have satisfied the University of Central Missouri's minimum English proficiency requirement. This program will be located at the Warrensburg Main Campus: KAN214F00100000.

Classes begin on August 14, 2021. **A mandatory orientation will be held during the week of August 7, 2021 that you must attend in order to enroll.** You will receive additional emails about orientation, arrival expectations, and other useful information to help you as you plan for your arrival to UCM.

Reminder – Prior to the start of the semester, all final official transcripts (evaluations) that meet GPA requirements, from all college/post-secondary institutions attended must be submitted. Additional testing may be required upon arrival.

Please include your student ID number in all future contact with this office. If you have any questions after reading through the material, please contact us at issss@ucmo.edu or by phone at (660) 543-4092. We wish you well as you begin your journey to the University of Central Missouri.

Regards,

India

Dear Jyothsna P:

It gives me great pleasure to inform you that you have been accepted into the following program:

Intended Program: Electronic Communication Engineering (MS)
Intended Term of Entry: Fall 2021

Your application was evaluated based on unofficial academic transcripts and test scores. You will be required to submit official copies of these items by the twelfth (12th) class day of the term to which you are admitted, and you will receive a separate communication which contains more information about what to submit and how it should be submitted.

Please review the Graduate Catalog to familiarize yourself with Graduate School regulations and requirements. Information for newly admitted students is available on our website at <http://go.grad.ttu.edu/newstudents>. Pre-arrival information for new incoming international students will be available online at <http://go.grad.ttu.edu/prearrival>.

Access to graduate education is reserved for students who have demonstrated uncommon scholastic ability at the undergraduate level. Moreover, we believe that these students show great promise for further academic achievement. Accordingly, your admission to the Graduate School is a pivotal event in your professional development, and we welcome you to our community of scholars. Please accept our congratulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark A. Sheridan".

Dear Ms. N V Harika Priya S,

Congratulations! You have been admitted to the Computer Science program. The University of North Texas provides an exciting place to pursue your graduate education, and we are committed to your success. At UNT you will find the education and support you need to realize your goals and expand your horizons.

You are now eligible to register during your upcoming enrollment period. Please visit your student portal at my.unt.edu for important information about enrollment dates, registration and class schedules.

F-1, F-2, and J-1 International students must confirm enrollment requirements based on their visa type, and must complete their immigration document check in with the ISSS office after arrival in the U.S. For questions about enrollment requirements based on your student immigration status, please visit international.unt.edu/immigration.

I look forward to having you as a graduate student at UNT, as you join the excitement of discovering real solutions, creating new opportunities and making a difference in the world. At UNT, we expect you to pursue academic excellence in a rigorous, yet caring environment. The Graduate Student Support Services, including the Graduate Student Success Manual, are designed to provide a wealth of information to facilitate your smooth and successful transition to UNT. Please contact us if you have any questions about making the most of your graduate education.

Sincerely,

Michael Sanders

LETTER OF RECOMMENDATION

I am writing this recommendation letter to you in support of Ms. **THANMAI CHOWDARY VADLAMUDI** on her desire to be a part of your university and to seek admission for higher studies at your university. I know her for past four years as an undergraduate student and found her to be an aspiring and sincere student. I was able to determine her initiate abilities to understand the basic concept and apply them to tackle the problems associated with it.

Relationship with this particular student became strong when I handled subjects like "**ADVANCED DATA STRUCTURES**" and "**DATABASE MANAGEMENT SYSTEM**". She has performed exceptionally well in the academics and in the lab as well scoring excellent grades in theory and laboratory.

Ms. THANMAI CHOWDARY VADLAMUDI is quite ambitious and career driven. She works hard to achieve her goals and is committed to her work. Her ability to organize her time efficiently and her meticulous preparation will be an asset to her research team. Her self confidence and optimistic approach to solve even the most difficult problems are worth mentioning, her systematic and focused approach has always ended in her good academic performance. Her ability to visualize and link together the fundamental of each subject marks her as an ideal student for research. She has brilliant leadership skills and competent of extracting the best out of her team.

With a good sense of foresight she has always been a foot forward to all her fellow students in all aspects of circular activities. I feel she is one of the best students and recommend her candidature for admission which gives her an opportunity to prove at your university. It is my earnest hope that you accept her application to your university with financial assistance.

LETTER OF RECOMMENDATION

I am highly pleased to recommend **Mr. MURALI TAMMISETTY** for a Master's in your esteemed university. For the past few years, he has been my student incapacity of his academic guide and mentor. I have taught him "**JAVA PROGRAMMING**". He always has a positive attitude towards studies. As per my observation, he is attentive, intellectual, and intelligent.

I found him a good listener, hardworking and active partner in class discussions. During three years of acquaintance with him, the remarkable quality that impressed me was his analytical thinking. He quickly understands the basic principles and concepts from his academic subjects and tries to implement them at the earliest. He has shown great interest by venturing beyond the scope of the matter. His inquisitive mind, analytical skills, and good interpretation skills will significantly facilitate research work at your university.

Apart from his studies, he is good at organizing activities and events. His excellent interpersonal skills make him quickly get along with classmates and teachers. He is emotionally mature and stable. He has excellent proficiency in English, which makes him express his ideas and thoughts clearly.

Judging from the above aspects, I can confidently state that **Mr. MURALI TAMMISETTY** possesses the necessary qualities of passion, dedication, determination, and intellect to meet the graduate program requirements at your esteemed university. I highly recommend him for the Master's program at your reputed institution. I am optimistic that he can complete the course. I would be happy to provide you with any further information you require about him.

LETTER OF RECOMMENDATION

The first impression that one forms of Mr. **Shaik Abdul Baasith** is that, of a person endowed with technical soundness and intelligence to put it to optimum use. He combines intelligence with imagination and this consequently makes him good in all things practical. It would be right to say that the qualities like dedication and hard work are already present in him.

I taught him the course “**Compiler Design**” in 7th semester and have been instructor for laboratory courses like “**Computer Networks**”. As his professor, I can indubitably say that he has been among the finest under my tutelage. His diligence combined with his intelligence has contributed towards his good performance throughout his academic years in college. Looking at his personality in a holistic way, I would rate him in the top 20% students of his class.

During my frequent interaction with him, I have noticed that he is resourceful individual and works well with little supervision. He also has the rare quality of time management and strikes the right balance between his academic and personal commitments. He is enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. He is willing to go ahead and get a comprehensive picture of things, rather than acquiring a surface understanding.

Considering his potential, talent and eagerness to learn, I feel Mr. Baasith is a candidate to pursue higher studies. In addition, I see in him a natural propensity towards Research studies and to work efficiently in such environment. So, I strongly recommend him for graduate studies in your university with full financial assistance

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for **Mr. Gopi Kiran Kommineni** with whom I foster a close interaction for the past 2 years. He is one of the brightest and enthusiastic students I ever taught. Gopi took my subjects, “Computer Networks” and “Software Testing Methodologies”, in his junior and senior years. From the tenure of my observation and interaction, I can say that Mr. Gopi Kiran is the most ambitious and industrious person in my class.

I appreciate the contribution he made to my class in making it a more interactive discussion rather than a conventional classroom teaching. He used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped him in some of his projects and was amused by the way he researched for accomplishing his projects. Apart from academics his dedicated work for creation of “Personality Development Club” which helped in developing interpersonal skills and also in getting rid of fear of public speaking is commendable. If it is not for him and his team many of our students wouldn’t have benefitted from that club it was so successful that other departments of our college also started such kind of clubs for helping students.

His prospects as a researcher are strongly complemented by experimental skills in the laboratory. His grasp over the language, as well as his writing abilities, shall stand him in good stead in subsequent research and teaching assignments. His curiosity and his stand to put things to perfection shall surely be an advantage. His role in various events organized by our department is appreciable. Furthermore, he has compliant manners and a good character.

He is a student of high moral and ethical standards. I am sure he will put forth all his effort into any task that he confronts. By furnishing him with a graduate program in your University you will not only give him an opening for career headway but also help him reach the supreme level of accomplishment. With full confidence in his abilities, I strongly recommend **Mr. Gopi Kiran Kommineni** for his studies in your esteemed University, with suitable financial aid. I convey my best wishes to Mr. Gopi Kiran in his endeavour to acquire knowledge through higher studies.

LETTER OF RECOMMENDATION

I am contented to endorse this letter of recommendation in favor of **Mr. VAMSI KOMMINENI** who is keen to pursue higher studies at your institution. I know him for the past four years as an undergraduate student, where I had taught him the courses in the field like **COMPILER DESIGN** in 7th semester and have been instructor for laboratory courses like "**COMPUTER NETWORKS**" in 6th semester.

Aesthetic programming skills, perseverance and tenacity to complete the work assigned in him. His keen insight into the learning process and innovative thinking made him participate in various technical symposiums conducted in the college. He is an intelligent, hardworking student with excellent creative and observation skills. He can carryout practical work independently and also extended good cooperation in teamwork. He has also worked under my supervision in organizing lab and Department works.

High grasping power and ability to reason logically seem to come naturally to him. His manners are quite pleasing and he has a natural drive to come up with solutions for problems since he has a sound knowledge of the concepts taught in class. He is enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. He is willing to go ahead and get a comprehensive picture of things, rather than acquiring a surface understanding.

On associating with him, I have found him to be attentive and enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. His ability to convince people has always impressed me. Good communication and organizational skills help him to be at the forefront of organizing seminars. Undoubtedly, he will be a source of inspiration for others.

Considering his academic excellence and effective communication skills, I rank him among the top 10% of the students of his class. I recommend him in the strongest terms for admission to the Graduate Program at your University preferably with financial aid.

LETTER OF RECOMMENDATION

I am writing this recommendation letter to you in support of **Ms. DEVIKA KANURI** on her desire to be a part of your university and to seek admission for higher studies at your university. I know her for past four years as an undergraduate student and found her to be an aspiring and sincere student. I was able to determine her initiate abilities to understand the basic concept and apply them to tackle the problems associated with it.

Relationship with this particular student became strong when I handled subjects like "**ADVANCED DATA STRUCTURES**" and "**DATABASE MANAGEMENT SYSTEM**". She has performed exceptionally well in the academics and in the lab as well scoring excellent grades in theory and laboratory.

Ms. DEVIKA KANURI is quite ambitious and career driven. She works hard to achieve her goals and is committed to her work. Her ability to organize her time efficiently and her meticulous preparation will be an asset to her research team. Her self confidence and optimistic approach to solve even the most difficult problems are worth mentioning, her systematic and focused approach has always ended in her good academic performance. Her ability to visualize and link together the fundamental of each subject marks her as an ideal student for research. She has brilliant leadership skills and competent of extracting the best out of her team.

With a good sense of foresight she has always been a foot forward to all her fellow students in all aspects of circular activities. I feel she is one of the best students and recommend her candidature for admission which gives her an opportunity to prove at your university. It is my earnest hope that you accept her application to your university with financial assistance.

LETTER OF RECOMMENDATION

I am delighted to recommend **HARSHA K**, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of **DVR and Dr. HS MIC College of Technology**, I have known him for four years of him under-graduation at our college. My appraisal of him application for graduation studies is based on my acquaintance with him.

I tutored his on the subject "**SOFTWARE ENGINEERING**" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr. HARSHA K has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, **HARSHA K** is a well-mannered and polite individual. He gets along well with almost any body and has god relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

D. Prasad

IBRAHIMPATNAM, ZZ India 52145-6

Dear Mr. Anna,

Congratulations! You have been accepted to Florida Atlantic University for a Master's Degree program in Civil Engineering in the College of Engineering and Computer Science for Fall 2023. On behalf of the faculty and staff, I want you to know how pleased we are that you have chosen to become part of the FAU community.

Your acceptance is valid for the above referenced semester only. Before registering for classes be sure to register for the New Graduate Student Orientation held the week before classes begin at <http://fau.edu/graduate>.

Note: If all official transcripts are not on file, a hold will be placed on your account. If your holds are not resolved by the end of the first semester, you will be prevented from registering for the upcoming semester (see attached for potential holds).

I encourage you to take advantage of all the opportunities this premier public institution has to offer. Campus and community events provide opportunities for both recreational and cultural activities, ranging from concerts and art exhibits to festivals and athletic events.

On behalf of the entire FAU community, I extend you a warm welcome and look forward to having you join our vibrant graduate community! Once again, congratulations on your academic accomplishments thus far and I wish you success in achieving your educational goals.

If you need any further assistance, you may contact the Graduate College at (561) 297-3624 or graduatecollege@fau.edu and we will be happy to help you.

Sincerely,

Robert W. Stackman Jr., Ph.D.
Dean of Graduate College

Admissions To-Do List

DATE: 4/6/2023

ENTRY TERM: Fall 2023

NAME: Sai Babu Anna

STUDENT ID: Z23741767

RESIDENCY CLASSIFICATION FOR TUITION PURPOSES

Your residency status for tuition purposes is:

- Out-of-state resident for tuition purposes.** All graduate students default to non-Florida Resident. Supporting documentation is required to prove Florida Residency for Tuition Purposes. Students who wish to claim Florida residency must complete the online Residency Declaration Form and submit all required documents at owlres.fau.edu. Florida Statute Section 1009.21 defines the requirements. For more information, please visit: fau.edu/graduate/applyonline/residency.
- In-state student for tuition purposes (no action required).

OUTSTANDING TRANSCRIPTS

Please submit official and final transcript(s) from:

- Devineni Venkata Ramana and Dr. Hima Sekhar MIC College of Technology

Please Note: The University must receive all official and final transcript(s) and/or foreign credential evaluation(s) from all institutions previously attended. If these documents are not on file, a hold will be placed on your account. Transcript holds that are not resolved by the end of your first semester will prevent registration in a future term.

OUTSTANDING REGISTRATION HOLDS

Registration holds must be cleared BEFORE you can register for courses. Login to review registration holds by at: myfau.fau.edu -> FAU Self Service -> Student Services -> Student Records -> View Holds.

Graduate Admissions

January 25, 2023

Mr. Gopi Jayanth Karla
15-64, Near Society
Vijayawada, Andhra Pradesh 521190
India

Dear Gopi Jayanth:

Congratulations on your acceptance into the Master of Science program in Software Engineering for the Fall 2023 semester at Stevens Institute of Technology. Your admission introduces you to a community of scholars, researchers and professionals who continually strive to create new knowledge and improve the world in which we live. Our decision reflects our belief that you will make significant contributions to that community, and carry forth the tradition of excellence Stevens is known for the world over.

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of \$10000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

The School of Systems and Enterprises at Stevens is a leading institution in systems innovation, education and research. We offer academic programs that provide a world-class, practice-based and research-supported education emphasizing on leadership in systems science and engineering. Because our programs are so relevant to today's market, they offer a unique advantage, providing an education that translates immediately into expertise that students can take to the workplace.

To confirm or decline this offer of admission, please see details under the "Next Steps" section below. Our admissions office as well as your advisors will be in touch with you shortly to ensure you have everything you need to enroll at Stevens for the upcoming semester. Until then, please share this happy news with those who have supported your journey so far.

At Stevens, we are confident that you will have an outstanding educational experience and will build a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world. All of our academic programs provide rich opportunities for leadership and for personal growth.

I look forward to welcoming you on campus.
Sincerely,

Dr. Anthony Barrese
Interim Dean of the School of Systems & Enterprises
Stevens Institute of Technology

UNCONDITIONAL OFFER

Dear Mr Pallaprolu

Congratulations on successfully meeting the entry requirements for MSc International Management (Applied).

The following information will be used on your CAS. It is your responsibility to carefully check and confirm that all these details are correct:

Full Name	Saiteja Pallaprolu
Date of Birth	21 September 2000
Nationality	India
Applicant Number	19645276
Student ID	W9645276
Passport Number	V0994137
Applicant Category	Adult (General) Student
Sponsor Licence Number	T2C9AE204
Agent	AG-NEXUS ED SER
CAH Code(s) for ATAS	CAH17-01-02
ATAS	Not Required
Course Start Date	18 September 2023 You should arrive in time for Induction Week on 18 September 2023. Further information will be provided nearer the time.
Course End Date	16 May 2025
Hours per Week	30
Academic School	Teesside University International Business School
Delivery Location	Teesside University Middlesbrough Campus
Course Details	tees.ac.uk/pg tees.ac.uk/terms2023-24
Terms and Conditions	This offer and enrolment on to your course is subject to the University's terms and conditions. Please read these carefully.
Tuition Fee (for first year of study)	£9000
Tuition Fee Payable	£9000
Deposit/Payments Received	You have already paid £5020.00 deposit, Receipt Number M152/84200.
Tuition Fee Remaining to Pay	£3980

Please email international.admissions@tees.ac.uk if any of these details are wrong.

Information on fees, charges and payments can be found here: tees.ac.uk/international/payment.

In receiving confirmation of this offer, you have met the following academic entry requirements:

Level/Type of Qualification	Qualification Awarding Body and/or Institution
Bachelor of Technology in Civil Engineering	Jawaharlal Nehru Technological University
Indian XII English 71.5%	Board of Intermediate Education
Listening 65, Speaking 65	Teesside University English Language Test

What happens next?

1. You are advised not to make any firm commitments (or resign from your current employment) until you have completed the following steps and have received your CAS and visa.
2. In preparation for the CAS process, you will need to obtain financial evidence showing you have enough money to support yourself in the UK. Please ensure this evidence meets the requirements detailed here: <https://www.tees.ac.uk/sections/international/outside.cfm>. You will need to login to <https://e-vision.tees.ac.uk> and upload a copy of your financial evidence before a CAS can be issued.
3. Please check all the details above are correct then login to the applicant portal at: <https://e-vision.tees.ac.uk>. Some new items may have now appeared for you to action. Please make sure you have completed all the requirements now listed on your applicant portal.

Important Information About Your Offer

This offer provides no guarantee that a CAS will be assigned to you. The University has a limited number of CAS that it can issue and due to UKVI rules that govern its status as a student sponsor, the University will only assign a CAS where it is believed that a subsequent visa application will be successful. Therefore, notwithstanding your offer, the University reserves the right to refuse to assign a CAS if there is no more availability or if there are reasonable grounds for suspecting your subsequent visa application will be unsuccessful.

As you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you are required to upload this evidence via the applicant portal <https://e-vision.tees.ac.uk> before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you

Gannon University Student ID# 3192192

Dear Likhitha,

On behalf of the Gannon community, please accept my congratulations on your acceptance into the MS in Computer and Information Science with a major in Data Science program for the Fall 2023 semester at Gannon University. The semester begins on August 23, 2023. Our commitment to you includes an award of \$1,500 toward your tuition fees, per semester when registered for full time enrollment. Awards cannot be applied to English language training. If awarded an athletic award, a student may select either an academic or athletic award.

As part of your acceptance, you are required to take the following foundation course(s): GCIS506, GCIS507, GCIS508, GCIS580, within the first year, earning a B or better. You are required to present the following official documents, prior to your arrival or upon arrival, failure to do so may result in your inability to register for classes - Official college or university transcript(s) - Official university certificate of completion

Should you decided to attend another university after the visa is approved, you must reapply for the visa through the new school before departing to the USA, in accordance with federal regulation 8 CFR 214.2(f)(1)(i)(C). For additional information, please refer to page 3 of your Form I-20. Please contact our Admissions Office at global@gannon.edu if you have any questions or concerns.

Questions relating to your program, requirements, and the scheduling of classes can be directed to:
Dr. Joshua Chibuike Nwokeji
814-871-7185
nwokeji001@gannon.edu

Your SEVIS Form I-20 or DS-2019 is enclosed. Please take this form and financial documents with you to your appointment at the U.S. Consulate. This form is needed to secure your F-1 or J-1 visa. *Do not misplace this document.* You will also need to show this form along with your F-1 or J-1 visa and financial documents to the United States Citizenship and Immigration Services (USCIS) at the port of entry when entering the United States.

We look forward to your inclusion in the Gannon community!
Sincerely,

Dr. George T. Sipos
Executive Director of Global Enrollment & Engagement
Gannon University

P.S. The accompanying Addendum includes important information regarding your transition to Gannon. Please be sure to read it thoroughly; do not hesitate to ask any questions as needed.

Dear Ms. Vadlamudi,

Congratulations! On behalf of the faculty of the Seidenberg School of Computer Science and Information Systems, I am pleased to inform you that you have been accepted to the MS in Computer Science program for the Fall 2023 semester.

At Pace University, we are particularly proud of the emphasis our faculty places on teaching excellence, our small class sizes, and the extensive support services available for our students. We are confident that you will find your Pace experience rewarding.

Newly admitted students are required to submit a deposit of \$200 in order to reserve a place in the class. Submit your non-refundable deposit online by August 1, 2023 for the Fall 2023 semester. This deposit will be applied toward your Fall 2023 tuition. To ensure a seamless onboarding, we also encourage you to review your Next Steps tab for additional instructions as you prepare to join the Pace community.

Please check your Application Dashboard page to confirm that Pace University has received all required official credentials. You will not be permitted to register beyond your initial semester of enrollment unless we receive the missing documents.

Students are required to meet with their academic advisor to learn about degree requirements, prerequisites, and choose a schedule. If you are not sure who your advisor is, please check the advising website or email whoismyadvisor@pace.edu.

On behalf of the Admission Committee, I extend our best wishes for success and look forward to welcoming you to Pace University and the Seidenberg School of Computer Science and Information Systems.

Sincerely,

Susan F. Ford

Dear Ms. Vadlamudi,

Congratulations on your acceptance to Pace University. In recognition of your distinguished academic record, it gives me great pleasure to inform you that the Graduate Admission Committee has selected you to receive a Graduate Merit Scholarship. I commend your achievements and wish you success in your future endeavors as you begin your graduate studies at Pace University in the Fall 2023 semester.

The amount and conditions of your annual scholarship are outlined in the enclosed Pace University Graduate Merit Scholarship Award Agreement. To accept your award, please sign and return the agreement to the Office of Financial Aid within two weeks of the receipt of this letter. Please note that the form **must be signed in ink** (electronic signatures will not be accepted). This may be submitted securely via our electronic Document Submission Form (using your MyPace Portal credentials) or as an email attachment to financialaid@pace.edu.

For information about additional financial aid programs which could be helpful in meeting your graduate educational expenses, please contact the Office of Financial Aid at (877) 672-1830.

Again, congratulations and best wishes for your continued success.

Sincerely,

Susan F. Ford

STUDENT GRADUATE SCHOLARSHIP AGREEMENT

Date: May 5, 2023

Student's Name: Ms. Anudeepthi Vadlamudi
Program: MS in Computer Science
Student's ID#: U01935102

Entry Term: Fall 2023
Campus: New York City
Full/Part Time: Full Time

Annual Scholarship Award: \$4600

Please check one:

Yes, I accept the Pace University International Graduate Student Scholarship Award. I understand that this award is available to me only if I begin enrollment at Pace University in the **Fall 2023** semester. In accepting this University Scholarship, I agree to the following terms:

- To receive this scholarship award, I must enroll in and satisfactorily complete a minimum of 9 credits in the semester **Fall 2023** and in every consecutive Fall and Spring semester. This scholarship is not available for enrollment in summer sessions.
- Scholarship renewal is contingent upon my maintaining academic progress and a **(3.30)** cumulative quality point average. (Academic progress and cumulative QPA are reviewed at the close of each Spring semester to determine eligibility for the following academic year.)
- I understand that as a Pace University student I am bound by the policies and procedures as detailed in current university bulletins, catalogs, class schedules and other publications and as they may be subsequently amended.
- Scholarship renewal is contingent upon compliance with all visa and immigration requirements.
- If I should become ineligible for this scholarship due to my failure to adhere to the academic or enrollment terms outlined above, this award is terminated and will not be reinstated.
- I understand that I cannot accept this award if I accept a Pace University assistantship or if I am attending my Pace University program under the provisions of a cohort group agreement.
- Staff members and staff dependents that are receiving the full-tuition, Staff (remission) Scholarship award are not eligible to receive any other Pace Aid (Merit Scholarships, Pace Grants, Resident Scholars Awards, etc.) in the semester the remission is awarded. This includes all degree levels - Undergraduate, Graduate, Law and Doctoral. If you are no longer eligible or decline the Remission award, your previously awarded Pace Aid many be reinstated as long as you meet all the requirements for each award. If you are the recipient of a partial Staff (remission) award, the total amount of the remission along with any other Pace Aid cannot exceed your tuition charges.
- I understand that this scholarship is applicable to tuition at Pace University only. The total amount of this award plus any amounts received from Pace or outside organizations may not exceed my actual tuition charges. The total amount of this scholarship plus other financial aid may not exceed my cost of attendance.

NO, I do not accept this Scholarship Award for the following reason(s):

Signature _____ Date _____

This Graduate Scholarship Award offer is valid for Fall 2023 entry only. Please return this award agreement to the office of Financial Aid at Pace University via our electronic Document Submission Form (using your MyPace Portal credentials) or as an attachment to financialaid@pace.edu. You should retain a copy of this agreement for your records.

Dear Nallani:

App ID: 863343

I am pleased to inform you that you have been granted admission to the Graduate School and the College of Engineering and Computer Science in the Computer Science M.S. program with provisional standing for the Spring 2023 Semester. Classes will begin Monday, January 9, 2023. Mandatory New Student Orientation will be held virtually and in person; orientation information will be sent to your Wright State University email. Please monitor your WSU email closely for more information on your next steps.

Your Wright State University student credentials are displayed in the Next Steps section on the Home page of your application.

Provisional status is granted for one semester only. Therefore, you must submit the following before you will be permitted to register beyond the first semester:

- Original transcripts/mark sheets – Jawaharlal Nehru Technological University
- Official proof of degree – Jawaharlal Nehru Technological University

You have been awarded a tuition scholarship of **\$10,000** overall; i.e. **\$2,500** per semester for four semesters, considering just Fall and Spring terms only. You must register for minimum of 6 credit hours every semester and must remain in good standing, i.e., maintain a cumulative GPA of 3.0 each semester, to continue to receive the scholarship in successive semesters.

Congratulations on your admission, and we wish you the best in your academic studies at Wright State University!

Sincerely,

Giancarlo Mariani
Associate Director of International Enrollment Management
University Center for International Education

Dear Venkatesh VENNABOYINA

Ref Number: 20230845

We have provided information on your intended study to the UKVI database and a CAS number has been generated; this confirms that you now have an unconditional offer for your course. You will need to quote your CAS number when making your visa application. There is no requirement to include this statement in the documents used to support your visa application. Please note, if you intend to make further payment after you have received your CAS, do not use it until you have received notification that the CAS has been updated. When applying for your visa, you will need to quote your unique CAS number and our Sponsor License Number.

Important:

Please read and carefully check the details on the CAS statement below against the details in your offer email:

- It is your responsibility to check and ensure that this CAS is correct and accurate as soon as you receive it.
- If there are any errors or omissions, you should immediately notify the University by emailing international@herts.ac.uk.
- The University cannot accept responsibility for any errors or omissions in the CAS if it has not been given sufficient opportunity to correct them before you submit your visa application.
- Please ensure that you pay particular attention to your personal details (as these must match the personal details in your current passport), your fees, and your course details, including the end date.

Please be aware that, if there are any errors which mean that you need to make a further visa application (including circumstances where you have to return home to apply), you will need to do this at your own expense.

Details of CAS – Confirmation of Acceptance for Studies

Student ID: 800770735

Venkateswarlu Veginati
4 26 Balija Bajar Ammani Gudi Padu
Prakasam, 523330
India

Dear Venkateswarlu:

Congratulations on your admission as a classified graduate student to Southern Illinois University Edwardsville! You should be extremely proud of your academic accomplishments, and I am pleased to welcome you to the SIUE community for Spring 2023.

Now that you are admitted to SIUE, I want to help ensure you have a successful transition. Enclosed is your Departmental Decision Form, which may include any conditions pertinent to your admission. Please contact your graduate program director/advisor as soon as possible to discuss and finalize your enrollment. If you are currently attending an institution other than SIUE, your official degree-bearing transcript should be sent directly from the degree-granting institution electronically to sieuapps@siue.edu or by mail:

SIUE Office of Graduate Admissions
Campus Box
Edwardsville, IL 62026-1047

Your transcript must clearly state the degree you were awarded. A hold may be placed on your account and prevent you from registering for the next term if we are unable to verify receipt of your bachelor's degree.

You can now activate your student ID and e-ID, which provides you with access to many services at SIUE. Use the enclosed instruction sheet to activate your e-ID.

I encourage you to visit Blackboard (bb.siue.edu) and browse through the Graduate Students tab of **SIUE 101** for tools to help you succeed in completing your degree. You will find information about parking, registration, childcare, graduate assistantship opportunities, the online graduate catalog and more.

Congratulations again on your admission to graduate school. Remember to check your SIUE email regularly, as all correspondence will be sent there. If you have questions, please feel free to call the Graduate School at 618-650-3010 or visit us in Rendleman Hall, Room 2202. You can also connect with us on Twitter and LinkedIn. I hope you are as excited as we are to have you join the SIUE community.

Sincerely,

Jerry B. Weinberg
Dean, Graduate School

Andhra Pradesh, 521230
Gollapudi
IN

Dear Geethika Mahankali,

Congratulations! We are pleased to inform you that your application for admission to the College of Graduate Studies of Youngstown State University has been approved. Your legal resident status for tuition purposes is non-resident.

You have been accepted for the Spring 2023 term in the Master of Computing and Information Systems Program. Your admission is provisional to a course of study in graduate school at Youngstown State University to complete CSE 5722, Development of Databases or change from non-resident status. Please be advised that a provisionally admitted graduate student must maintain a minimum grade point average of 3.00 on a 4.00 scale. A provisionally admitted student whose GPA falls below a 3.00 will immediately be dismissed. An advisor will be assigned upon your arrival.

***Your admission is based on the evaluation of unofficial transcripts. Official transcripts are required to continue enrollment at Youngstown State University beyond your first semester.*

***International students who apply for admission to the College of Graduate Studies prior to the completion of all bachelor's degree coursework and the meeting of the bachelor's degree need to have a final evaluation completed. Please have your final official transcript sent to the university as soon as all grades are posted. Proof of degree (notation on transcript, provisional certificate, or degree/diploma) is required for admission to the College of Graduate Studies.*

If final official transcripts from all institutions attended and proof of degree are not received by the end of your first enrolled semester, further registration will not be permitted.

Please have your official documents sent as soon as possible to the College of Graduate Studies. Transcripts can be mailed to:

Youngstown State University
College of Graduate Studies
1 University Plaza
Youngstown, OH 44555

The International Programs Office will be contacting you regarding your Form I-20 (Certificate of Eligibility) and any additional documents that we may need. You will need the I-20 in order to request a visa from the United States Consulate, and to pass through Immigration when entering the United States. You are required to physically report to the International Programs Office (IPO) to complete initial registration of the I-20. The IPO will contact you with orientation dates.

The Student and Exchange Visitor Information System (SEVIS) I-901 fee is required of all foreign nationals who come to the United States for the purpose of pursuing a full course of study in institutions such as colleges, universities, and language training programs. For more information on this fee, consult the following website: <https://www.ice.dhs.gov/immigration/>. For the best health care plan, it is important to bring any record or history of health care or immunizations for disease that you have had. Because of the high cost of health care in the United States, health insurance is required and may be purchased on campus.

We are looking forward to your arrival at Youngstown State University.

Salvatore A. Sanders
Dean, College of Graduate Studies

GRADUATE PROGRAMS OFFICE
G. Brint Ryan College of Business

September 21, 2022

Student ID: 11646726

Dear Sai Meghana,

Congratulations! The G. Brint Ryan College of Business, Graduate Programs Office (GPO), is pleased to inform you of your admission to the **MS in Information Systems and Technologies** at the University of North Texas for Spring 2023. You should receive a formal acceptance notice from the Toulouse Graduate School in a few days. Information is also available online at my.unt.edu. The attached documents and information below are intended to help you as you begin your degree program. Please review the materials carefully and respond as requested.

Degree Plan & Advising: Your OFFICIAL degree plan should be filed during your first semester. After reviewing all the attached materials, please contact the Graduate Programs Office for assistance with first term course selection. You can book an advising appointment using the link in your admissions email or call 940-369-8977.

Orientation: We strongly recommend students attend the G. Brint Ryan College of Business Graduate Programs Office Orientation for new students. A 1-hour live webinar via Zoom will provide you with essential information regarding all university resources and policies and procedure of the College of Business Master's Program. Please click on the link in your admission email to register for the webinar.

Scholarships: Departmental scholarships are available for new students. They can be found at our scholarship website, cob.unt.edu/scholarships.

On campus employment: Students looking for on campus jobs, assistantships, and internships can be found on handshake: <https://unt.joinhandshake.com/login>

Welcome to the UNT family. Please contact our office if you have any questions,
RCoBMasters@unt.edu, 940-369-8977.

Sincerely,

Dr. Audhesh Paswan

Student ID: 1177679

Dear Vinith Kumar,

Congratulations on your admission to the University of Bridgeport's Computer Science (M.S.) program for the Fall 2023 semester! We applaud your commitment to your professional development and wish you success in reaching your educational and career goals.

To begin the I-20 process, please visit your application portal at bridgeport.edu/nextsteps and make sure you have uploaded the following documents needed to process your I-20:

1. Official Bank Statement, dated within the last 6 months
2. Passport Biographical Page
3. Affidavit of Financial Support - This can be completed online at bridgeport.edu/affidavit

All new students must report to campus on **August 30, 2023**. Classes for the Fall Session begin **September 5, 2023**. Please plan your travel accordingly to ensure your attendance.

Please note the following information:

- You must submit the following documents on or before your arrival date to campus:
 - * Official test scores required to secure your admission
 - * All final official transcripts/mark sheets and degree certificates from previous institutions attended
- Health Insurance enrollment through the University is automatic and mandatory.
- Tuition and fees are subject to change.

On behalf of the entire University of Bridgeport community, congratulations on this exciting accomplishment. We hope you choose to join us for the Fall 2023 semester. It is clear from your application you are excited for this challenge, strive for excellence and want to make a difference in the world.

Sincerely,

Allison Garrison, Ed.D.
Dean of Admissions

SEATTLEU

May 17, 2022

Dheeraja Malineni
Seattle University ID 4182062

Dear Dheeraja,

Congratulations on your admission to Seattle University! After reviewing your credentials and accomplishments, the program faculty believes you would make a valuable contribution to the Seattle University community. Therefore, I am pleased to offer you acceptance for Fall 2022 Quarter to pursue a Computer Science - MSCS.

Your admission is conditional for an official transcript and degree certificate from Jawaharlal Nehru Technological University within your first quarter of enrollment as well as a completed International Student Declaration of Finances form including Bank Verification.

You can access the post-acceptance checklist to help guide your next steps. Included will be information on available services. Please also respond to the offer of admission, as it is an essential step in activating your ability to register. Take a few minutes to establish your required Seattle University login credentials. Do not hesitate to contact Graduate Admissions with any questions or concerns at (206) 220-8010 or grad-admissions@seattleu.edu.

Welcome to Seattle University!

Sincerely,

Janet Shandley

Dear Leela Satya Swetha:

It gives me great pleasure to inform you that you have been accepted into the following program:

Intended Program: Computer Science (MS)

Intended Term of Entry: Fall 2023

Your application was evaluated based on unofficial academic transcripts and test scores. You will be required to submit official copies of these items by the twelfth (12th) class day of the term to which you are admitted, and you will receive a separate communication which contains more information about what to submit and how it should be submitted.

Please review the Graduate Catalog to familiarize yourself with Graduate School regulations and requirements. Information for newly admitted students is available on our website at <http://go.grad.ttu.edu/newstudents>. Pre-arrival information for new incoming international students will be available online at <http://go.grad.ttu.edu/prearrival>.

Access to graduate education is reserved for students who have demonstrated uncommon scholastic ability at the undergraduate level. Moreover, we believe that these students show great promise for further academic achievement. Accordingly, your admission to the Graduate School is a pivotal event in your professional development, and we welcome you to our community of scholars. Please accept our congratulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark A. Sheridan".

Dear Likitha Ratna,

Congratulations! We are pleased to admit you to the M.S. degree program in Computer Science at the University of Central Missouri for the fall 2023 semester. You have been granted regular admission which means you have satisfied the University of Central Missouri's minimum English proficiency requirement. This program will be located at the Missouri Innovation Campus: KAN214F00100001.

Classes begin on August 14, 2023. **A mandatory orientation will be held beginning on August 7, 2023 that you must attend in order to enroll.** You will receive additional emails about orientation, arrival expectations, and other useful information to help you as you plan for your arrival to UCM.

Reminder – Prior to the start of the semester, all final official transcripts (evaluations) that meet GPA requirements, from all college/post-secondary institutions attended must be submitted. Additional testing may be required upon arrival.

Please include your student ID number in all future contact with this office. If you have any questions after reading through the material, please contact us at issss@ucmo.edu or by phone at (660) 543-4092. We wish you well as you begin your journey to the University of Central Missouri.

Best Regards,

Jeffrey Couch

Dear Nikhitha Maganti:

Congratulations! On behalf of the Admissions Committee at Missouri University of Science and Technology, it is my pleasure to offer you admission to the Masters Information Science and Technology MS program for Fall 2023 (August-December) semester.

You have been admitted - the next step is now yours! To respond to this offer of admission, please complete the [Admission Reply Form](#)

At Missouri S&T, we build upon our heritage of discovery, creativity, and innovation to equip and inspire students to solve the world's challenges. Our graduates are known for having changed the world for the better in multiple ways and we look forward to helping you make your mark. Our faculty and staff are eager to assist you as you make this exciting transition. You are encouraged to contact your graduate department at your earliest convenience to discuss your degree requirements and course selection for the upcoming semester. Please note that any admissions conditions and/or possible bridge course requirements will be made in consultation with your advisor. For registration dates, please check the website at [registrar.mst.edu](#).

In order to accept this offer, you are required to make an enrollment deposit of \$300. You can make this payment by returning to your [status page](#). The payment link is located on your checklist. The enrollment deposit is an advanced tuition deposit that will be credited to your first tuition bill and is non-refundable. Payment of your enrollment deposit indicates that you are accepting the admission offer, and that you wish for us to proceed with next steps, including review of your documents for I-20/DS-2019 issuance, housing application, registration, and transportation accommodations.

Congratulations once again on your admission. The S&T experience prepares you for a fulfilling life defined by the confidence to succeed, a desire to excel, and a love of learning that never stops. I look forward to welcoming you to our campus to begin this journey.

Sincerely,

David Spivey
Vice Provost for Enrollment Management

Notice of admission for the Master's program Renewable Energy Systems (M.Eng.) in 1.FS for Wintersemester 2023

Hello Pujari Gopal Kuruba,

You have submitted a request to be admitted to study at Nordhausen University of Applied Sciences in winter semester 2023. I am pleased to inform you that you have been accepted to study the master's degree course in Renewable Energy Systems.

Your application was considered in the admission procedure for winter semester 2023/2024, and you have been accepted to study at Nordhausen University of Applied Sciences in winter semester 2023/2024 . The admission is in accordance with the fourth amendment of the Study and Examination Regulations (Studien- und Prüfungsordnung) for the master's degree courses in the Department of Engineering at Nordhausen University of Applied Sciences from 24 October 2022, published in Official Bulletin no. 18/2022 of Nordhausen University of Applied Sciences. Admission is subject to the condition that you submit your APS certificate to the Study Service Centre by the day of enrolment/matriculation at Nordhausen University of Applied Sciences.

Please send us your passport number and the application date and application number of the Academic Evaluation Centre (APS) certificate via e-mail to ssz@hs-nordhausen.de.

Useful information on formalities after admission can be found in the checklist at <https://www.hs-nordhausen.de/en/international/come-in/formalities/>.

Information on living and studying in Nordhausen can be found here <https://www.hs-nordhausen.de/en/international/come-in/living-and-studying-in-nordhausen/>.

Please confirm the acceptance of your place at the university in your Application Portal by 15 August at the latest and subsequently use the option of online enrolment. After you have accepted your place in your Application Portal, you will receive further information on student accommodation in Nordhausen and on the start of your studies.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

I-20, Certificate of Eligibility for Nonimmigrant Student Status
OMB NO. 1653-0038

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

STUDENT ATTESTATION

I have read and agreed to comply with the terms and conditions of my admission and those of any extension of stay. I certify that all information provided on this form refers specifically to me and is true and correct to the best of my knowledge. I certify that I seek to enter or remain in the United States temporarily, and solely for the purpose of pursuing a full program of study at the school named above. I also authorize the named school to release any information from my records needed by DHS pursuant to 8 CFR 214.3(g) to determine my nonimmigrant status. Parent or guardian, and student, must sign if student is under 18.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa(unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

University of Leicester student number: 219040329

Dear Mr Surendra Kumar Kapu

Congratulations! We have great pleasure in making you an unconditional offer to study at the University of Leicester. We can't wait to welcome you as a Citizen of Change.

This email contains important information about your offer and what you need to do next. Our Admissions Team are more than happy to answer any questions you might have so feel free to contact us.

Your offer

Course: Advanced Mechanical Engineering with Industry MSc

Method of study: Full Time

Start date: 27 September 2021

Estimated end date: 27 September 2023

CAH3 Code: CAH10-01-02

Full details of the structure of your course can be found [here](#).

Attached to this email you will find the terms and conditions of your offer, please take time to read these carefully.

If you wish to accept this offer and you have a relevant criminal conviction that is unspent, you must declare this to the Admissions Office by emailing declarations@le.ac.uk. Any declaration about a relevant unspent criminal conviction will be handled in accordance with

May 20, 2022

Dear Bhargav Battula,

Congratulations! The Admissions Committee for the Graduate Program in MS in Computer Science & IT - CS Track program has completed its review of your academic credentials. Based on these assessments and the conclusions of the Committee, I am pleased to offer you admission to the Sacred Heart University class entering in the Fall 2022 term.

Your student ID is 0908964. Please keep this for your records.

Your admission status is: **Admit**

Any pre-requisite coursework or conditions of your acceptance, if required, is specified here: **CS500, CS501**

The competition for admission was particularly rigorous this year. We were impressed by your academic achievements and believe strongly in your potential for continued success. A mandatory orientation is scheduled approximately one week prior to the start of your program. Please pay close attention to your email address on file (bhargav.battula321@gmail.com) as you will be receiving several detailed emails explaining the costs of your program, important dates to remember, an explanation of conditions of your acceptance (if any), and detailed next steps to receive your I-20. Briefly, your next steps include:

1. Pay your enrollment deposit (this is required to issue the I-20)
2. Have your I-20 emailed/shipped from Sacred Heart University
3. Schedule and prepare for your visa interview
4. Secure your visa
5. Prepare your health immunization records
6. Register for classes
7. Register for orientation
8. Book travel to Sacred Heart University

Sacred Heart University holds students to the highest level of academic integrity, and conducts regular audits of academic documents (such as transcripts, exam scores, etc.). If any documents are found to have been falsified or altered in any way, your acceptance will be automatically terminated and you may be reported to US immigration officials.

As a graduate student at Sacred Heart University, you will be subject to all academic standards and regulations and to the program guidelines in effect for the semester applicable at the time of this acceptance. Furthermore, as an international student, and in accordance with Immigration and Customs Enforcement (ICE) regulations, you are required to maintain continuous, full-time enrollment. Failure to do so may invalidate your student status here at Sacred Heart University, your legality as a visitor to the United States, and consequently subject you to the appropriate ICE repatriation laws. Please refer to our official Graduate Catalog for the complete policy governing full-time status for international students. Please note, that it is a requirement of Sacred Heart University that all graduate students maintain a minimum cumulative GPA of 3.0.

Finally, please accept my congratulations on your successful application. You are about to embark on an exciting, challenging and rewarding professional educational experience. We look forward to welcoming you to the Sacred Heart University campus community and to our graduate program.

With warm wishes,

A handwritten signature in black ink that reads "Cori Nevers".

Student ID: 1148774

Dear Yeshwanth Babu,

Congratulations on your admission to the University of Bridgeport's Computer Science (M.S.) program for the Fall 2022 semester! We applaud your commitment to your professional development and wish you success in reaching your educational and career goals.

You have been awarded a \$3,000 merit scholarship to be distributed evenly over the course of your first two semesters at the University of Bridgeport. The scholarship award is contingent upon the following conditions:

- You must be enrolled in a full course load.
- Merit scholarships are not available in conjunction with a Graduate Assistantship. If you obtain a Graduate Assistantship in your first two semesters, you will no longer be eligible for this merit award.

To begin the I-20 process, please visit your application portal at bridgeport.edu/nextsteps and make sure you have uploaded the following documents needed to process your I-20:

1. Official Bank Statement, dated within the last 6 months
2. Passport Biographical Page
3. Affidavit of Financial Support - This can be completed online at bridgeport.edu/affidavit

All new students must report to campus on August 31, 2022. Classes for the Fall Session begin September 6, 2022. Please plan your travel accordingly to ensure your attendance.

Please note the following information:

- You must submit the following documents on or before your arrival date to campus:
 - * Official test scores required to secure your admission
 - * All final official transcripts/mark sheets and degree certificates from previous institutions attended
- Health Insurance enrollment through the University is automatic and mandatory.
- Tuition and fees are subject to change.

On behalf of the entire University of Bridgeport community, congratulations on this exciting accomplishment. We hope you choose to join us for the Fall 2022 semester. It is clear from your application you are excited for this challenge, strive for excellence and want to make a difference in the world.

Sincerely,

Allison Garris

Dear Om Venkata Sai Ram Parvataneni:

It is with great enthusiasm that I inform you that you have been granted admission to the University of Wisconsin – Milwaukee as a graduate student! There is no better time to be a part of the UWM graduate student community.

UWM has earned a top-tier research R1 classification from the Carnegie Institutes of Higher Education. UWM is now one of 115 universities in the United States that is classified as having the highest level of research activity. By accepting this admission, you may work alongside the faculty at UWM who are leading the charge in conducting research in many fields that will make an impact on our local and global cultures and economies.

UWM is located within the heart of Milwaukee. We are less than five minutes from the beaches of Lake Michigan and 10 minutes from downtown Milwaukee. There are more than 10 Fortune 500 companies located within the metro-Milwaukee area. UWM has partnerships with many local companies, businesses, schools, non-profit agencies, cultural organizations, and health institutions that will help provide experience in your field.

In addition, the Graduate School makes many efforts to encourage our graduate students to strengthen their career path with professional development activities. We offer “Preparing Future Faculty and Professionals,” a graduate-specific course geared at providing training and insight to our students to help them prepare for their future careers both in and out of academia.

Enclosed is your official Certificate of Admission which lists your program, your Campus ID, your department contact information, and any admission conditions that you would need to satisfy to fully complete your admission. We ask that you please log in to your Panthera application at <http://graduateschool-apply.uwm.edu/> to accept or decline your admission offer to UWM.

We would be delighted to have you become a part of our UWM graduate student community, and we look forward to hearing from you soon.

I'm writing to thank you for your recommendation for Pravallika Saranam's application for graduate studies at Grand Valley State University. By providing your support, you're letting the student, and us, know that you are confident about the value of a graduate education from Grand Valley. We appreciate your help as we deliver programs that open doors, create opportunities, and set students apart in their careers.

As you may know, The Graduate School at Grand Valley State University offers more than 40 in-demand and well-respected masters and doctoral degrees that prepare students to become effective leaders in their fields wherever their careers may take them.

You can be assured your student will get the best graduate education possible. Eleven of our graduate programs are named one of the top in the nation by U.S. News and World Report. Eleven of our programs have 96%-100% pass rates on professional licensure exams. Grand Valley is number one regionally for the number of faculty who are Fulbright Scholars. And we're there to support students' journeys from start to finish and beyond.

Again, thank you for your support of Pravallika's application for graduate studies at Grand Valley. I encourage you to continue to recommend equally strong students in the future. You may refer them to us online at [Be a Laker, Bring a Laker](#). If you have questions about any of our programs, feel free to contact me directly.

Sincerely,

Jeffrey Potteiger

Associate Vice-Provost for the Graduate School

LETTER OF RECOMMENDATION

I am pleased to write this letter in support of Mr. Kola Harshavardhan, who has been one of my students during his Bachelor of Technology degree at the Department of Electrical & Electronics Engineering, DVR & DR.HIMASEKHAR MIC College of Technology. I have known him since November 2017 to date.

During his stay at College, I found him one of the best students I dealt with. I have watched him growing and see his talents and abilities not only in the classroom but outside its walls, when interacting with all types of people, as well. He is diligent, aggressive, and a self-starter. He has a very inquisitive mind and does not wait to be told to investigate or analyze problems; he has the ability to recognize and initiate what needs to be done. Furthermore, he can actively engage in numerous challenging tasks concurrently without compromising the work quality. One of his matchless talents is the ability to grasp technically strenuous material on his own and come up with genuine and striking ideas. Due to his creative mind and inherent hard-working nature, expected to achieve genuine development in any Educational/professional/industrial environment.

I believe that would be an excellent addition to any institution. I hope you will also find his attributes and potential attractive and I hope that you will favourably consider his application in your prestigious institution.

Feel free to contact the undersigned, in case of any query.

with regards

LETTER OF RECOMMENDATION

It gives me immense pleasure in bearing testimony to the excellent character and conduct of Ms. DURGA MALLESWARI MIRIYALA who is interested in pursuing her academic career in your esteemed university. I only recommend students whom I feel are well suited for the program of their choice. She has been under my tutelage for the past two years. Over these years I have taught her "POWER SYSTEMS 2".

Through my observation, I would like to say that she is attentive, articulate and studious. Her ability to visualize and link together the fundamentals of each subject makes her an ideal student. Considering her tenacious, technical ambitions and her ability, I have great confidence that Durga would occupy the apex position in the field of her interest.

She has excellent intellectual and experimental abilities from the beginning. During my interactions with her, she always amazes me with her in depth knowledge and her innate ability to grasp. Her intellectual potential and sheer hard work are worthy of mention. She showed a great deal of interest in widening her knowledge by closely interacting with the faculty and actively involving and participating in various extracurricular activities. Her leadership and organizing capabilities were proved when She was successful in conducting a project in her last semester.

In my view of above that a person of her caliber can excel in the stimulating and challenging environment of graduate research. I am certain with her dedication and motivation Ms. DURGA MALLESWARI MIRIYALA will turn into an outstanding graduate student. Hence I strongly recommend her for the MS program in your esteemed university. I wish her all the best and in case of any further queries feel free to contact me at my mail id mentioned above.

LETTER OF RECOMMENDATION

I have great pleasure in writing this letter of recommendation for Mr. BORRA GOWTHAM, who is keen to pursue higher studies at your institution, I know him for the last four years as a graduate student, where I have taught him ELECTRICAL MEASUREMENTS. During this period of my association with him, I was able to gauge his innate abilities to understand the basic concepts and apply him to tackle the problems associated with it.

He is highly motivated, eager for knowledge and is always on lookout to learn something new. He is attentive student in the class,respective to new ideas and had concepts and his capacity for lucid presentations.He has great zeal for academics. His communication and coordinating skills are excellent.He is also a good participant in extracurricular activites and sports

I rate him among the top 10% of the students in class of 50 students. I feel that this diligence and pragmatic analysis represent his competency towards research. Hence, I strongly recommend him to be considered as the potential candidate for the administration to the postgraduate program in your esteemed university.

I wish him all the success in his pursuits of academic advancements and career.

Notes

Dear pradeep,

Personal

More

We wish to express our sincere gratitude for the time you took to recommend PALTHYA GOPI NAYAK for admission to the University of Nebraska at Omaha (UNO). We know your time is valuable and we appreciate the effort it takes to write and submit a letter of recommendation. Letters of recommendation enable us to practice holistic review of applicants, so the information you provide is valuable for our final decision. Our policies and procedures are designed to ensure that all applications are treated with respect and confidentiality.

LETTER OF RECOMMENDATION

I feel very contented recommending Mr. GOPI NAYAK PALTHYA to your esteemed institution. He had a good rapport with the faculty during his interaction with the department in his undergraduate program. He is extremely diligent and accomplished a consistent academic record. I taught him "ELECTRICAL MEASUREMENTS" courses. I had observed him to be resourceful and good in practical sessions.

His keen interest toward the subject and the punctuality in the submissions shows his determination and dedication towards his career. He is an active listener with tremendous problem solving ability. He is one among those who thinks in all possible directions. Whenever he is skeptical about the topic, he clarifies it at that instant which benefits his peers to. Also, at times I would find him helping his batch members.

Apart from his theoretical knowledge Mr. GOPI NAYAK PALTHYA also exhibited his empirical proficiency through his lab work. Also, he participates frequently in various extracurricular activities such as sports, cultural events, etc. Which represents his all-round development. He is an extrovert person who can easily gel with the people around, a quality with which he can mingle in any team easily.

I strongly recommend him for higher education in your esteemed university with possible aid and I am sure that he will come up to your expectation and fully justify his selection and wish him all the success and bright future.

LETTER OF RECOMMENDATION

I take immense pleasure to issue this letter of Recommendation for my student Mr. **VIVEK MERIPO** who is applying for a Master's Program in your College / University. He is under my guidance during his under-graduation course and I have handled the subject 'Electro Mechanics' to him.

I was his class in charge from third semester to fifth semesters both theoretical and practical and during our period of association, I have found him to be diligent and a skilful student who was always eager to learn new things. We have often indulged in after lecture discussions, and I found that he keeps himself abreast with the developments and updates related to not only his field of study and also current affairs and business. We had also discussed about his aspiration or future studies several times. He was always keen to understand the practical application of the concepts taught to him and how they were used in real world.

I believe that Mr. Vivek Meripo has the conviction to achieve his desired goals and be an invaluable asset to any team that he is a part of. Hence, I strongly recommend his application for the master's Program at your esteemed University / College. I wish him the very best in his future endeavours.

Thanking You,

Yours Sincerely,

Mr. A V Ravi Kumar,
Associate Professor.

Letter of Recommendation

I take great pleasure in recommending **Mr. Panthagani Chakravarthy** for admission into your esteemed institution. I have known **Mr. Panthagani Chakravarthy** from the past three years and have been his instructor for “**CAD/CAM**” and found him to be a sincere, self-reliant and diligent young man with a pleasing demeanour.

Mr. Panthagani Chakravarthy has good subjective knowledge, which is quite evident from his performance index. He has consistently being among the top 10 of his class. During his interactions with me, he showed great insight in subject matters. He had good communication skills and expressed his ideas lucidly and impressively.

Mr. Panthagani Chakravarthy has a great thirst for knowledge. He had a great ability to quickly assimilate and relate it to the previously acquired knowledge. He demonstrates leadership qualities and was an active member of our student counsel. He is quite capable of undertaking research projects and I am sure that he can perform at his best as a member of a team.

Judging from the above aspects, I can confidently state that **Mr. Panthagani Chakravarthy** possesses the required zeal to prepare and has sufficient motivation and commitment. Hence, I strongly recommend his admission to your esteemed university with requisite financial aid.

Sincerely

LETTER OF RECOMMENDATION

I am gratified to recommend Mr. Sai Anvesh Maruboyina for admission into Master's Program in your esteemed university. I was his Mentor and guided him in various fields like **Electronic Devices**. My association with him has given me an ample scope to assay his capabilities very closely, both academically and personally.

Aesthetic programming skills, perseverance and tenacity to complete the work assigned in his. His keen insight into the learning process and innovative thinking made him participate in various technical symposiums conducted in the college. He is an intelligent, hardworking student with excellent creative and observation skills. He can carry out practical work independently and also extended good cooperation in teamwork. He has also worked under my supervision in organizing lab and Department works. He has maintained a consistently high level of academic performances right from High school.

Mr. Sai Anvesh Maruboyina also maintained a very good rapport with his instructors and fellow students. He is very confident, very optimistic and never waits for opportunities rather creates them. Mr. Sai Anvesh Maruboyina, is a very active participant in the class discussions. His presentations of reports and departmental seminars have been very good, indicating impressive communication skills and good command over the English language. I found his highly motivated to do graduate studies and research. He has a rare blend of top writing and interpersonal skills.

I have observed in his ability to rapidly grasp and perceive new concepts. I feel that his diligence and pragmatic analysis represent his competency towards research. Hence, I strongly recommend him to be considered as the potential candidate for admission to the graduate program in your esteemed university with full financial assistance. I wish him all the success in his pursuits of academic advancements and career.

Rajani
Yours sincerely

Dr Rajani Kumari

Dear Dr. G:

Sai Tarun Sunkara has requested that you write a letter of recommendation on behalf of their application to the MS in Computer Science program. In an effort to make this process as easy as possible for you, we offer the ability to complete your recommendation online through our secure website. Please note there is no word limit and we invite you to be as detailed as possible. To submit your recommendation, please use the link below.

This link is unique to this recommendation and should not be shared or forwarded.

[Click here to submit your recommendation.](#)

Thank you for your time and consideration.

Regards,

Office of Graduate Admission

LETTER OF RECOMMENDATION

I am delighted to recommend Mr Sunkara Sai Tarun who desires to pursue masters at your esteemed university. I have a close association with him, being his professor for 'English' and 'Soft Skills'. It gave me an opportunity to observe him, monitor his skills and personality for the past three years.

A learner with a rare ability for logical and innate thinking. Sunkara Sai Tarun has proved himself to be a proficient and intelligent student. His capacity to understand a trouble and to conceptualize and analyse a situation deserves a mention. I can assure you that he deserves to be admitted in your college for the completion of masters in Computer Science.

In my day-to-day interaction with him, I have found him to be vigilant, zealous and meticulous in his approach and he has a versatile personality. He takes part in extracurricular activities besides excelling in academics. He gratuitously worked for our college's techno-management fest Aagama in which he led a team. He has actively participated in a number of technical events, literature events, and is one of the lead members of TALENTIA, a literary and cultural club of our college.

I can confidently state that Sunkara Sai Tarun was a step ahead of most of his peers when it came to experimenting with his learning. And he is a person who gives utmost importance to his pursuits and works on them with a robust work culture and discipline. I strongly recommend that you give him a chance to prove his competence in the stream of Computer Science. I am certain he will make you proud with his industriousness and commitment.

LETTER OF RECOMMENDATION

It gives me great pleasure in recommending Ms. **THOTA TEJASWINI** to your esteemed university. She has been associated with me for 4 years during which I had ample of time in assessing her both academically and personally.

Her Performance in Curricular and Co-Curricular activities have been commendable. I taught her Subject “**E-COMMERCE**” in her curriculum. I found her to be keen listener, hardworking and an active partner in class discussions. She has shown a natural aptitude for the courses. She has an in-depth knowledge of principle involved in the subject and has excellent skills in both theoretical aspects as well as problem solving. Her ability to grasp and deliver concepts, which comes naturally, had enabled her to succeed in her attempts. Her dedication to work and punctuality in sending assignments before time serve to underline her ambitious nature. I have found her as a sedulous student and academically she has been among few outstanding students who have a consistent and good academic record.

Her excellent proficiency in English facilities, lucid expression of thoughts and ideas. This should make her a good prospect for teaching or research responsibilities. She has peerless inquisitiveness and enthusiasm to great abreast with the latest development in the subject. She is highly motivated person and can achieve anything by the dint of determination. She is extremely hardworking and accomplish a splendidly consistent academic record.

Bearing her impressive background and caliber in mind I unequally vouch for the fact that she will be an ideal candidate for this Master’s program in your esteemed university. It would certainly be a prudent decision to enlist her as a student in your department.

LETTER OF RECOMMENDATION

I am contented to endorse this letter of recommendation in favor of **Mr. MATTURI NITHIN JAY CHOWDARY** who is keen to pursue higher studies at your institution. I know him for the past four years as an undergraduate student, where I had taught him the courses in the field like **Compiler Design** in 6th semester and have been instructor for laboratory courses like "Computer Networks" in 6th semester.

Aesthetic programming skills, perseverance and tenacity to complete the work assigned in him. His keen insight into the learning process and innovative thinking made him participate in various technical symposiums conducted in the college. He is hardworking student with excellent creative and observation skills. He can carryout practical work independently and also extended good cooperation in teamwork. He has also worked under my supervision in organizing lab and Department works.

His manners are quite pleasing and he has a natural drive to come up with solutions for problems since he has a sound knowledge of the concepts taught in class. He is enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. He is willing to go ahead and get a comprehensive picture of things, rather than acquiring a surface understanding.

On associating with him, I have found him to be attentive and enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. His ability to convince people has always impressed me. Good communication and organizational skills help him to be at the forefront of organizing seminars. Undoubtedly, he will be a source of inspiration for others. Considering his academic excellence and effective communication skills I recommend him in the strongest terms for admission to the Graduate Program at your University preferably with financial aid.

Dear Anuradha,

Jayanth Prudhivi Burgula has requested that you submit a letter of recommendation form in support of their application to a graduate program at Kent State University.

Note: This applicant has waived the right to view your recommendation.

Kent State University utilizes the CollegeNET graduate application and letter of recommendation system. Please visit the following web address to login to the online CollegeNET letter of recommendation system. If this is your first time submitting a letter of recommendation via CollegeNET you will need to create an account first.

<https://www.applyweb.com/lor?token=8X0LqxYfXYy0dSJHNXM2wpREUmb3Xs1vf1625143902>

Should you experience any technical difficulties or require assistance with your account, please follow this link to review the FAQ or to contact CollegeNET Support:

https://www.applyweb.com/public/input?s=helprec&p=1&HELP_APP_CODE=KENTGLOR

We are excited to review Jayanth Prudhivi's graduate application. We appreciate your thoughtful consideration and the time spent completing the letter of recommendation. Your letter will assist the review committee in evaluating Jayanth Prudhivi's potential for success in graduate study at Kent State University.

Kindest regards,

Graduate Admissions

Letter of Recommendation

I take great pleasure in recommending **Mr. RAVINDRABABU MATTA** for admission into your esteemed institution. I have known **Mr. RAVINDRABABU MATTA** from the past three years and have been his instructor for "**FINITE ELEMENT METHODS**" and found him to be a sincere, self-reliant and diligent young man with a pleasing demeanour.

Mr. RAVINDRABABU MATTA has good subjective knowledge, which is quite evident from his performance index. He has consistently being among the top 10 of his class. During his interactions with me, he showed great insight in subject matters. He had good communication skills and expressed his ideas lucidly and impressively.

Mr. RAVINDRABABU MATTA has a great thirst for knowledge. He had a great ability to quickly assimilate and relate it to the previously acquired knowledge. He demonstrates leadership qualities and was an active member of our student counsel. He is quite capable of undertaking research projects and I am sure that he can perform at his best as a member of a team.

Judging from the above aspects, I can confidently state that **Mr. RAVINDRABABU MATTA** possesses the required zeal to prepare and has sufficient motivation and commitment. Hence, I strongly recommend his admission to your esteemed university with requisite financial aid.

Sincerely

(D.Divya)

Dear William Cary,

On behalf of the School of Engineering, I am delighted to inform you that you have been admitted into the **Master of Science in Computer Information Systems (MSCIS)** program at Christian Brothers University for the **Fall (August) 2023** term. Your student ID number is **899487422**. You will need this number in order to conduct business with all offices on campus.

Your I-20 will be processed by our Designated School Officer, and you will be contacted as soon as it is received.

IMPORTANT: You are required to submit official transcripts from all colleges/universities attended prior to enrollment.

Please note that all students who take classes on campus or utilize campus facilities must submit a **Student Health Form** and **Influenza Vaccination Verification** using the following link: **New Student Health Services On-Boarding Verification Form**. COVID vaccinations are strongly encouraged, and you may also use this form to submit your **COVID Vaccination Verification**.

If you have any questions, please contact me at rprice@cbu.edu or 901-321-3412.

I wish you the best of luck in the MSCIS program and offer you my personal congratulations on your acceptance.

Welcome to Christian Brothers University!

Best Regards,

PH.D.

CHRISTIAN BROTHERS UNIVERSITY

Dear Kartheek,

Good news! You have been recommended for admission to the Industrial Engineering - Master's program for the Spring 2024 semester at Wichita State University. As of today we are missing one or more of the following materials in order to finalize your admission:

- **Certification of Financial Support (CFS) Form** - International applicants must prove that they have the financial ability to pay for their tuition, books, and living expenses while they study in the U.S. This is a WSU form that is required. Please click on the link above and fill it out. You can find an example of this form below. To see required costs for an i-20, please review the basic costs for international students.

Certification of Financial Support
Graduate Students Academic Year 2023-2024

Section A: Student Information

Section B: Estimated Expenses

Category	Description	Amount
Personalized Cost Estimate for 9 Months	Total Tuition & Fees	\$12,000
	Books and Supplies	\$1,000
	Room and Board	\$10,000
	Other Expenses	\$1,000
	TOTAL AMOUNT REQUIRED OF BANK STATEMENT	\$22,000

Section C: Sponsorship Information and Signature

Sponsor: Family/Friend using PERSONAL funds
Name of Sponsor: John Doe
Relationship to Student: Father
Type: Bank Statement, Balances
Bank Name: Chase
Address: 123 Main Street, Wichita, KS 67201
Date: 01/01/2024

John Doe 1/28/2024

Section D: Required Financial Documents

REQUIREMENTS:

- 1. Bank Statement showing funds available to cover tuition, fees, room and board, and other expenses for the academic year.
- 2. Letter from employer or scholarship provider confirming employment or scholarship status.
- 3. Letters from family members or friends confirming their ability to provide financial support.
- 4. Other documentation as required by the U.S. Consulate or Embassy.

Sponsor #1: John Doe
Sponsor #2:

- 1. Bank Statement showing funds available to cover tuition, fees, room and board, and other expenses for the academic year.
- 2. Letter from employer or scholarship provider confirming employment or scholarship status.
- 3. Letters from family members or friends confirming their ability to provide financial support.
- 4. Other documentation as required by the U.S. Consulate or Embassy.

Section E: Instructions

1. Click [here](#) to download the CFS form.
 2. Attach a copy of your bank statement or bank letter which meets all requirements as listed in Section D.
 3. Do Not Forget to come check if you have a question or any problem with you in Wichita.
 4. Submit the completed form and evidence of financial support to CFS
- [COURSES FOR FRESHMEN AND STUDENTS](#). Email this form and your financial documentation to isggrad@wsu.edu
► [NEW ARRIVALS](#) OR [TOURISTS](#). Upload this form and your financial documentation to [Step 1](#) <http://www.wichita.edu/apply/international>.

**Information About Dependents
Accompanying the Student to the U.S.**

Section F: Student Information
First Name: John Doe
Last Name: Doe
Middle Name: John
Date of Birth: 01/01/1990

**AUBURN UNIVERSITY
AT MONTGOMERY**

Nagasai, Mirthivada
India

Dear Nagasai, Mirthivada:

May 19, 2023

Upon reviewing your application for admission to Graduate School at Auburn University at Montgomery (AUM), I am pleased to inform you that you have been admitted into the MS in Management Information Systems program. You are required to submit your official transcript and diploma of a completed B.S. degree before the end of your first semester of enrollment. If you are unable to provide the documents by that time, you must contact your academic advisor before being allowed to register for future semesters.

Degree:	Master of Science
Major:	Management Information Systems
Student ID#	S00442515
Term:	Fall 2023

Please note, it is AUM's academic policy that all graduate students must maintain a 3.0 overall GPA to continue their enrollment in the program.

Check-in and International Student Orientation for all new international students will be held on August 9th, 10th, and 11th, 2023. It is mandatory for all incoming AUM international students. Fall 2023 classes begin August 16th, 2023.

Please contact Ms. Cur'Tara Peterson, Academic Advisor/Outreach Coordinator, at cpeters3@aum.edu if you have any questions concerning the MSMIS Program. You should be pleased to know that the business programs offered by the College of Business at Auburn University Montgomery are accredited by the Association for the Advancement of Collegiate Schools of Business International (AACSB).

Choosing Auburn University at Montgomery means engaging in challenging academic pursuits and exploring opportunities that will prepare you for your future—any future you can imagine. You will do this in one of the world's greatest cities, full of opportunities to enjoy culture, sports, the arts, and great food.

I am delighted you have chosen AUM to pursue your graduate education and hope you find your graduate work both enjoyable and profitable. On behalf of our faculty and staff, I look forward to welcoming you as a member of the AUM family.

Sincerely,

Dr. Matthew Ragland
Associate Provost for Graduate Studies and Faculty Services

May 19, 2023

Nagasaki, Mirthivada

Program: Management Information Systems, MS

Congratulations! Based on your academic achievements, I am pleased to award you the *International Graduate Focus Scholarship* at Auburn University at Montgomery (AUM) for the 2023-2024 academic year. This is an outstanding accomplishment for which you deserve the highest commendation.

The *International Graduate Focus Scholarship* is an award totaling up to \$10,000 paid in increments of \$2,500 per semester for the length of your program.

Your scholarship will begin in Fall 2023. Your scholarship will be renewed automatically if you maintain good academic standing.

**Please note: Those receiving athletic waivers/scholarships, graduate assistantships, or any other tuition waivers will not qualify for this award.*

Again, congratulations on your selection as an *International Graduate Focus Scholarship* recipient. If you need additional information or assistance, please contact the Office of Global Initiatives at global@aum.edu.

Welcome to the AUM family!

Sincerely,

A handwritten signature in black ink that reads "Sameer Pande".

Sameer Pande, Ph.D.
Associate Provost for Enrollment Management and Student Success
Auburn University at Montgomery

A handwritten signature in blue ink that includes the name "DVR & Dr. HS MIC College of Technology Kanchikacherla, N.T.R. Dt." and "Andhra Pradesh, India – Pin: 521180". Above the signature, the word "PRINCIPAL" is written in blue capital letters.

Provisional Admission

Dear Ganesh Manikanta Sanchi:

On behalf of the USF President, the USF Board of Trustees, and the faculty, staff, and students of the University of South Florida CONGRATULATIONS on your official admission to the University of South Florida Tampa Campus. We welcome you to the Master of Science degree program in Business Analytics and Information Systems for the Fall 2023 semester. Based on our most current information, your residency classification for tuition purposes is Non-Florida Resident, International.

For information about Florida residency, New Graduate Orientation, and to learn about the next steps to enroll as a graduate student, please visit Admitted Graduate Students Checklist webpage at admissions.usf.edu/grad-checklist.

You have been provisionally admitted because we are missing the following item(s). To remove the provisional status, please submit the following as soon as possible, and no later than the end of your first semester of enrollment:

Final Official College Transcript with Bachelors degree India (All Col)
Diploma/Grad Certificate Awarded or Provisional

Also, international students must complete the immigration check-in process. As an international student, you will receive an email with details on how to access iStart, the university's system for immigration documents and tasks.

Again, I congratulate you on your admission to the University of South Florida. I wish you every success in your pursuit of academic excellence.

Sincerely,

A handwritten signature in black ink, appearing to read "SPG".

Dear Teja Sai Vinay,

Your application for admission to Graduate School has been reviewed. I am pleased to inform you that you have been admitted to the Master of Science in Management Science and Supply Chain Management program effective for the Fall 2023 semester.

Your admission status in this program is Full Standing. Please refer to our website [here](#) for more information about your admission level. In order for your admission to remain valid, you must enroll and complete at least one course as a graduate student within one calendar year of the effective semester of admission. Please note: Any transcripts or test scores used to evaluate you for admission were considered unofficial if uploaded along with your application. You will be required to submit official transcripts from schools where you obtained a degree and, *if applicable*, any school where you have taken graduate credit. You will also need to send official test scores to WSU. These items will be due by the 20th day of class for the semester you are admitted.

- It is important to contact your advisor as necessary regarding course selection, program requirements, and admission status. You have been assigned **Mehmet Barut** as your advisor. You can reach your advisor at mehmet.barut@wichita.edu or **316-978-6967**.
- Although you should meet regularly with your advisor, as a graduate student, you will be expected to take responsibility for your individual program of study. You will find the Graduate Catalog to be an important source of information in this regard. In order to assist with your progress toward earning your degree, I encourage you to refer to the Graduate Catalog online at www.wichita.edu/catalog.
- You have been classified as a International Non-Resident for tuition purposes. If this information is incorrect, please contact the Registrar's Office at 316-978-3672, or visit their website at www.wichita.edu/residency. Please note: Online programs are resident neutral for tuition purposes.

Your student identification number is called your myWSU ID. Your myWSU ID is Z334H277. Activate it by going to [MyWSU](#), your student portal. You will then be able to log into the myWSU portal, where you can enroll in courses, access your WSU email account, pay tuition/fees, and view your financial aid award status. Welcome to your new program!

Sincerely,

A handwritten signature in black ink that appears to read 'Coleen Pugh'.

Congratulations, Dilipkumar!

On behalf of President Steven H. Kaplan and our family of over 60,000 alumni, I am delighted to inform you that you have been accepted into our **Mechanical Engineering, MS** program for the **Fall 2023** term.

At the University of New Haven, we are confident you will have an exceptional graduate experience and will build a strong network necessary for success in today's highly competitive world. Our rigorous academic programs and dedicated faculty will assist you in fulfilling your career goals and will set you on the path to professional growth.

We are guided by the following core values as they are the foundational elements of our culture and how we approach issues and make decisions essential to advancing the University of New Haven Mission.

- Student Centered: We place their success at the center of our decisions and activities to cultivate their full potential academically and personally.
- Engaged and Inclusive Community: We foster and celebrate diversity, inclusion, equity and access and strive for continuous improvement of these.
- Impactful Education: We intentionally engage our students in experiential education to prepare them for purposeful and fulfilling lives in a global society.

To begin the process of enrolling at the University of New Haven, please complete your offer reply form within your Accepted Student Portal by April 19, 2023. Once you have received your F-1 visa (passport stamped by the US Embassy), you will need to pay an enrollment deposit of \$500 to ensure your seat is confirmed for your program. The enrollment deposit is \$500 for students living off campus or \$700 for students looking for on-campus residential housing. An enrollment deposit is required for all graduate students who decide to attend the University of New Haven. Your acceptance is contingent upon the receipt of all final official documents and official test scores, if applicable.

We look forward to you joining our community and wish you every success in the future.

Sincerely,

Abigail Burkhardt
Director of International Admissions

January 24, 2022

Dear Kartheek:

Please see attached your form I-20, which will be needed for any F-1 visa related processes, to include visa interview, crossing the U.S. Border, and check-in with your International Student Services Office at The University of Memphis. The I-20 serves as your official documentation of the invitation to attend school inside the U.S.

Our office is extremely pleased that you will be joining us at Memphis, and we remain committed to providing necessary information for students who are seeking to maintain compliance with the U.S. government's Student and Exchange Visitor Information System monitoring requirements. It is also our hope to guide students to the best offices, both on and off campus, for any student needs upon arrival or throughout the school year.

As we get closer to your first day of classes, I hope you peruse our online resources for new students. Our ISS web pages (see link below) contain information for new students, to include information about hiring paperwork if you have on-campus employment, social security number applications, mandatory health insurance for international students, driver license processing, and more.

As always, please contact us with any questions: TheWorld@memphis.edu and be sure to check our webpage for specific updates, international student programs, and other special announcements. <http://www.memphis.edu/iss/>

Best Regards,

Notice of admission for the Master's program Renewable Energy Systems (M.Eng.) in 1.FS for Wintersemester 2023

Hello Pujari Gopal Kuruba,

You have submitted a request to be admitted to study at Nordhausen University of Applied Sciences in winter semester 2023. I am pleased to inform you that you have been accepted to study the master's degree course in Renewable Energy Systems.

Your application was considered in the admission procedure for winter semester 2023/2024, and you have been accepted to study at Nordhausen University of Applied Sciences in winter semester 2023/2024 . The admission is in accordance with the fourth amendment of the Study and Examination Regulations (Studien- und Prüfungsordnung) for the master's degree courses in the Department of Engineering at Nordhausen University of Applied Sciences from 24 October 2022, published in Official Bulletin no. 18/2022 of Nordhausen University of Applied Sciences. Admission is subject to the condition that you submit your APS certificate to the Study Service Centre by the day of enrolment/matriculation at Nordhausen University of Applied Sciences.

Please send us your passport number and the application date and application number of the Academic Evaluation Centre (APS) certificate via e-mail to ssz@hs-nordhausen.de.

Useful information on formalities after admission can be found in the checklist at <https://www.hs-nordhausen.de/en/international/come-in/formalities/>.

Information on living and studying in Nordhausen can be found here <https://www.hs-nordhausen.de/en/international/come-in/living-and-studying-in-nordhausen/>.

Please confirm the acceptance of your place at the university in your Application Portal by 15 August at the latest and subsequently use the option of online enrolment. After you have accepted your place in your Application Portal, you will receive further information on student accommodation in Nordhausen and on the start of your studies.

Dear Hemanth,

Congratulations on your admission to the University of Bridgeport's Mechanical Engineering (M.S.) program for the Spring 2023 semester! We applaud your commitment to your professional development and wish you success in reaching your educational and career goals.

To begin the I-20 process, please visit your application portal at bridgeport.edu/nextsteps and make sure you have uploaded the following documents needed to process your I-20:

1. Official Bank Statement, dated within the last 6 months
2. Passport Biographical Page
3. Affidavit of Financial Support - This can be completed online at bridgeport.edu/affidavit

All new students must report to campus on **January 3, 2023**. Classes for the Spring Session begin **January 9, 2023**. Please plan your travel accordingly to ensure your attendance.

Please note the following information:

- You must submit the following documents on or before your arrival date to campus:
 - * Official test scores required to secure your admission
 - * All final official transcripts/mark sheets and degree certificates from previous institutions attended
- Health Insurance enrollment through the University is automatic and mandatory.
- Tuition and fees are subject to change.

On behalf of the entire University of Bridgeport community, congratulations on this exciting accomplishment. We hope you choose to join us for the Spring 2023 semester. It is clear from your application you are excited for this challenge, strive for excellence and want to make a difference in the world.

Sincerely,

Allison Garris, Ed.D.

Sai Reddy Dharmavarapu
H.no8-1409,DSR Granites Marrichelapalem
Prakasam 523253

2886408

Dear Sai Reddy,

Congratulations! Thank you for applying through the Graduate Direct application process. On behalf of the College of Graduate Studies, I am pleased to inform you of your acceptance to Cleveland State University for the Fall 2023 Term. Our records show that your intended program of study is M.S. Mechanical Engineering.

We are confident that your academic background and unique experiences will contribute to our diverse graduate student community and tradition for academic excellence. Furthermore, we believe that you are the type of motivated student that will thrive in Cleveland State University's engaged learning environment.

Along with this letter you will receive information on next steps: your visa document and instructions, health insurance requirements, and the academic calendar, among other important information. In addition, read about your options for housing and meal plans, instructions to arrange for airport pick-up, and details about the upcoming orientation program that you will attend. Please also prepare your official transcripts for presentation upon arrival.

Cleveland State Global offers a variety of support services for international students designed to help you prepare for your arrival and acclimate to your new life on campus at Cleveland State University. Student support services include visa interview preparation, assistance with your year-one course selection, advising, and pre-arrival support. You will have access to signature student experiences including airport pick-up, cultural events, and career and internship preparation. All students participate in student orientation, and our dedicated advisors are available to assist you with flexible course selection and registration.

As you continue to move forward with the next phase in your educational career, we are here to help you and to answer any questions you may have about Cleveland State University. Please contact us at admissions@clevelandstateglobal.org.

Cleveland State University is the university of choice for talented students who are intellectually curious, serious about their studies, and intent on advancing their lives through higher education. I believe that you will find your program of study challenging and rewarding and look forward to seeing you on campus very soon.

Again, I offer the warmest congratulations on your admission. On behalf of the College of Graduate Studies, I welcome you to Cleveland State University!

Sincerely,

Meredith Bond, Ph.D.
Interim Dean, College of Graduate Studies
Interim VP, Research and Innovation

Poranki
Vijayawada Andhra Pradesh
India 521137

Your Student ID Number: 700755470

Dear Sahith Naga Sai,

Congratulations! We are pleased to admit you to the M.S. degree program in Industrial Management at the University of Central Missouri for the fall 2023 semester. You have been granted regular admission which means you have satisfied the University of Central Missouri's minimum English proficiency requirement. This program will be located at the Warrensburg Main Campus: KAN214F00100000.

Classes begin on August 14, 2023. **A mandatory orientation will be held during the week of August 7, 2023 that you must attend in order to enroll.** You will receive additional emails about orientation, arrival expectations, and other useful information to help you as you plan for your arrival to UCM.

Reminder – Prior to the start of the semester, all final official transcripts (evaluations) that meet GPA requirements, from all college/post-secondary institutions attended must be submitted. Additional testing may be required upon arrival.

Please include your student ID number in all future contact with this office. If you have any questions after reading through the material, please contact us at isss@ucmo.edu or by phone at (660) 543-4092. We wish you well as you begin your journey to the University of Central Missouri.

Regards,

Ashley Caldwell

I-20, Certificate of Eligibility for Nonimmigrant Student Status
OMB NO. 1653-0038

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Vijayawada, INDIA
Gannon University Student ID# 3190871

March 28, 2023

Dear Sai Tarun,

On behalf of the Gannon community, please accept my congratulations on your acceptance into the MS in Computer and Information Science - major in Information Tech program for the Fall 2023 semester at Gannon University. The semester begins on August 23, 2023. Our commitment to you includes an award of \$1,500 toward your tuition fees, per semester when registered for full time enrollment. Awards cannot be applied to English language training. If awarded an athletic award, a student may select either an academic or athletic award.

As part of your acceptance, you are required to take the following foundation course(s): GCIS506, GCIS508, GCIS580, GCIS581, within the first year, earning a B or better. You are required to present the following official documents, prior to your arrival or upon arrival, failure to do so may result in your inability to register for classes - Official college or university transcript(s) - Official university certificate of completion

Should you decide to attend another university after the visa is approved, you must reapply for the visa through the new school before departing to the USA, in accordance with federal regulation 8 CFR 214.2(f)(1)(i), C. For additional information, please refer to page 3 of your Form I-20. Please contact our Admissions Office at global@gannon.edu if you have any questions or concerns.

Questions relating to your program, requirements, and the scheduling of classes can be directed to:
Dr. Joshua Chibuike Nwokeji
814-871-7185
nwokeji001@gannon.edu

Your SEVIS Form I-20 or DS-2019 is enclosed. Please take this form and financial documents with you to your appointment at the U.S. Consulate. This form is needed to secure your F-1 or J-1 visa. Do not misplace this document. You will also need to show this form along with your F-1 or J-1 visa and financial documents to the United States Citizenship and Immigration Services (USCIS) at the port of entry when entering the United States.

We look forward to your inclusion in the Gannon community!
Sincerely,

Dr. George T. Sipos
Executive Director of Global Enrollment & Engagement
Gannon University

P.S. The accompanying Addendum includes important information regarding your transition to Gannon. Please be sure to read it thoroughly; do not hesitate to ask any questions as needed.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

I-20, Certificate of Eligibility for Nonimmigrant Student Status
OMB NO. 1653-0038

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Alekhya Bhavani Gowri,

Student ID: 1185840

Congratulations on your admission to the University of Bridgeport's Computer Science (M.S.) program for the Summer 2023 semester! We applaud your commitment to your professional development and wish you success in reaching your educational and career goals.

To begin the I-20 process, please visit your application portal at bridgeport.edu/nextsteps and make sure you have uploaded the following documents needed to process your I-20:

1. Official Bank Statement, dated within the last 6 months
2. Passport Biographical Page
3. Affidavit of Financial Support - This can be completed online at bridgeport.edu/affidavit

All new students must report to campus on **May 2, 2023**. Classes for the Summer Session begin **May 8, 2023**. Please plan your travel accordingly to ensure your attendance.

Please note the following information:

- You must submit the following documents on or before your arrival date to campus:
 - * Official test scores required to secure your admission
 - * All final official transcripts/mark sheets and degree certificates from previous institutions attended
- Health Insurance enrollment through the University is automatic and mandatory.
- Tuition and fees are subject to change.

On behalf of the entire University of Bridgeport community, congratulations on this exciting accomplishment. We hope you choose to join us for the Summer 2023 semester. It is clear from your application you are excited for this challenge, strive for excellence and want to make a difference in the world.

Sincerely,

Allison Garris, Ed.D.
Dean of Admissions

Dear Mr. R:

Meeravali Shaik has requested that you write a letter of recommendation to Florida Institute of Technology for the **MS Civil Engineering** program.

In an effort to make this process as easy as possible for you, we offer the ability to complete your recommendation online through our secure website. To submit your recommendation, please use the link below. This link is unique to this recommendation and should not be shared or forwarded.

Please click here: <https://admissions.fit.edu/refer/?2737066366169912> to complete the recommendation.

Thank you for your time and consideration. Submitted recommendations are only viewable by application review committees.

Mr. R.Ranjith Kumar

Associate Professor,

Department of Mechanical Engineering,

Mail : vinodaranjith@gmail.com.

Letter of recommendation

Mr. Meeravali Shaik has been my student for the past three years. I have handled **MECHANICS OF SOLIDS & THEORY OF MACHINERY**. He is an intelligent and diligent student excelling in both academic work and co-curricular activities.

Mr. Meeravali Shaik is an extremely self-motivated student with sharp intellect. His enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides his regular course work, he has participated in various symposiums and technical seminars.

Mr. Meeravali Shaik is studious and very strong in his fundamentals. He has excellent command over English and apart-from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Mr. Meeravali Shaik research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

In view of the above qualities, I strongly recommend **Mr. Meeravali Shaik** for admission in your university for the graduate program with full financial assistance.

Sincerely,

(Mr. R. Ranjith Kumar)

LETTER OF RECOMMENDATION

This letter is in support of **Mr. Krishna Chaitanya Nelluri** who is aspiring to pursue his masters in Civil Engineering at your venerated university. Being his Head of the Department, I know him very well for more than three years as an undergraduate student where I taught him "**Concrete Technology, Surveying and Construction Technology & Management**" and instructed him in the laboratories of **Computer Aided Engineering and GIS & CAD**. As his teacher I am convinced that he would be a true asset to your university.

In my interaction with him, I observed him to have strong fundamentals and analytical skills. He had conducted himself with good progression throughout his academic period and has always been punctual with his assignments. His pragmatic nature contributes by bringing a new perspective into discussions in class.

He is a good performer in non-academics as well taking an interest in arranging different projects/ occasions on our grounds. He worked as the organizer for our institution's technical fest where I have seen his adeptness to organizational and managerial skills.

All the above qualities coupled with his pleasing demeanor, adaptability and initiation have convinced me to rank him one of the best among all the students associated with me. I am convinced that he will scale the highest peaks in his field of interest. With the skill set that he possesses, I am sure that he will prove himself as an excellent student in academics and research as well. Thus, I am certain that he will bring laurels to your institution. Hence, I recommend his candidature for admission into the master's program.

LETTER OF RECOMMENDATION

I am writing this letter in support of **Mr. M Srikar** a Civil Engineering student at our college. During the 3-2, and 4-1 semesters, he learned aspects of the **Environment Engineering-I**, and **Environment Engineering-II**, under my supervision and assistance. I have known him for a few years and find him to be a dedicated and hardworking student.

He is an exceptional student who achieves high grades as a consequence of his hard effort. He approached me on several occasions, attempting to understand every small detail of various design concepts. His motivation stood out among his peers because of his inquisitive intellect and pragmatic thinking.

Observing him up close, he is an intelligent and hard working student with a genuine desire to study. This inclination stems from his curious bent of mind and a nature for questioning. When addressed by fellow students, he has the capacity to communicate himself clearly which considerably boosts his expressiveness in resolving doubts. His intense enthusiasm perseverance and intellectual curiosity motivate him to become completely interested in and excel at his work.

Apart from academics, **Mr. M Srikar** participated passionately in the department's many co-curricular activities and also played an active role in national service scheme. Every year I see a few students who are extremely enthusiastic about their work and he is undoubtedly one of them..

In my unbiased opinion, he has a rich blend of discipline diligence required for a person who desires a career in graduate program. I recommend him to the masters program at your esteemed university with possible assistantship.

LETTER OF RECOMMENDATION

I deem it a pleasure to introduce Ms. Sravya K who has been my under graduate student in the department of Civil Engineering. I have taught her Environmental Engineering – I & II. I had observed her at very close quarters and these observations brought me a clear picture about her.

I found her sincere and bright student with a strong desire to pursue perspective carrier in the field of Civil Engineering, her ability to interact with people has always impressed me, and she had attended to classes regularly. Although my subjects require understanding skills, she was able to cope up with the subject with her ability to work hard and problem solving skills. She was good at analyzing difficult situations and derives logical solution. Her academics were quite impressive. Apart from her academics she was very good at communication and organizational skills. I found her very active at organizing and participating in various activities in and out of the department. In my interaction with her I was impressed at her sense of commitment and hard work.

Her command over English is fairly comfortable and quite impressive, which I observed when she was handling different seminars conducted at our college. She was a student who is always enthusiastic and eager to know new information from me.

She quest for knowledge and perseverance for excellence ideally qualify her for any Masters course. I recommend and I am confident that she will continue to be a promising, competitive, sincere and an ideal student for her Masters at your university.

LETTER OF RECOMMENDATION

I am writing this letter in support of Mr. Velaga Raja Gopal a Civil Engineering student at our college. During the 3-1, 3-2, and 4-1 semesters, he learned aspects of the Engineering Geology, Environmental Engineering – I, and Environmental Engineering – II, under my supervision and assistance. I have known him for a few years and find him to be a dedicated and hardworking student.

He is an exceptional student who achieves high grades as a consequence of his hard effort. He approached me on several occasions, attempting to understand every small detail of various design concepts. His motivation stood out among his peers because of his inquisitive intellect and pragmatic thinking.

Observing him up close, he is an intelligent and hard working student with a genuine desire to study. This inclination stems from his curious bent of mind and a nature for questioning. When addressed by fellow students, he has the capacity to communicate himself clearly which considerably boosts his expressiveness in resolving doubts. His intense enthusiasm, perseverance and intellectual curiosity motivate him to become completely interested in and excel at his work.

Apart from academics, Mr. Velaga Raja Gopal participated passionately in the department's many co-curricular activities and also played an active role in national service scheme. Every year I see a few students who are extremely enthusiastic about their work and he is undoubtedly one of them.

In my unbiased opinion, he has a rich blend of discipline diligence required for a person who desires a career in graduate program. I recommend him to the masters program at your esteemed university with possible assistantship.

LETTER OF RECOMMENDATION

In my capacity as head of department of civil engineering, DVR & Dr. HS MIC College of Technology, kanchikacherla. I have known PAPOLU TARUNTEJA for the past three years. I taught him Wastewater Management, Environmental Engineering-II and Estimation, Specifications & Contracts in the sixth, seventh and eighth semester respectively.

During my association with TARUNTEJA PAPOLU, I found him to be promising and dedicated student with an analytical bent of mind. As Professor, I work with many students who have substantial knowledge of their students. Each year I notice that only a few outstanding students offer a unique perspective and make an earnest effort to embrace and carry forward what they have learnt in college. He is undoubtedly among them. He has been among the brightest student in class and has exhibited considerable interest in "Environmental Engineering" and "Estimation, specifications and contracts". He frequently discussed with me the interesting details related to the same. During these interactions with him I was happy to see that he had a good grasp in these subjects. I am sure he would make a successful life through his consistent hard work and determination.

In addition to his impressive academic performance, a special reference has to be made about his excellent communication skills as well. He can remain calm and composed even during extremely high-pressure situations. Even when most of the other students would get nervous when the exams would approach he was rarely seen getting into panic mode. He is a confident young man and very focused about his goals in life. He is also an excellent team player, a quality that came during the projects that were required to be completed as a group activity. He has a pleasing personality and shared an excellent rapport within his peer group, seniors and teachers. I am quite sure that he will achieve success in any academic pursuit he undertakes.

Therefore, I feel extremely happy to recommend for the well-recognized masters- program at your university. I wish him good luck for all his future endeavours.

LETTER OF RECOMMENDATION

I deem it a pleasure to introduce Ms. VEMULA ALEKHYA BHAVANI GOWRI Who has been my under graduate student in the department of Civil Engineering. I have taught her ENVIRONMENTAL ENGINEERING. I had observed her at very close quarters and these observations brought me a clear picture about her.

I found her sincere and bright student with a strong desire to pursue perspective carrier in the field of Civil Engineering, her ability to interact with people has always impressed me, and she had attended to classes regularly. Although my subjects require understanding skills, she was able to cope up with the subject with her ability to work hard and problem solving skills. She was good at analyzing difficult situations and derives logical solution. Her academics were quite impressive. Apart from her academics she was very good at communication and organizational skills. I found her very active at organizing and participating in various activities in and out of the department. In my interaction with her I was impressed at her sense of commitment and hard work.

Her command over English is fairly comfortable and quite impressive, which I observed when she was handling different seminars conducted at our college. She was a student who is always enthusiastic and eager to know new information from me.

She quest for knowledge and perseverance for excellence ideally qualify her for any Masters course. I recommend and I am confident that she will continue to be a promising, competitive, sincere and an ideal student for her Masters at your university.

LETTER OF RECOMMENDATION

As the Head of the Department of Electrical & Electronics Engineering, it gives me great pleasure to write this recommendation letter for Mr. DHANIREDDY PURNA CHANDRA REDDY. I have taught him the subject **Electrical Measurements**. I have known him well for the past four years as my student. I had the opportunity to observe and appreciate his academic caliber, as well as the versatility of his personality.

Mr. DHANIREDDY PURNA CHANDRA REDDY has shown interest in subject's right from the beginning. He has distinguished himself as one of the best students in the class. He is an energetic and diligent class participant and brings together an Engineer's analytical approach, which he applies efficiently to problem-solving. He is always committed, industrious and sincere towards work.

He has involved himself in numerous organizations both on campus and outside. As a believer in social justice, he has been actively engaged in community activities. His diligence and his deep insight into the technical base inspired me. His evenness of performance and self-confidence confirms his ability to be a highly productive person.

I strongly believe his sound knowledge of fundamentals, a truly remarkable ability to apply theory to practical situations, and a high motivation to keep abreast with the latest information in his field of study which will help him in the field he is pursuing. His behavior with the teacher and reverential attitude towards elders is admirable.

In a nutshell, Mr. DHANIREDDY PURNA CHANDRA REDDY is a multifaceted person with a zeal for academics, cultural and extra-curricular activities. With all these achievements under his belt and considering his strong foundation, I feel that he will excel in research in his future endeavors. So, I strongly recommend him for admission to the graduate program with financial assistance.

LETTER OF RECOMMENDATION

It is indeed a great pleasure in vouching **Mr. ANAND SRIRAM CHAITANYA DASAM**, a cheerful and prompt student of mine for three years during his graduation which I had an opportunity to judge his capabilities and integrity personally as well as academically.

Apart from studies and projects, Mr. ANAND took an active part in many extra-curricular activities. He is indeed a very creative learner and his leadership skills have been brought to the fore on several occasions. He has an ability to organize and express his ideas clearly in English both orally and in writing. His dynamic organizational involvement in various activities of both international and national co-curricular activities organized by DVR & Dr. HS MIC College of Technology, Kanchikacherla, stands a worthy testimony for his leadership skills.

Bearing his impressive calibre in mind I strongly place him among the top 5% of the students associated with me in recent years. He is sincere and detailed in his approach with positive attitude and willingness to delve deep into the subjects, he will reach great heights in his career and I believe he will be an extremely valuable addition to your university and the department. His dedication towards higher studies, the quest for knowledge and his intellectual abilities leads me to strongly recommend **Mr. ANAND SRIRAM CHAITANYA DASAM** to the graduate program in your esteemed university with possible financial aid.

Thank you

LETTER OF RECOMMENDATION

In my capacity as an Associate Professor, I am writing this letter of recommendation to Mr.N.LakshmiSrinivas for his Masters Studies at your coveted University. The main quality that bound me is his ability to apply theoretical knowledge practically. I witnessed this fact when I got a chance to interact with him during the POWER SYSTEMS in his third year. During this course, I also noticed that his observatory and nexus skills in lecture and lab sessions were top notch.

He is very much liked and respected by his peers and professors as well. His soft skills are of high quality which helps him present his point of view with an ease. He has an open mind and is willing to put in extra efforts to update himself on the latest technologies in his field. During his course time, apart from developing his academics, he has strived for his overall personal development and has prepared himself for any obstacles that he might encounter in the future.

I have the most profound individual and expert regard for him and earnestly trust that Mr. N.LakshmiSrinivas will bring her intriguing imperativeness, good faith, energy and eager imagination to your group and University all in all. Thus, he has my endorsement and I strongly recommend her for admission into her desired course at your University and also wish her the best for the future.

LETTER OF RECOMMENDATION

Mr. BATTIPROLU KARTHIK is known to me for the past three years. He has a good character and his conduct has been exemplary. He has excellent communication skills. I taught him Power Systems & Control during which I, observed him personally and his level of understanding was good. His performance at DVR & Dr. HS MIC College of Technology is good.

Mr. BATTIPROLU KARTHIK is a good student with a high degree of motivations. He has great potential and he is balanced in his decision making. He has participated in co-curricular and technical events held during his under graduation. He maintains good balance between academics and extra-curricular activities. He can complete tasks successfully, either in his own individual capacity or as a teammember.

Being the HOD, guide and mentor of Mr. BATTIPROLU KARTHIK, I had simultaneously handled and Mini Project and Major Project Labs. Under my guidance, He had developed a project on "Vehicle to Grid Technology in a Micro Grid using Fast Charging Architecture" for the use of ultra-capacitors in wireless charging systems can supports the fast charging and discharging need of electrical vehicles which was rated as one of our best projects from the department. He has clearly demonstrated his practical application skills along with theoretical knowledge.

He is also very committed towards any cause that he takes up, and never shirks from accepting responsibility, having done numerous assignments, leaving absolutely no scope for complaint. Therefore he extended his project work from practical application to journal publication.

It is with this same confidence that I recommend him to your prestigious university. I fervently hope that with him confidence, determination and adroitness, he will continue to be a paragon of excellence and bring laurels to your institution. I wish him a prosperous career ahead.

Mr. R.Ranjith Kumar

Associate Professor,

Department of Mechanical Engineering,

Mail : vinodaranjith@gmail.com.

Letter of recommendation

Mr.SANDEEP GUMMADI has been my student for the past three years. I have handled **MECHANICS OF SOLIDS & THEORY OF MACHINERY**. He is an intelligent and diligent student excelling in both academic work and co-curricular activities.

Mr.SANDEEP GUMMADI is an extremely self-motivated student with sharp intellect. His enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides his regular course work, he has participated in various symposiums and technical seminars.

Mr.SANDEEP GUMMADI is studious and very strong in his fundamentals. He has excellent command over English and apart-from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Mr.SANDEEP GUMMADI research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

In view of the above qualities, I strongly recommend **Mr.SANDEEP GUMMADI** for admission in your university for the graduate program with full financial assistance.

Sincerely,

(Mr. R. Ranjith Kumar)

Mr. R.Ranjith Kumar

Associate Professor,

Department of Mechanical Engineering,

Mail : vinodaranjith@gmail.com.

Letter of recommendation

Mr. Kartheek Gouthakatla has been my student for the past three years. I have handled **MECHANICS OF SOLIDS & THEORY OF MACHINERY**. He is an intelligent and diligent student excelling in both academic work and co-curricular activities.

Mr. Kartheek Gouthakatla is an extremely self-motivated student with sharp intellect. His enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides his regular course work, he has participated in various symposiums and technical seminars.

Mr. Kartheek Gouthakatla is studious and very strong in his fundamentals. He has excellent command over English and apart-from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Mr. Kartheek Gouthakatla research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

In view of the above qualities, I strongly recommend **Mr. Kartheek Gouthakatla** for admission in your university for the graduate program with full financial assistance.

Sincerely,

(Mr.R.Ranjith Kumar)

Letter of recommendation

It gladdens me to write this letter of recommendation for **Mr.Asmatullah Shaik**, whom I have known for the last three years, both as part of the classes that I have taught and witnessing his zeal and enthusiasm with which he has remained a committed all round student.

Mr.Asmatullah Shaik has been under my tutelage for **Machine Design** and **Finite Element Method**. He is an intensely focused student who is well read and prepared for class discussions. He has an analytical bend of mind that he uses well in comprehending complex homework on his own. He has the ability to analyse subject's application and experiments towards implementing his learning to find solutions, ability I find to mark his potential for further research and graduate studies. Ability to concentrate is his biggest advantage, which he puts to use when made to work on his own in the lab, yet his excellent communication skills enables him to work well in teams alike.

In addition he has a natural talent to engage and get along with people in the most charming manner. He has a caring and responsive temperament and is also extremely patient and understanding. These attributes I believe he has been instrumental in him holding leadership position, be part of organizing committees of student events, clubs and volunteer work with aplomb.

I've taught exceptional students in the so many years of my teaching career, many who have gone on to study at prestigious universities globally. While **Mr.Asmatullah Shaik's** percentage and relative department rank exhibits his real calibre, he surely is one who has a quest for learning and has a self-motivation to achieve. Without hesitation, **Mr.Asmatullah Shaik** will prove to be a successful and recommend him highly to the graduate school at your university.

Wishing him a bright future ahead.

Sincerely,

(Mr. R. Ranjith Kumar)

Ms.D.DIVYA M.E(CAD/CAM)

Assistant Professor

Department of Mechanical Engineering,

Email: divya@mictech.ac.in

Contact no:-9963836123

Letter of Recommendation

I take great pleasure in recommending Mr. Bhupathi Naidu Chinthagumpala for admission into your esteemed institution. I have known Mr. Bhupathi Naidu Chinthagumpala from the past three years and have been his instructor for “CAD/CAM ” and found him to be a sincere, self-reliant and diligent young man with a pleasing demeanour.

Mr. Bhupathi Naidu Chinthagumpala has good subjective knowledge, which is quite evident from his performance index. He has consistently being among the top 10 of his class. During his interactions with me, he showed great insight in subject matters. He had good communication skills and expressed his ideas lucidly and impressively.

Mr. Bhupathi Naidu Chinthagumpala has a great thirst for knowledge. He had a great ability to quickly assimilate and relate it to the previously acquired knowledge. He demonstrates leadership qualities and was an active member of our student counsel. He is quite capable of undertaking research projects and I am sure that he can perform at his best as a member of a team.

Judging from the above aspects, I can confidently state that Mr. Bhupathi Naidu Chinthagumpala possesses the required zeal to prepare and has sufficient motivation and commitment. Hence, I strongly recommend his admission to your esteemed university with requisite financial aid.

Sincerely

LETTER OF RECOMMENDATION

It gives me great pleasure in recommending Mr. PARASA JAGADEESH BABU to your esteemed University. He has been associated with me for four years during which I had ample time in assessing him both academically and personally.

His performance in curricular and co-curricular activities has been commendable, I taught him the subjects ENGLISH-II & SOFT SKILLS in his curriculum. I found him to be a keen listener, hardworking and an active person in class discussions. He has shown a natural aptitude for the course. He has an in-depth knowledge of the concepts and he has displayed a rare ability in handling both theoretical and practical aspects. His ability to grasp and deliver concepts, which comes naturally to him, had enabled him to succeed in his attempts. His dedication to work and punctuality in sending assignments before time serve to underline his ambitious nature. I have found him to be a sagacious student and academically he has been among a few outstanding students who enjoy a consistent and good academic record.

He possesses an excellent proficiency in English with lucid expression of thoughts and ideas. This should make him a good prospect for teaching or research responsibilities. He has peerless inquisitiveness and enthusiasm to keep abreast with the latest development in the subject. He is a highly motivated person and can achieve anything by dint of determination. He is extremely hardworking and has accomplished a splendidly consistent academic record.

Bearing his impressive background and caliber in mind, I unequally vouch for the fact that he will be an ideal candidate for this Master's program in your esteemed University. It would certainly be a prudent decision to enlist him as a student in your department.

Academically yours,

(Dr. G. Ashok Vardhan)

LETTER OF RECOMMENDATION

It is my pleasure to recommend Mr. Sunkara Sai Srikanth who is interested in pursuing his Masters at your esteemed university. As a faculty, I have known him personally as he studied in mechanical branch under my guidance.

I taught him "VECTOR CALCULUS & NUMERICAL METHODS". During the course of my teaching, I have observed him to be an extremely hard working, smart working, innovative and sincere student. He has maintained a good academic record in my course. He has an ability to draw on his experiences and develop thoughtful opinions on a variety of subjects.

Sai Srikanth is a highly self-motivated student. He has immense patience to learn and implement his technical knowledge in practice. As an independent thinker, he seeks to learn more and has shown great promise by venturing beyond the scope of the subject syllabi. He keeps himself abreast with the latest developments and goes through various technical knowledge which was evident in technical discussions and interviews that I have had with him.

A student who believes in performing to the best of his ability, He Sai Srikanth will work very hard towards the fulfillment of any responsibility that he undertakes. His zest to constantly be on the learning path and his time-management abilities will surely take him a long way. I strongly recommend him for admission to your college for graduate studies.

Sincerely

(Dr.A.Anupama)

LETTER OF RECOMMENDATION

I am immensely pleased to recommend **Mr. SURAJ KUMAR PANCHAKARLA** who is applying for the Master's program at your university. I have taught him "WIRELESS SENSOR NETWORK". As his teacher, I have found his sincere, responsible, and dedicated to his course of work.

Suraj Kumar is one of the best students I have taught in recent years. He has shown excellent academic performance. After knowing him for past year, he has always managed to showcase his talents. He seized my attention during his presentation on "INTERNET OF THINGS" which he had already completed in his internship.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be helpful for him in future projects.

His work is very disciplined and systematic in addition to his impressive interactive approach and clear expression of thought. With his pleasing manners, proficiency in communicating his ideas effectively, he has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members.

Having known him as a student, I am strongly convinced that **SURAJ KUMAR PANCHAKARLA** will make a significant contribution to your program. I take pleasure in recommending him for admission towards the Master's program in his Field of interest at your prestigious university with possible financial assistance.

LETTER OF RECOMMENDATION

I am pleased to recommend Ms. CHARISHMA KALYANAPU who is applying for the Master's program at your university. She is pursuing Bachelor of Engineering in Electronics and Communication Engineering at our college. I have taught her "WIRELESS SENSOR NETWORKS" and co-ordinated with " TECHNICAL SEMINAR".I have known her for the past two years as my student, and I am sure she will reach the pinnacle of her career through sheer hard work and dedication.

I interacted with her a lot of times and I found her very unique because she stands out when compared to the rest of the students. I found her very creative and she has an excellent grasping power. Unique students are rare to find and when we Professors find one like her, we are happy to be the one to guide her through a particular subject and help her master it, as it will be useful for her in future projects.

Her ability to work with her counterparts and even with her seniors is exemplary. With her pleasing manners, proficiency in communicating her ideas effectively, she has established an excellent rapport with her fellow students and the faculty. She has brilliant team leader skills and is competent in extracting the best out of her team members. She also has good teaching abilities.

Having known her as a student, I am strongly convinced that CHARISHMA KALYANAPU will make a significant contribution to your program. I strongly recommend her for admission to the Master's program at your prestigious university with possible financial assistance.

LETTER OF RECOMMENDATION

I am extremely glad that Ms. Harika Malneedi has decided to pursue her Masters. I had taught her course on "Verilog Large Scale Integration". In the learning process, I find her to be dedicated. She is a student who works with conviction.

In my view, I have found Ms. Harika Malneedi to be an outstanding student who is highly responsible and intelligent. She is a disciplined student who bears a pleasant disposition. Her excellent communication skills add to the impressiveness with which she delivers lectures and presents seminars. She maintains perfectness in all aspects and completes the work within the stipulated time.

She is very pleasant and shows good manners while interacting with faculty members and peers. With her excellent communication skills, she gets along with people well and she is a good team player. Her knowledge, ability and punctuality were undoubtedly the best talks presented by any student. She actively served as a volunteer at NATIONAL WOMEN'S PARLIAMENT on 10th, 11th and 12th Feb, 2017. On a personal note, she comes across as a very helpful and polite student.

Her intense desire to study further, to strengthen her academic proficiency and her attitude to always give her best distinguishes her from other students in her class. Harika Malneedi makes an excellently suitable candidate for taking up graduate studentship. I wholeheartedly recommend her for graduate studies at your esteemed institution.

LETTER OF RECOMMENDATION

It gives me immense pleasure in bearing testimony to the excellent character and conduct of Ms.SHAIK SHABUL who is interested in pursuing her academic career in your esteemed university. I only recommended students whom I feel are well suited for the program of their choice. She has been under my tutelage for the past four years. Over these years I have taught her "WIRELESS SENSOR NETWORK" course.

Through my observation, I would like to say that she is attentive, articulate and studious. Her ability to visualize and link together the fundamentals of each subject makes her an ideal student. Considering her tenacious, technical ambitions and her ability, I have great confidence that she would occupy the apex position in the field of her interest.

Her intellectual prowess and capacity for experimentation are excellent. Her extensive knowledge and natural ability to understand things often astound me when I connect with her. She is deserving of praise for her academic capacity and sheer effort. By interacting directly with the instructors and actively being involved in a variety of extracurricular activities, she demonstrated a strong desire to broaden her knowledge. In her last semester, she successfully carried out a project, demonstrating his leadership and organisational skills.

In my view above, a person of his calibre can excel in this stimulating and challenging environment of graduate research. I am certain with her dedication and motivation, She will turn into an outstanding graduate student. Hence I strongly recommended him for the Master program in your esteemed university. I wish her all the best and in case of any further queries feel free to contact me at my mail id mentioned above.

LETTER OF RECOMMENDATION

It gives me immense pleasure in bearing testimony to the excellent character and conduct of Ms. **Dodda Venkata Sushma** who is interested in pursuing her academic career in your esteemed university. I only recommend students whom I feel are well suited for the program of their choice. She has been under my tutelage for the past two years. Over these years I have taught her 'Wireless Sensor Network' course.

Through my observation, I would like to say that she is attentive, articulate and studious. Her ability to visualize and link together the fundamentals of each subject makes her an ideal student. Considering her tenacious, technical ambitions and her ability, I have great confidence that Ms. **Dodda Venkata Sushma** would occupy the apex position in the field of her interest.

She has excellent intellectual and experimental abilities from the beginning. During my interactions with her, she always amazes me with her in depth knowledge and innate ability to grasp. Her intellectual potential and sheer hard work are worthy of mentions. She showed a great deal of interest in widening, her knowledge by closely interacting with the faculty and actively involving and participating in various extracurricular activities. Her leadership and organizing capabilities were proved when she was successful in conducting a project in her last semester.

In my view, a person of her calibre can excel in this stimulating and challenging environment of graduate research. I am certain with her dedication and motivation. Ms. **Dodda Venkata Sushma** will turn into an outstanding graduate student. Hence, I strongly recommend her for the Master program in your esteemed university. LETTER OF RECOMMENDATION

I am writing this letter in support of Ms. AmmineniJahnavi who is a student of Electronics and Communication Engineering at our college. In my capacity as an associate professor of the department of Electronics and Communication engineering, I have known her for the past 3 years and have found her to be an aspiring and sincere student.

I have handled the courses of "Micro Processors and Micro Controllers" in which she has done exceptionally well with an excellent score. She possesses good conceptual knowledge in the subjects and methodical work has helped her in developing a broad perspective as well as mastery over fundamentals. She has an ability to voice her ideas clearly, which greatly enhances her clarity in problem solving when approached by fellow students. Her extreme interest, persistent attitude and intellectual curiosity drive her to get deeply involved in her work and excel in it.

Her major assets are her communication skills, clarity of expression and articulation. She has the necessary potential to achieve academic goals quite smoothly. Her consistent academic performance makes me easy to rate her top among her peers and she is characterized by sense of responsibility, promptness, conscientiousness, endurance and self-confidence.

In my unbiased opinion she has a rich blend of creativity and commitment required for a person who desires further studies in communication engineering. All the above qualities coupled with her pleasing demeanour, adaptability and proactive approach have convinced me to grade her among the good students. Considering her keen interest in pursuing higher studies and her preference for research oriented study, I strongly recommend her for admission into your Master's program with all possible assistance.

LETTER OF RECOMMENDATION

It is with great pleasure that I write this Letter Of Recommendation for Mr. Donepudi Naga Sahith. I have tutored him "Electronic Devices Circuits", "DICA" in third and final years. I was able to gauge that he has an analytical mind and is able to grasp the new things very quickly.

Mr. Sahith is always sincere and highly interested in these subjects. His dedication towards the academics was evident from his good grades in these subjects. He showed his great dedication in the course assignment. He always found alternatives and solutions for every challenge the professor had given in the class. During this I found him to be an assiduous innovative and enthusiastic student.

One of the qualities I really appreciate in him is his high level of involvement and enthusiasm for learning advanced topics and new software tools. Whether it is course work or any course assignment he never lacked zeal and patience. His participation in extra-curricular activities is worth mentioning. This positive attitude made him a good team player. He is highly motivated towards his career and has matured intellect. He is quite capable of handling responsibilities in any position.

I therefore, highly recommend him for his higher studies at your esteemed university.

With all the necessary aid that he deserves, I am sure that he will keep up to this potential and bring laurels to your institution. I wish him all the success in his future deeds.

Rajani

University of Cincinnati Graduate Admissions Recommendation

1 message

University of Cincinnati <grad.admissions@uc.edu>
To: dprasad@mictech.ac.in

Fri, Feb 10, 2023 at 11:52 PM

Dear Mr. D,

Thank you for taking the time to write a recommendation on behalf of Akhila Mulakalapalli. Every year we receive thousands of applications for our graduate programs at University of Cincinnati. Letters of recommendation provide us with important insights about a student's leadership and academic skills and abilities, allowing our admission committees to make better-informed decisions.

University of Cincinnati seeks to recruit the best and brightest students for our graduate programs. We offer nearly 400 graduate degree and certification programs that provide students with opportunities to generate knowledge and discovery that benefit society. As a Research 1 university, University of Cincinnati offers traditional graduate degree programs as well as part-time programs for working professionals, delivered both through in-person and online modalities.

If you know of any other outstanding students that may be interested in pursuing a graduate degree or certification at University of Cincinnati, please encourage them to view UC's Majors & Programs Portal >> to learn more about the programs we offer, admission information, and program contact information.

Once again thank you for your recommendation for Akhila Mulakalapalli. We hope that we may hear from you again should you know of any other promising candidates who would benefit from graduate study at University of Cincinnati.

Sincerely,

Graduate Admissions
University of Cincinnati

LETTER OF RECOMMENDATION

I am writing this recommendation letter to you in support of Ms. **MULAKALAPALLI AKHILA** on her desire to be a part of your university and to seek admission for higher studies at your university. I know her for past three years as an undergraduate student and found her to be an aspiring and sincere student. I was able to determine her initiate abilities to understand the basic concept and apply them to tackle the problems associated with it.

I find her to be hard working, diligent and sincere in her efforts and feel that her practical and logical approach of handling the problems presented should be brought to your notice. Relationship with this particular student became strong when I handled subject like "**SOFTWARE ENGINEERING**". She has performed exceptionally well in the academics and in the lab as well scoring excellent grades in theory and laboratory.

Ms. MULAKALAPALLI AKHILA is quite ambitious and career driven. She works hard to achieve her goals and is committed to her work. Her ability to organize her time efficiently and her meticulous preparation will be an asset to her research team. Her self-confidence and optimistic approach to solve even the most difficult problems are worth mentioning, her systematic and focused approach has always ended in her good academic performance. Her ability to visualize and link together the fundamental of each subject marks her as an ideal student for research. She has brilliant leadership skills and competent of extracting the best out of her team.

With a good sense of foresight she has always been a foot forward to all her fellow students in all aspects of circular activities. I feel she is one of the best students and recommend her candidature for admission which gives her an opportunity to prove at your university. It is my earnest hope that you accept her application to your university.

LETTER OF RECOMMENDATION

I am writing this recommendation letter to you in support for Ms. Chakka Likitha Ratna on her desire to be a part of your university and to seek admission for higher studies at your university. I have known her for the past four years during her under graduation degree in of DVR & Dr. HS MIC College of Technology. I have been her course mentor for the subjects "CLOUD COMPUTING" known her well during her course of study in this institute, I have the opportunity to observe and appreciate her academic caliber, as well as the versatility of her personality, and I would rank her among the 10% of the students I have taught in my experience.

Ms. Chakka Likitha Ratna has distinguished herself as one of the best students in department. She was active and diligent class participant and brings together an Engineers analytical approach, a keen grasp of basic facts coupled with Theoretical knowledge, which she applies effectively to problem solving. She is an ardent learner and likes to go beyond the theoretical purview to practical applications of her subjects. She has shown tremendous energy and boundless enthusiasm to participate, plan and organize various intra and inter collegiate events. She effectively clarifies the doubts of the students of her own class, as well as her juniors.

In a nutshell, Ms. Chakka Likitha Ratna is a multifaceted person with a zeal for academic, cultural and extra-curricular activities. I am confident that your esteemed university will be an ideal place for her to improve upon her existing skills through pursuing a Master's Program. I strongly recommend her for admission to the graduate program with financial assistance.

LETTER OF RECOMMENDATION

I take immense pleasure to recommend **Mr. KAMMILI DAMODAR** for his admission in your esteemed school. He has learned the subject "**DATABASE MANAGEMENT SYSTEMS**" under my guidance and supervision. It is during this period that I observed his enthusiasm and zeal to learn these subjects. He is one of the most conscientious and eloquent student. Concerned about his studies he is always indubitable.

Mr. KAMMILI DAMODAR always studious and interested in these subjects. His dedication towards the academics is sublime and is evident from her excellent grades in this subject. He is a diligent and hardworking student. He is very quick at grasping concepts. He has consistently performed well in the class and has a good understanding of the fundamentals along with a strong desire to learn and enrich his knowledge.

I greatly admire him for having the desire to understand even complex subjects that are not included in the curriculum. As one of the top students in the class, he has distinguished himself. He has a wide range of innovative thoughts and is a good observer and quick learner.

He has shown his spontaneity, sheer knowledge and ability to grasp quickly during the class hours which are dedicated to seminars related to this subject. He has good academic career and has shown a pragmatic approach towards his studies. I find him to be a dedicated and industrious student. This can be demonstrated by his academic performance and I am very confident that he will excel in his higher studies and he will be a prospect for the future of your university.

LETTER OF RECOMMENDATION

I am pleased to recommend Ms. **BANDALAMUDI SAI MEGHANA** for the master's program in your university. I have known her from last 4 years. She is one of the most promising students I have come across.

She has been my student in "**SOFTWARE ENGINEERING**" in 6th semester. During the period of my association with her I was able to gauge her innate abilities to understand the basic concepts and apply them to tackle the problems associated with it. I'm fully confident about the knowledge in her graduation and I would rate her among the top 10% within the class of 59 students.

As a student she was dedicated to her assignments given to her and finished them on time. She was always been a hard worker and I am impressed with her quick perception and in her reproduction of concepts. Her application is praiseworthy. Perseverance, sincerity and thirst for knowledge have always been the hallmark of her personality.

She has also taken seminars in our college. Proficiency in English through knowledge of the subject coupled with the style of her teaching in a clear and lucid manner made her seminars very interesting and informative. She also has the rare quality of time management and strikes the right balance between her academic and personal commitments. Her maturity, competence and ability to work diligently indicate that she can perform well these strengths and co-operative nature. I firmly believe you would make her a successful candidate for pursuing higher studies in your university.

With full confidence in her abilities, I personally have a strong feeling that Ms. **BANDALAMUDI SAI MEGHANA** is a deserving personality for masters at your esteemed University along with a suitable financial support.

LETTER OF RECOMMENDATION

I am writing to you in support of **Mr. Sankuru Manoj Kumar** and his desire to attend your university for doing Master's program. I have assessed him in the subject "**Software Engineering**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extracurricular activities impressed me immensely.

Mr. Sankuru Manoj Kumar possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems, which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from the technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am highly pleased to recommend **Mr. ASILETI RAJA RANJITH KUMAR** for a Master's in your esteemed university. I have taught him "SOFTWARE TESTING METHODOLOGY" and "SOFTWARE ENGINEERING". He always has a positive attitude towards studies. As per my observation, he is attentive, intellectual, and intelligent.

I found him a good listener, hardworking and active partner in class discussions. During three years of acquaintance with him, the remarkable quality that impressed me was his analytical thinking. He quickly understands the basic principles and concepts from his academic subjects and tries to implement them at the earliest. He has shown great interest by venturing beyond the scope of the matter. His inquisitive mind, analytical skills, and good interpretation skills will significantly facilitate research work at your university.

Apart from his studies, he is good at organizing activities and events. His excellent interpersonal skills make him quickly get along with classmates and teachers. He is emotionally mature and stable. He has excellent proficiency in English, which makes him express his ideas and thoughts clearly.

Judging from the above aspects, I can confidently state that **Mr. ASILETI RAJA RANJITH KUMAR** possesses the necessary qualities of passion, dedication, determination, and intellect to meet the graduate program requirements at your esteemed university. I highly recommend him for the Master's program at your reputed institution. I am optimistic that he can complete the course. I would be happy to provide you with any further information you require about him.

LETTER OF RECOMMENDATION

I am delighted to recommend **Ms. SAI SRI BOLLA**. As a Head of the Computer Science and Engineering Department at DVR & Dr .HS MIC College of Technology, I have known her for four years of her under-graduation at our college. My appraisal of her application for graduate studies is based on my acquaintance with her.

I have been able to gauge her strengths and abilities. She has a terrific ability to draw on her experiences and develop thoughtful opinions on a variety of issues. I taught her "**SOFTWARE ENGINEERING**". She is an individual with good subject involvement. She is a keen observer and a quick grasper with a wide range of innovative ideas.

Ms. SAISRI BOLLA is driven by inspiration, assimilated by new ideas, and guided by strong fundamentals. She has an ardency for technological innovations in the contemporary world. This is visible in the field she chose for her academic project. She could converse fluently and very coherently and was successful in explaining her points clearly in project presentations.

To sum up, I would like to say **Ms. SAISRI BOLLA** is a hardworking, courteous individual, who in my opinion is well suited for research. Her aptitude which combines perseverance, commitment, and creativity will certainly make her a valuable member of your institution. I strongly recommend her candidature and will be glad to entertain any further communication in this regard.

LETTER OF RECOMMENDATION

I am highly pleased to recommend Mr. TIRUPALA DURGA PRASAD for a Master's in your esteemed university. He has been my student incapacity of his academic guide and mentor. I have taught him "SOFTWARE TESTING METHODOLOGY". He always has a positive attitude towards studies. As per my observation, he is attentive, intellectual, and intelligent.

I found him a good listener, hardworking and active partner in class discussions. During three years of acquaintance with him, the remarkable quality that impressed me was his analytical thinking. He quickly understands the basic principles and concepts from his academic subjects and tries to implement them at the earliest. He has shown great interest by venturing beyond the scope of the matter. His inquisitive mind, analytical skills, and good interpretation skills will significantly facilitate research work at your university.

Apart from his studies, he is good at organizing activities and events. His excellent interpersonal skills make him quickly get along with classmates and teachers. He is emotionally mature and stable. He has excellent proficiency in English, which makes him express his ideas and thoughts clearly.

Judging from the above aspects, I can confidently state that Mr. TIRUPALA DURGA PRASAD possesses the necessary qualities of passion, dedication, determination, and intellect to meet the graduate program requirements at your esteemed university. I highly recommend him for the Master's program at your reputed institution. I am optimistic that he can complete the course. I would be happy to provide you with any further information you require about him.

Hi Mr. D,

We successfully received your letter of recommendation for Priyanka Jamallamudi to Kent State University for the Data Science program.

Kent State continually seeks to add to our graduate community. If you know any other students who might be a good fit for any of our programs, please consider having them reach out to our office.

Graduate Admissions is here to help students find the right program for them, guide them through the application process and connect them with our award-winning faculty. We can be reached at 330-672-2444 or gradapps@kent.edu.

Thank you for your time and consideration.

LETTER OF RECOMMENDATION

It gratifies me to give this letter of recommendation to **Ms. JAMALLAMUDI PRIYANKA**. I was faculty for the subjects "**SOFTWARE ENGINEERING**" and "**SOFTWARE TESTING METHODOLOGIES**". During my interaction with her in the class, I observed that she is inquisitive and urges to gain an in-depth knowledge in all aspects

Ms. JAMALLAMUDI PRIYANKA was a very sincere student and displayed sufficient motivation to excel in a research kind of environment. The reason I say this is because she always took initiative to learn more about the subject. She would come up with intelligent and issue-based questions in class that reflected that she would have done her homework on the subject properly. Her assignments were precise, well supported, organized, and timely and showed her liking towards practical implementations. This was evident from several lab assignments she worked on. During the Software Testing lab sessions, she always tried something new apart from her class work. She never gave up when she was stuck at something, she would try hard until she gets the right solution. Her ability to work with counter parts and even with her seniors is exemplary. With her pleasing manners, proficiency in communicating her ideas effectively, she has established an excellent rapport with her fellow students and the faculty. She has brilliant team leader skills and is competent of extracting the best out of her team members. Her performance in the course has been superior, impressing me with her commitment to learn and think innovatively. She is a student with self-reliance and good levels of self-confidence.

Apart from scoring good grades in her exams she actively participated in the departmental fests that were conducted. This proves that she has aptitude for co-curricular and extra-curricular record. She was part of many social service activities. She has also illustrated competent leadership qualities while organizing various technical and non-technical events at department and college level.

Ms. JAMALLAMUDI PRIYANKA has discussed with me her interest in master's program. With her background and work experience, I feel that she does have the right aptitude to excel in any graduate level program. She would definitely prove to be a valuable contributor to the projects and work going on at your university. I strongly recommend her to your program for admissions and also for financial assistance.

LETTER OF RECOMMENDATION

I take immense pleasure to recommend **Mr. PATHI PRAVEEN**, into your prestigious institution. My association with him has given me a Sample scope to assess his capabilities very closely, both academically and personally. As an Associate Professor of Department of Computer Science & Engineering. I have known him very well and during his undergraduate studies. I had an opportunity to closely interact with him. During his studies, I had taught him the subject "**SOFTWARE ENGINEERING**" where I came to know this person who showed keen interest in the subject and curiosity to learn.

He is a steady understudy with a serious level of inspiration and responsibility. He can become familiar with the complexities of the subjects of his specialization just as subjects which are interdisciplinary. He has consistently been standard in his work and has shown a characteristic tendency towards the functional part of the subject. He has shown distinct fascination for study hall conversations and his enthusiasm to find out about the subject and persistence to test and learn makes his an ideal individual for exploration and assignments requiring unique musings. I rate his in top 10% among the undergraduates of his group.

He has been curious and has exhibited superb force of perception. I'm exceptionally dazzled with the colossal measure of assurance and devotion he shows towards finding out more and concentrating for this. His great relational abilities have assisted him with producing solid associations with individual undergraduates and different individuals from our staff. All in all, I have discovered him to be an understudy with enormous potential to surpass.

Generally speaking, I am sure that **PATHI PRAVEEN** with his earnestness, assurance and commendable scholarly capacities would end up being a resource for your college. Besides, his scholarly capability will contribute altogether to research and in this way I firmly suggest him for graduate examinations at your regarded college with the conceivable monetary assistantship.

LETTER OF RECOMMENDATION

I take immense gratification in presenting my student Ms. MALLELA PRIYANKA who is zestful to pursue higher studies at your institution. She has pursued her Engineering course under my superintendence and hence I consider myself to be decisively placed to reckon her predilection and endowments. She is a very profound and diligent student with sufficient inspiration to overshadow in her chosen field of studies. I have known Ms. MALLELA PRIYANKA for a good period of four years during which, I taught her "DATA STRUCTURES" and "DESIGN AND ANALYSIS OF ALGORITHMS" in her third and sixth semesters respectively. As head and associate professor of computer science department, I work with many students who have sizeable knowledge of computer science.

She is sedulous student with a high degree of motivation. Her ability to organize her time efficiently and her meticulous preparation will be an asset to the research team. I have found her to be a student with high intellect and keen analytical thinking. Her self-assurance and optimistic approach to solve even the most difficult problems are worth mentioning. She has superb problem-solving skills. During discussion of the case studies, she was highly potent in applying the course material in analysing the problem situations. Each year I heed that only a few outstanding students offer a unique perspective and really embrace their enlightenment of subject matter.

Ms. MALLELA PRIYANKA evinced her oral articulateness in the discussion sections of case studies that were an integral part of the computer science course. She explained her views very succinctly and gave analytical arguments that were both explicit and compelling. She continues to impress me with her knowledge, skill and dedication to her work. I am sure you will find her to be a student whose talents will only shine further through your graduate program.

LETTER OF RECOMMENDATION

As the Associate Professor of Department of Computer Science Engineering, it gives me great pleasure to write this recommendation letter for Ms. GAMPA RAJESWARI. I have been her course mentor for the subject “OPERATING SYSTEMS” known her well during her course of study in this institute, I have the opportunity to observe and appreciate her academic caliber, as well as the versatility of her personality, I would rank her among the 5% of the students I have taught in my experience.

Ms. GAMPA RAJESWARI has distinguished herself as one of the best students in department. She was active and diligent class participant and brings together an Engineers analytical approach, a keen grasp of basic facts coupled with Theoretical knowledge, which she applies effectively to problem solving. She is an ardent learner and likes to go beyond the theoretical purview to practical applications of her subjects. She has shown tremendous energy and boundless enthusiasm to participate, plan and organize various intra and inter collegiate events. She effectively clarifies the doubts of the students of her own class, as well as her juniors.

In a nutshell, Ms. GAMPA RAJESWARI is a multifaceted person with a zeal for academic, cultural and extra-curricular activities. I am confident that your esteemed Institution will be an ideal place for her to improve upon her existing skills through pursuing a Post Graduation Program. I strongly recommend her for admission to the graduate program with financial assistance.

LETTER OF RECOMMENDATION

It is with immense pleasure that I would like to recommend one of my students Mr. Raviteja Pola, who is applying to your esteemed University to pursue his Master's Program. As his professor, in the 1st semester, I taught him 'Computer Programming' and was able to script about him.

Mr. Raviteja Pola is an exceptionally talented individual with a diverse range of abilities that immediately distinguish him from his contemporaries. He has participated and excelled in lot of seminars conducted by different departments across the institution. I observed his organizational skills, communication skills, enthusiasm, and adaptability through his presentations and seminars at the institution, which provides him an added benefit over his peers. He is also capable of performing practical tasks independently as well as extending good collaborative interactions. He gets along well with his teachers, mentors and fellow students. His conceptual ability along with his creative attitude is exhibited both in and out of the classroom.

He also has remarkable problem-solving skills coupled with a very good analytical ability. He regularly brought up new ideas and innovative concepts with his fellow students, revealing his inquisitiveness and urge to learn more. He has done a good amount of hands on projects and showcased them on institutional level events. I was intrigued by his ability to interpret theoretical knowledge into practical understanding. His competence and efficiency are proved by his academic and extracurricular activities and I can assess him to be among one of the top students I have taught. He is one of the two students who got placed in an MNC in software industry from mechanical engineering background. This shows his curiosity in learning things apart from his academics.

I regard him as having a great chance of being an outstanding graduate student. I am confident that he will continue to succeed in his higher studies also. He has my highest endorsement for admission into his desired course at your esteemed university, preferably with financial aid.

LETTER OF RECOMMENDATION

It is my immense pleasure to support Cherukuri Sahithi Divya's candidature to your institution for masters at your university. Currently, I hold the designation of Head of the Department, Computer Science and Engineering in DVR & Dr.HS MIC College of Technology. I am associated with her as a mentor for the Final Capstone Project in the 8th semester and as a course instructor. Apart from being a mentor, I also taught her subjects like "Advanced Data Structures", "Database Management Systems". During this tenure, I noticed her to be extremely dedicated and diligent as she constantly strives for excellence in every task she takes up.

Being a faculty member and HOD, I had always encountered positive feedback from fellow professors. Her achievements in my classes were indicative of her caliber as a student. She was very inquisitive and enthusiastically participated in classroom discussions. She went beyond the requirements for her assignments every time, highlighting her deep interest in the field. She continuously proved her ability to lead a team through collaboration, sharing ideas and encouraging her peers.

Sahithi Divya is well recognized among the juniors. She actively guides them in their studies or projects whenever they approach her. She is always calm and composed, so everyone always loved to interact with her. I was also impressed with her time management skills. She is always on time for her classes and never failed to meet any deadlines. Despite having multiple assignments to complete in a semester, she neither delays the submissions nor asks for extra time.

She has substantial knowledge in Object Oriented Programming Language, Data Management Systems, Web Technologies, and AWS Cloud. This was demonstrated by the work she did in her Internship "AWS Virtual Cloud" and she is playing a role of team leader in the major Project of the last semester.

It does not come to me as a surprise that after four years of pursuing bachelors, she is still eager to pursue Master's. I strongly recommend Sahithi Divya for her post graduate studies in your institution. Her keen desire to explore and learn will take her far ahead in life. I wish her all the best for her graduate studies. Please feel free to contact me in case you have any queries regarding this recommendation.

Dear Prasad D,

Sai Teja Vegi has applied for Graduate School admission in the Computer Science Master's program for Fall 2023 at Michigan Technological University. In order to help us determine if the applicant will succeed in attaining an advanced degree from Michigan Tech, the applicant has requested that you provide a letter of recommendation. **We ask that you use the link below to provide your recommendation, do not reply to this email.**

Personal message from Sai Teja: Respected sir,
Please submit my online letter of recommendation

To complete their request and provide a recommendation as soon as possible, please visit: <https://go.mtu.edu/refer/?7038554356368608>

Thank you,

LETTER OF RECOMMENDATION

I feel very contented recommending **Mr. VEGI SAI TEJA** to your esteemed institution. He had a good rapport with the faculty during his interaction with the department in his undergraduate program. He is extremely diligent and accomplished a consistent academic record. I taught him "**WEB TECHNOLOGIES**" course. I had observed him to be resourceful and good in practical sessions.

His keen interest towards the subject and punctuality in the submissions shows his determination and dedication towards his career. He is an active listener with tremendous problem-solving ability. He is one among those who thinks in all possible directions. He is very methodical in his work and possesses good analytical skills. Whenever he is skeptical about the topic, he clarifies it at that instant which benefits his peers too. Also, at times I would find him helping his batch members.

Apart from his theoretical knowledge, Mr. VEGI SAI TEJA also exhibited his empirical proficiency through his lab course work. Also, he participates frequently in various extracurricular activities such as sports, cultural events, etc. which represents his all-round development. He is an extrovert person who can easily gel with the people around, a quality with which he can mingle in any team easily.

Looking as a whole, I see him as a person who possesses all the qualities an individual should have. As your university encourages talent, a student like Mr. VEGI SAI TEJA with innate and extrinsic skill set when given a chance, will excel in his work and be an asset to the institution.

LETTER OF RECOMMENDATION

I have known **Mr. SOM SEKHAR BURADA** for the past four years which enabled me to assess his both academically and on a personal level. He is among the few students who can channelize their effort towards their goals. He was under my tutelage for subjects "SOFTWARE ENGINEERING".

His organized approach and constructive attitude set him apart from others. He is also held in good esteem by many other faculty members. I can confidently vouch for his sincerity, integrity and soundness of his Judgment. His analytical skills are very good and he is excellent at communicating his ideas. His enthusiasm to learn new topics and gain insight into the subject emphasizes his highly ambitious nature and incessant zeal to make innovative advances. His zeal for learning is intriguing.

Maintaining steadfast commitment and persistent hard work, he was able to score excellent grades consistently. As a Head of the Department I am always aware of **Mr. SOM SEKHAR BURADA's** achievements in both academic and extracurricular activities, he represented our college in various inter college competitions and received various appreciations for his achievements. His practical knowledge about subjects like cloud, data structures, data mining and operating systems is excellent.

I view him as a student who has the right attitude and aptitude to further his studies in a highly research oriented ambience. Given the opportunity, I believe that he will be benefited from the program that he has chosen at your university. I strongly recommend **Mr. SOM SEKHAR BURADA** for an admission into your esteemed university with possible financial assistantship and I wish him good for future.

LETTER OF RECOMMENDATION

I am writing this recommendation letter to you in support of Ms.NALLANI VANITHA on her desire to be a part of your university and to seek admission for higher studies at your university. As a head of the department I know her for past four years as an undergraduate student and found her to be an aspiring and sincere student. I was able to determine her initiate abilities to understand the basic concept and apply them to tackle the problems associated with it.

Relationship with this particular student became strong when I handled subject like "SOFTWARE ENGINEERING". She has performed exceptionally well in the academics and in the lab as well scoring excellent grades in theory and laboratory.

Ms.NALLANI VANITHA is quite ambitious and career driven. She works hard to achieve her goals and is committed to her work. Her ability to organize her time efficiently and her meticulous preparation will be an asset to her research team. Her self confidence and optimistic approach to solve even the most difficult problems are worth mentioning, her systematic and focused approach has always ended in her good academic performance. Her ability to visualize and linking the fundamentals of each subject makes her as an ideal student for research. She has brilliant leadership skills and competent of extracting the best out of her team.

With a good sense of foresight she has always been a foot forward to all her fellow students in all aspects of circular activities. I feel she is one of the best student and recommend her candidature for admission which gives her an opportunity to prove at your university. It is my earnest hope that you accept her application to your university with financial assistance.

LETTER OF RECOMMENDATION

I feel happy to write this letter of recommendation for Ms. VENKATA KANAKA DURGA GRANDHI who is an energetic young woman with commitment towards academics, cultural, and extra curricular activities. As faculty member of the Department of Computer Science & Engineering, I have known her very well and during her undergraduate studies, I had an opportunity to interact with her. During her studies, I had taught her the subject "**COMPUTER PROGRAMMING**" where I came to know this person who showed keen interest in the subject and curiosity to learn.

To begin with, Ms. VENKATA KANAKA DURGA GRANDHI has been an engaging member of the class. Her cheerful and fun-filled attitude is complimented with eagerness to help her fellow classmates. Her positive attitude led her to cultivate many interpersonal skills which she showed during organizing events in the department. She is one of the highly intellectual students in her class. She outshined in leading teams in both academic and extra-curricular activities. She always uses to lead teams and her distinctive communication skills made her express freely and clearly, which helped her to communicate her leadership nature. Her sincerity and hardworking nature are noteworthy.

I recommend this student to your university and with all my observations, I am sure that she will be successful in her career, I wish her all success and growth.

Illinois Tech Recommendation Request <grad.recommend@iit.edu>
To: "dprasad@mictech.ac.in" <dprasad@mictech.ac.in>

Tue, Oct 11, 2022 at 7:38 PM

Dear Prasad Devarasetty,

I have started an application to the Master in Information Technology and Management program at Illinois Institute of Technology, College of Computing and request a letter of recommendation from you. My application will be reviewed within the next two weeks and I would greatly appreciate if you could complete my recommendation in this time frame.

Guidelines for Letters of Recommendation

Letters of recommendation should include the following:

- A testament to the applicant's skills, academic ability, and potential for graduate-level studies.
- Specific examples of how the applicant's skills, academic ability, and potential for graduate-level studies have successfully prepared them for their chosen field of study.

Please complete your recommendation by providing examples of support through our secure website. To submit your recommendation, please use the link below. This link is unique to this recommendation and should not be shared or forwarded.

[Submit Recommendation Here](#)

If you have any questions about the recommendation process, please feel free to contact us at admissions@id.iit.edu or 312.567.3020.

Thank you for your time and support!

LETTER OF RECOMMENDATION

I feel privileged to write about the potential of Unnam Venkata Bhanu Prasad for an admission into graduate program at your prestigious university. I was his mentor right from the beginning of his undergraduate study. I instructed him in “C Programming” which has given me ample scope to assay his abilities very closely, both academically and personally.

He is a conscientious worker and his ability to manage time effectively and efficiently always proves advantageous to his peers. Despite being from Mechanical stream, he showed a keen interest in deep computer fundamentals and is well versed in C, Java and SQL and has an excellent knowledge of web technologies. He is very diligent and constantly strives for deeper understanding of the subjects.

He maintains a very good rapport with his instructors and fellow students. He is very confident, very optimistic and never waits for opportunities rather creates them. He is a very active participant in the class discussions. His presentations of reports and seminars have been very good, indicating impressive communication skills and good command over the English language. I found him highly motivated to do graduate studies and research. He has a rare blend of top writing and interpersonal skills.

I feel that his diligence and pragmatic analysis represent him competency towards research. Hence, I strongly recommend him to be considered as the potential candidate for admission to the graduate program in your esteemed university with full financial assistance. I wish him all the success in his pursuits of academic advancements and career.

LETTER OF RECOMMENDATION

I am writing to you in support of **Mr. NIZAMUDDIN SHAIK** and his desire to attend your university for doing Master's program. I have assessed him in the subject "**SOFTWARE ENGINEERING**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extracurricular activities impressed me immensely.

Mr. NIZAMUDDIN SHAIK possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems, which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from the technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am contented to endorse this letter of recommendation in favor of **Mr. SAI SANDEEP VADLAMUDI** who is keen to pursue higher studies at your institution. I know him for the past four years as an undergraduate student, where I had taught him the courses in the field like **COMPILER DESIGN** in 7th semester and have been instructor for laboratory courses like **"COMPUTER NETWORKS"** in 6th semester.

Aesthetic programming skills, perseverance and tenacity to complete the work assigned in him. His keen insight into the learning process and innovative thinking made him participate in various technical symposiums conducted in the college. He is an intelligent, hardworking student with excellent creative and observation skills. He can carryout practical work independently and also extended good cooperation in teamwork. He has also worked under my supervision in organizing lab and Department works.

High grasping power and ability to reason logically seem to come naturally to him. His manners are quite pleasing and he has a natural drive to come up with solutions for problems since he has a sound knowledge of the concepts taught in class. He is enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. He is willing to go ahead and get a comprehensive picture of things, rather than acquiring a surface understanding.

On associating with him, I have found him to be attentive and enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. His ability to convince people has always impressed me. Good communication and organizational skills help him to be at the forefront of organizing seminars. Undoubtedly, he will be a source of inspiration for others.

Considering his academic excellence and effective communication skills, I rank him among the top 10% of the students of his class. I recommend him in the strongest terms for admission to the Graduate Program at your University preferably with financial aid.

LETTER OF RECOMMENDATION

I am writing this recommendation letter to you in support of Ms. LEELA SAI SWETHA EJJADA on her desire to be a part of your university and to seek admission for higher studies at your university. I know her for past four years as an undergraduate student and found her to be an aspiring and sincere student. I was able to determine her initiate abilities to understand the basic concept and apply them to tackle the problems associated with it.

Relationship with this particular student became strong when I handled subjects like “ADVANCED DATA STRUCTURES” and “DATABASE MANAGEMENT SYSTEM”. She has performed exceptionally well in the academics and in the lab as well scoring excellent grades in theory and laboratory.

Ms. LEELA SAI SWETHA EJJADA is quite ambitious and career driven. She works hard to achieve her goals and is committed to her work. Her ability to organize her time efficiently and her meticulous preparation will be an asset to her research team. Her self confidence and optimistic approach to solve even the most difficult problems are worth mentioning, her systematic and focused approach has always ended in her good academic performance. Her ability to visualize and link together the fundamental of each subject marks her as an ideal student for research. She has brilliant leadership skills and competent of extracting the best out of her team.

With a good sense of foresight she has always been a foot forward to all her fellow students in all aspects of circular activities. I feel she is one of the best students and recommend her candidature for admission which gives her an opportunity to prove at your university. It is my earnest hope that you accept her application to your university with financial assistance.

LETTER OF RECOMMENDATION

I am writing to you in support of Mr. VENKATA SAI RAHUL TEJA KANCHARLA and his desire to attend your university for doing Master's program. I have assessed him in the subject "**DATA STRUCTURES THROUGH C**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extracurricular activities impressed me immensely.

Mr. VENKATA SAI RAHUL TEJA KANCHARLA possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems, which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from the technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

It gives me a sense of great happiness to write this letter of recommendation for Ms. Challagolla Manasa who is intending to pursue masters at your prestigious university. Based on my association with her for three years as her professor of the subjects titled Soft Skills and 'Effective Technical Communication', I can vouch for her abilities and focused sense of direction in life.

Manasa is a studious student with a rare ability of logical and intuitive thinking. She is a talented and intelligent student. She enjoys the ability to comprehend, conceptualize and analyze a state of affairs. In my regular interaction with her, I have found her to be diligent, dedicated and meticulous in her approach. She takes part in extracurricular activities besides excelling in academics.

I would like to conclude that she is a person who gives utmost importance to her works and works on them with a robust work ethic and discipline. I strongly recommend that you give her a chance to prove her competence in the world of Computer Science. I am certain she will make you proud with her industriousness and commitment.

LETTER OF RECOMMENDATION

It is with a sense of delight that I recommend Ms. PONNAM JAYA NAGA SAI SREENEELA desires to pursue masters at your prestigious university. I have a close association with her for past three years, being his professor for 'English', 'Effective Technical Communication' and 'Soft Skills'. It gave me an opportunity to observe her and monitor her skills and personality.

SREENEELA is a learner with a rare ability for logical and innate thinking, she has proved herself to be a proficient and intelligent student. Her capacity to understand a trouble and to conceptualize and analyse a situation desires a mention. Her Interactive skills makes her stand out among her peers.

During classroom and personal interactions with her, I have found her to be vigilant and meticulous in her approach. She takes part in extracurricular activities besides excelling in academics. She worked for our college's techno-management fest Aagama. She has actively participated and excelled in several technical events.

I can confidently state that SREENEELA was a step ahead of most of her peers when it came to experimenting with her learning. And she is a person who gives utmost importance to her pursuits and works on them with a robust work culture and discipline. I strongly recommend you give her a chance to prove her competence in at your esteemed university. I am certain she will make you proud with her industriousness and commitment.

LETTER OF RECOMMENDATION

Dear Admissions committee,

I am pleased and proud to introduce one of my best students Mr. Pavuluri Nikesh. I have known him for more than three years of his academic career and I am delighted to write a letter of recommendation for him because, apart from his perceptiveness in his studies, he is a critical thinker and a foresighted person. He has flair for theory as well as practical applications which made me get impressed with him. His involvement in discussions with faculty in the department when he comes to clarify his doubts, made him to secure immense theoretical as well as practical knowledge.

I taught him subjects namely, 'English' and 'Effective Technical Communication' during his 1st and 3rd semesters. He is a keen participant in the activities of the classroom. His ability to understand a problem, conceptualize and analyse a situation needs a special mention. He has the calibre to work individually as well as in a group in a very effective manner. He is a student who makes an effort to turn even his weakness into strength.

I guarantee that he possesses the potential to do well not only in his academics, but also in extra-curricular activities. He has organised some of the events as a member of TALENTIA, a literary and cultural club of our college during which he worked under my supervision. Besides, He is one of the best photographers of our college as he has covered some of our department's prestigious events.

I am confident that he is a student with great zeal for higher academic pursuits and aptitude for research as well. I strongly recommend his candidature for your graduate program with maximum possible financial assistance.

Sincerely,

Ashok Vardhan

LETTER OF RECOMMENDATION

I take immense pleasure to recommend **Mr. Mirthivada Naga sai** for his admission in your revered university. Having taught him the subject "**OOPS THROUGH JAVA**" during this period I have observed his enthusiasm and zeal to learn these subjects. He is one of the most conscientious and eloquent student. Concerned about his studies he is always indubitable.

He is always studious and interested in the subject. His dedication towards academics is sublime and is evident from his excellent grades in this subject. He is a diligent and hardworking student. He is very quick at grasping concepts. He has consistently performed well in the class and has a good understanding of the fundamentals along with a strong desire to learn and enrich his knowledge.

I really appreciate him for his zeal to learn even the advanced topics which are not covered in the curriculum. He has distinguished himself as one of the best student in the class. He is a keen observer and a quick grasper with a wide range of innovative ideas.

Mr. Mirthivada Naga sai has shown his spontaneity, sheer knowledge and ability to grasp quickly during the class hours which are dedicated to seminars related to this subject. I find him to be a dedicated and industrious student. This can be demonstrated by his academic performance and I am very confident that he will excel in his higher studies and he will be a prospect for the future of your university.

I wish him all the success in his pursuits of academic advancements and career.

LETTER OF RECOMMENDATION

I take immense pleasure to recommend Ms. RAVELLA MOUNIKA for her admission in your revered university. Having taught her the subject "**OBJECT ORIENTED PROGRAMMING THROUGH JAVA**" during this period I have observed her enthusiasm and zeal to learn these subjects. She is one of the most conscientious and eloquent student. Concerned about her studies she is always indubitable.

Ms. RAVELLA MOUNIKA always studious and interested in the subject. Her dedication towards the academics is sublime and is evident from her excellent grades in this subject. She is a diligent and hardworking student. She is very quick at grasping concepts. She has consistently performed well in the class and has a good understanding of the fundamentals along with a strong desire to learn and enrich her knowledge.

I really appreciate her for her zeal to learn even the advanced topics which are not covered in the curriculum. She has distinguished herself as one of the best student in the class. She is a keen observer and a quick grasper with a wide range of innovative ideas.

She has shown her spontaneity, sheer knowledge and ability to grasp quickly during the class hours which are dedicated to seminars related to this subject. She has good academic career and has shown a pragmatic approach towards her studies. I find her to be a dedicated and industrious student. This can be demonstrated by her academic performance and I am very confident that she will excel in her higher studies and she will be a prospect for the future of your university.

I wish her all the success in her pursuits of academic advancements and career.

LETTER OF RECOMMENDATION

It takes immense pleasure in introducing Ms. MADALA SUPRAJA. I have taught Principles of Programming languages course to her in B.Tech. The interactions with her during class work are happiest and make me to assess the intellectual capability and analytical skills. Based on that, I rank her as one of the top students in the class.

Ms. MADALA SUPRAJA has distinguished herself as one of the best students in the branch. She is active and diligent class participant and bring back together an Engineers analytical approach, a keen grasp of basic facts coupled with mathematical knowledge, which she applies efficient to problem solving. She has always exhibited fecundity of mind. She is an ardent learner and likes to go beyond the theoretical concepts to practical applications of subjects and to achieve her goals in laboratory systems and industrial visits.

In null Shell, Ms. MADALA SUPRAJA is a multitalented person with a zeal for academics, cultural and extra cultural activities. I am confident that your esteemed university will be an ideal place for her to prove upon her existing skills through pursuing a Master's program. I strongly recommends her for admission to graduate with all possible financial assistance.

Letter of recommendation

It gladdens me to write this letter of recommendation for **Ms. Akshaya G**, whom I have known for the last three years, both as part of the classes that I have taught and witnessing her zeal and enthusiasm with which he has remained a committed all round student.

Ms. Akshaya G has been under my tutelage for **Electrical Machines**. She is an intensely focused student who is well read and prepared for class discussions. She has an analytical bend of mind that she uses well in comprehending complex homework on her own. She has the ability to analyze subject's application and experiments towards implementing her learning to find solutions, ability I find to mark her potential for further research and graduate studies. Ability to concentrate is her biggest advantage, which she puts to use when made to work on her own in the lab, yet her excellent communication skills' enables her to work well in teams alike.

In addition she has a natural talent to engage and get along with people in the most charming manner. She has a caring and responsive temperament and is also extremely patient and understanding. These attributes I believe she has been instrumental in her holding leadership position, be part of organizing committees of student events, clubs and volunteer work with aplomb.

I've taught exceptional students in the so many years of my teaching career, many who have gone on to study at prestigious universities globally. While **Ms. Akshaya G** percentage and relative department rank exhibits her real caliber, she surely is one who has a quest for learning and has a self-motivation to achieve. Without hesitation, **Ms. Akshaya G** will prove to be a successful and recommend her highly to the graduate school at your university.

Wishing him a bright future ahead.

LETTER OF RECOMMENDATION

It is indeed a great pleasure in vouching Ms. PRIYANKA S, a cheerful and prompt student of mine for three years during her graduation which I had an opportunity to judge her capabilities and integrity personally as well as academically.

Apart from studies and projects, Ms. PRIYANKA S took an active part in many extra-curricular activities. She is indeed a very creative learner and her leadership skills have been brought to the fore on several occasions. She has an ability to organize and express her ideas clearly in English both orally and in writing. Her dynamic organizational involvement in various activities of both international and national co-curricular activities organized by DVR & Dr. HS MIC College of Technology, Kanchikacherla, stands a worthy testimony for her leadership skills.

Bearing her impressive calibre in mind I strongly place her among the top 5% of the students associated with me in recent year. She is sincere and detailed in her approach with positive attitude and willingness to delve deep into the subjects, she will reach great heights in his career and I believe he will be an extremely valuable addition to your university and the department. Her dedication towards higher studies, the quest for knowledge and her intellectual abilities leads me to strongly recommend Ms. PRIYANKA S to the graduate program in your esteemed university with possible financial aid.

Mr. Venu Babu

Assistant Professor,

Department of Electrical & Electronics Engineering

Mail: venubabu@mictech.ac.in.

Letter of recommendation

It gladdens me to write this letter of recommendation for **Mr. Charan D**, whom I have known for the last three years, both as part of the classes that I have taught and witnessing his zeal and enthusiasm with which he has remained a committed all round student.

Mr. Charan D has been under my tutelage for **Electrical Circuit Analysis**. He is an intensely focused student who is well read and prepared for class discussions. He has an analytical bend of mind that he uses well in comprehending complex homework on his own. He has the ability to analyze subject's application and experiments towards implementing his learning to find solutions, ability I find to mark his potential for further research and graduate studies. Ability to concentrate is his biggest advantage, which he puts to use when made to work on his own in the lab, yet his excellent communication skills' enables him to work well in teams alike.

In addition he has a natural talent to engage and get along with people in the most charming manner. He has a caring and responsive temperament and is also extremely patient and understanding. These attributes I believe he has been instrumental in him holding leadership position, be part of organizing committees of student events, clubs and volunteer work with aplomb.

I've taught exceptional students in the so many years of my teaching career, many who have gone on to study at prestigious universities globally. While **Mr. Charan D**'s percentage and relative department rank exhibits his real caliber, he surely is one who has a quest for learning and has a self-motivation to achieve. Without hesitation, **Mr. Charan D** will prove to be a successful and recommend him highly to the graduate school at your university.

Wishing him a bright future ahead.

LETTER OF RECOMMENDATION

It is indeed a great pleasure in vouching Mr. GANESH J, a cheerful and prompt student of mine for three years during his graduation which I had an opportunity to judge his capabilities and integrity personally as well as academically.

Apart from studies and projects, Mr. GANESH J took an active part in many extra-curricular activities. He is indeed a very creative learner and his leadership skills have been brought to the fore on several occasions. He has an ability to organize and express his ideas clearly in English both orally and in writing. His dynamic organizational involvement in various activities of both international and national co-curricular activities organized by DVR & Dr. HS MIC College of Technology, Kanchikacherla, stands a worthy testimony for his leadership skills.

Bearing his impressive calibre in mind I strongly place him among the top 5% of the students associated with me in recent years. He is sincere and detailed in his approach with positive attitude and willingness to delve deep into the subjects, he will reach great heights in his career and I believe he will be an extremely valuable addition to your university and the department. His dedication towards higher studies, the quest for knowledge and his intellectual abilities lead me to strongly recommend Mr. GANESH J to the graduate program in your esteemed university with possible financial aid.

 A.V RAVI KUMAR

Wishing him a bright future ahead.

I've taught exceptional students in the so many years of my teaching career, many who have gone on to study at prestigious universities globally. While Mr. Srinivas Naik percentage and relative department rank exhibits his real caliber, he surely is one who has a quest for learning and has a self-motivation to achieve. Without hesitation, Mr. Srinivas Naik will prove to be a successful and recommended him highly to the graduate school at your university.

In addition he has a natural talent to engage and get along with people in the most charming manner. He has a caring and responsive temperament and is also extremely patient and understanding. These attributes I believe he has been instrumental in him holding leadership positions, be part of organizing committees of student events, clubs and volunteer work with aplomb.

In addition he has a natural talent to engage and get along with people in the most charming manner. He has a caring and responsive temperament and is also extremely patient and understanding. These attributes I believe he has been instrumental in him holding leadership positions, be part of organizing committees of student events, clubs and volunteer work with aplomb.

Mr. Srinivas Naik has been under my tutelage for Electrical Machines. He is an intensely focused student who is well read and prepared for class discussions. He has an analytical bent

of mind that he uses well in comprehending complex homework on his own. He has the ability to analyze subjects application and experiments towards implementing his learning to find solutions, ability I find to mark his potential for further research and graduate studies. Ability

to concentrate is his biggest advantage, which he puts to use when made to work on his own in the lab, yet his excellent communication skills enables him to work well in teams alike.

It gladdens me to write this letter of recommendation for Mr. Srinivas Naik, whom I have known for the last three years, both as part of the classes that I have taught and witness his

zeal and enthusiasm with which he has remained a committed all round student.

VENU BABU
Naveen

Wishing him a bright future ahead.

I've taught exceptional students in the so many years of my teaching career, many who have gone on to study at prestigious universities globally. While Mr. Sumanth M performed well and succeeded and recommended him highly to the graduate school at your university. He has a self-motivation to achieve. Without hesitation, Mr. Sumanth M will prove to be a relative department rank exhibits his real caliber, he surely is one who has a quest for learning and has a positive attitude towards his studies.

In addition he has a natural talent to engage and get along with people in the most charming manner. He has a caring and responsive temperament and is also extremely patient and understanding. These attributes I believe he has been instrumental in him holding leadership position, be part of organizing committees of student events, clubs and volunteer work with aplomb.

Mr. Sumanth M has been under my tutelage for Electrical Circuit Analysis. He is an intensely focused student who is well read and prepared for class discussions. He has an analytical bend of mind that he uses well in comprehending complex homework on his own. He has the ability to analyze subjects application and experiments towards implementing his learning to find solutions, ability I find to mark his potential for further research and graduate studies. Ability to concentrate is his biggest advantage, which he puts to use when made to work on his own in the lab, yet his excellent communication skills enables him to work well in teams alike.

It gladdens me to write this letter of recommendation for Mr. Sumanth M, whom I have known for the last three years, both as part of the classes that I have taught and witnessing his zeal and enthusiasm with which he has remained a committed all round student.

Dr. Pradeep

Bearing her impressive calibre in mind I strongly place her among the top 5% of the students in your esteemed university with possible financial aid. Intellectual abilities leads me to strongly recommend Ms. TEJASRI K to the graduate program department. Her dedication towards higher studies, the quest for knowledge and her career and I believe she will be an extremely valuable addition to your university and the attitude and willingness to delve deep into the subjects, she will reach great heights in her associated with me in recent years. She is sincere and detailed in her approach with positive attitude and will be an asset to the university.

Apart from studies and projects, Ms. Tejasri took an active part in many extra-curricular activities. She is indeed a very creative learner and her leadership skills have been brought to the fore on several occasions. She has an ability to organize and express her ideas dearly in English both orally and in writing. Her dynamic organization involved in various activities of both international and national co-curricular activities organized by DVR & Dr. HS MIC College of Technology, Kanchikacherla, stands a worthy testimony for her leadership skills.

It is indeed a great pleasure in vouching Ms. TEJASRI K, a cheerful and prompt student of mine for three years during her graduation which I had an opportunity to judge her capabilities and integrity personally as well as academically.

possible assistance.

In my unbiased opinion he has a rich blend of creativity and commitment required for a person who desires further studies in communication engineering. All the above qualities coupled with his pleasing demeanor, adaptability and proactive approach have convinced me to grade him among the good students. Considering his keen interest in pursuing higher studies and his preference for research oriented study, I strongly recommend him for admission into your Master's program with all and he is characterized by sense of responsibility, promptness, conscientiousness, endurance and self-confidence.

His major assets are communication skills, clarity of expression and articulation. He has the necessary potential to achieve academic goals quite smoothly. His consistent academic performance makes it easy to rate him top among his peers and he is characterized by sense of responsibility, promptness, conscientiousness, endurance and self-confidence.

I have handled the courses of CAD/CAM & Production Technology " in which he has done exceptionally well with an excellent score. He possesses good conceptual knowledge in the subjects and methodical work has helped him in developing clarity in problem solving when approached by fellow students, their extreme interest, persistent attitude and intellectual curiosity drive him to get deeply involved in his work and excel in it

I am writing this letter in support of Mr. Loith who is a student of Mechanical Engineering at our college in my capacity as an associate professor at the department of Electronics and Communication engineering. I have known him for the past 3 years and have found him to be an aspiring and sincere student

(Ms D.Divya)
G Divya

Sincerely,

In view of the above qualities, I strongly recommend **Surya Teja. P** for admission in your university for the graduate program with full financial assistance.

Mr. Surya Teja. P research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His plomb and acuity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

Mr. Surya Teja. P is studious and very strong in his fundamentals. He has excellent command over English and apart from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Mr. Surya Teja. P is an self-motivated student with sharp intellect. His enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides his regular course work, he has participated in various symposiums and technical seminars.

Mr. Surya Teja. P has been my student for the past three years. I have handled CAD/CAM & CAD/CAM LAB. He is an intelligent and diligent student excelling in both academic work and co-curricular activities.

RECOMMENDATION

Associate Professor,

Department of Electronics and Communication Engineering, DVR and Dr. HS MIC College of Technology,
Email: kmichaelangelo@mictech.ac.in
Phone: +91-8712370640

I am pleased to recommend Mr. Bhanu Prakash N who is applying for the Master's program at your university. He is pursuing Bachelor of Engineering in Electronics and Communication Engineering at our college. I have taught him "WIRELESS SENSOR NETWORKS" and co-ordinated with "TECHNICAL SEMINAR". I have known her for the past two years as my student, and I am sure he will reach the pinnace of his career through sheer hard work and dedication.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we Professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be useful for him in future projects.

His ability to work with his counterparts and even with his seniors is exemplary. With his pleasing manners, proficiency in communicating his ideas effectively, he has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members. He also has good teaching capabilities.

Having known him as a student, I am strongly convinced that Bhanu Prakash N will make a significant contribution to your program. I strongly recommend him for admission to the Master's program at your prestigious university with possible financial assistance.

(Dr. K. MICHAEL ANGELO)

LETTER OF RECOMMENDATION

I am extremely glad that Mr. Dawood Ibrahim Skhas decided to pursue his Masters. I had taught him course on "Verilog Large Scale Integration". In the learning process, I find him to be dedicated. He is a student who works with conviction.

In my view, I have found Mr. Dawood Ibrahim Skto be an outstanding student who is highly responsible and intelligent. He is a disciplined student who bears a pleasant disposition. His excellent communication skills add to the impressiveness with which he delivers lectures and presents seminars. He maintains perfectness in all aspects and completes the work within the stipulated time.

He is very pleasant and shows good manners while interacting with faculty members and peers. With his excellent communication skills, he gets along with people well and he is a good team player. His knowledge, ability and punctuality were undoubtedly the best talks presented by any student. He actively served as a volunteer at NATIONAL YOUTH PARLIAMENT on 10th, 11th and 12th Feb, 2019. On a personal note, he comes across as a very helpful and polite student.

His intense desire to study further, to strengthen his academic proficiency and his attitude to always give his best distinguishes him from other students in her class. Dawood Ibrahim Skmakes an excellently suitable candidate for caking up graduate studentship. I wholeheartedly recomend him for graduate studies at your esteemed Institution.

LETTER OF RECOMMENDATION

It gives me immense pleasure in bearing testimony to the excellent character and conduct of **Durga Prasad A** who is interested in pursuing his academic career in your esteemed university. I only recommend students whom I feel are well suited for the program of their choice. He has been under my tutelage for the past 4 years. Over those years I have taught him 'WIRELESS SENSOR NETWORK' course.

Through my observation I would like to day that he is attentive, articulate and studious. His ability to visualize and link together the fundamentals of each subject makes him an ideal student. Considering his tenacious, technical ambitions and his ability, I have great confidence that he would occupy the apex position in the field of his interest.

His intellectual prowess and capacity for experimentation are excellent. His extensive knowledge and natural ability to understand things often astound me when I connect with his . He is deserving of prize for his academic capacity and sheer effort by interacting directly with the instructors and motivley being involved in avariety of exta curricular activities, he demonstrated a strong desire to broaden his knowledge.

In my view above a person of his caliber can excel in this stimulating and challenging environment of graduate research . I am certain with his dedication and motivation. He will turn into an outstanding graduate student. Hence I strongly recommend him for the Master program in your esteemed university.

LETTER OF RECOMMENDATION

I am extremely glad that Mr. Durga Prasad Phas decided to pursue his Masters. I had taught him course on "Verilog Large Scale Integration". In the learning process, I find him to be dedicated. He is a student who works with conviction.

In my view, I have found Mr. Durga Prasad P to be an outstanding student who is highly responsible and intelligent. He is a disciplined student who bears a pleasant disposition. His excellent communication skills add to the impressiveness with which he delivers lectures and presents seminars. He maintains perfectness in all aspects and completes the work within the stipulated time.

He is very pleasant and shows good manners while interacting with faculty members and peers. With his excellent communication skills, he gets along with people well and he is a good team player. His knowledge, ability and punctuality were undoubtedly the best talks presented by any student. On a personal note, he comes across as a very helpful and polite student.

His intense desire to study further, to strengthen his academic proficiency and his attitude to always give his best distinguishes him from other students in her class. Durga Prasad P makes an excellently suitable candidate for taking up graduate studentship. I wholeheartedly recommend him for graduate studies at your esteemed institution.

LETTER OF RECOMMENDATION

It gives me immense pleasure in bearing testimony to the excellent character and conduct of Ms. Kumari T who is interested in pursuing her academic career in your esteemed university. I only recommend students whom I feel are well suited for the program of their choice. She has been under my tutelage for the past two years. Over these years I have taught her 'Wireless Sensor Network' course.

Through my observation, I would like to say that she is attentive, articulate and studious. Her ability to visualize and link together the fundamentals of each subject makes her an ideal student. Considering her tenacious, technical ambitions and her ability, I have great confidence that Ms. KUMARI T Sushma would occupy the apex position in the field of her interest.

She has excellent intellectual and experimental abilities from the beginning. During my interactions with her, she always amazes me with her in-depth knowledge and innate ability to grasp. Her intellectual potential and sheer hard work are worthy of mention. She showed a great deal of interest in widening her knowledge by closely interacting with the faculty and actively involving and participating in various extracurricular activities. Her leadership and organizing capabilities were proved when she was successful in conducting a project in her last semester.

In my view, a person of her caliber can excel in this stimulating and challenging environment of graduate research. I am certain with her dedication and motivation. Ms. Kumari T will turn into an outstanding graduate student. Hence, I strongly recommend her for the Master program in your esteemed university. I wish her all the best and in case of any further queries feel free to contact me at my mail id mentioned above.

LETTER OF RECOMMENDATION

I am writing this letter in support of Mr. Mohan babu P who is a student of Electronics and Communication Engineering at our college In my capacity as an associate professor at the department of Electronics and Communication engineering, I have known him for the past 3 years and have found him to be an aspiring and sincere student

I have handled the courses of "Micro Processors and Micro Controllers" in which he has done exceptionally well with an excellent score. He possesses good conceptual knowledge in the subjects and methodical work has helped him in developing a broad perspective as well as mastery over fundamentals. He has an ability to voice her ideas clearly, which greatly enhances his clarity in problem solving when approached by fellow students, tier extreme interest, persistent attitude and intellectual curiosity drive him to get deeply involved in his work and excel in it

His major assets are communication skills, clarity of expression and articulation. He has the necessary potential to achieve academic goals quite smoothly. His consistent academic performance makes me easy to rate him top among his peers and he is characterized by sense of responsibility, promptness, conscientiousness, endurance and self-confidence.

In my unbiased opinion he has a rich blend of creativity and commitment required for a person who desires further studies in communication engineering. All the above qualities coupled with his pleasing demeanor, adaptability and proactive approach have convinced me to grade him among the good students. Considering his keen interest in pursuing higher studies and his preference for research oriented study, I strongly recommend him for admission into your Master's program with all possible assistance.

RECOMMENDATION

Associate Professor,

Department of Electronics and Communication Engineering, DVR and Dr. HS MIC College of Technology,

Email: kmichaelangelo@mictech.ac.in

Phone: +91-8712370640

I am pleased to recommend **Ms. Poojitha Gayatri S** who is applying for the Master's program at your university. She is pursuing Bachelor of Engineering in Electronics and Communication Engineering at our college. I have taught her "**WIRELESS SENSOR NETWORKS**" and co-ordinated with "**TECHNICAL SEMINAR**". I have known her for the past two years as my student, and I am sure she will reach the pinnace of her career through sheer hard work and dedication.

I interacted with her a lot of times and I found him very unique because she stands out when compared to the rest of the students. I found her very creative and she has an excellent grasping power. Unique students are rare to find and when we Professors find one like him, we are happy to be the one to guide her through a particular subject and help her master it, as it will be useful for her in future projects.

Her ability to work with her counterparts and even with her seniors is exemplary. With her pleasing manners, proficiency in communicating her ideas effectively, she has established an excellent rapport with his fellow students and the faculty. She has brilliant team leader skills and is competent in extracting the best out of his team members. She also has good teaching capabilities.

Having known her as a student, I am strongly convinced that **Poojitha Gaytri S** will make a significant contribution to your program. I strongly recommend her for admission to the Master's program at your prestigious university with possible financial assistance.

(Dr. K. MICHAEL ANGELO)

LETTER OF RECOMMENDATION

It gives me immense pleasure in bearing testimony to the excellent character and conduct of Ms. Lakshmi Durga N who is interested in pursuing her academic career in your esteemed university. I only recommend students whom I feel are well suited for the program of their choice. She has been under my tutelage for the past two years. Over these years I have taught her Wireless Sensor Network course.

Through my observation, I would like to say that she is attentive, articulate and studious. Her ability to visualize and link together the fundamentals of each subject makes her an ideal student. Considering her tenacious, technical ambitions and her ability, I have great confidence that Ms. Doddha Venkata Sushma would occupy the apex position in the field of her interest.

She has excellent intellectual and experimental abilities from the beginning. During my interactions with her, she always amazes me with her in-depth knowledge and innate ability to grasp. Her intellectual potential and sheer hard work are worthy of mention. She showed a great deal of interest in widening her knowledge by closely interacting with the faculty and actively involving and participating in various extracurricular activities. Her leadership and organizing capabilities were proved when she was successful in conducting a project in her last semester.

In my view, a person of her caliber can excel in this stimulating and challenging environment of graduate research. I am certain with her dedication and motivation. Ms. Lakshmi Durga N will turn into an outstanding graduate student. Hence, I strongly recommend her for the Master program in your esteemed university. I wish her all the best and in case of any further queries feel free to contact me at my mail id mentioned above.

LETTER OF RECOMMENDATION

I am writing this letter in support of Ms. Lakshmi Priyanka B who is a student of Electronics and Communication Engineering at our college. In my capacity as an associate professor at the department of Electronics and Communication engineering, I have known her for the past 3 years and have found her to be an aspiring and sincere student.

I have handled the courses of 'Micro Processors and Micro Controllers' in which she has done exceptionally well with an excellent score. She possesses good conceptual knowledge in the subjects and methodical work has helped her in developing a broad perspective as well as mastery over fundamentals. She has an ability to voice her ideas clearly, which greatly enhances her clarity in problem solving when approached by fellow students, tier extreme interest, persistent attitude and intellectual curiosity drive her to get deeply involved in her work and excel in it.

Her major assets are her communication skills, clarity of expression and articulation. She has the necessary potential to achieve academic goals quite smoothly. Her consistent academic performance makes me easy to rate her top among her peers and she is characterized by sense of responsibility, promptness, conscientiousness, endurance and self-confidence.

In my unbiased opinion she has a rich blend of creativity and commitment required for a person who desires further studies in communication engineering. All the above qualities coupled with her pleasing demeanor, adaptability and proactive approach have convinced me to grade her among the good students. Considering her keen interest in pursuing higher studies and her preference for research-oriented study, I strongly recommend her for admission into your Master's program with all possible assistance.

Dear Michael Angelo,

Siva Ganesh G is in the process of applying for admission to Saint Louis University and requested that you complete a recommendation questionnaire in support of the application.

Saint Louis University uses recommendations in order to gain a more complete understanding of the academic and personal qualities of the applicants: Please use the online recommendation site, which can be found here:

You can submit your recommendation here

This form will take approximately 5 minutes to complete and performs best using a desktop computer or laptop.

This applicant has the right to view their recommendation.

Thank you for your support of Siva Ganesh's application for admission to Saint Louis University.

Sincerely,
Saint Louis University

RECOMMENDATION

Associate Professor,

Department of Electronics and Communication Engineering, DVR and Dr. HS MIC College of Technology,

Email: kmichaelangelo@mictech.ac.in

Phone: +91-8712370640

I am pleased to recommend **Mr. Siva Ganesh G** who is applying for the Master's program at your university. He is pursuing Bachelor of Engineering in Electronics and Communication Engineering at our college. I have taught him "**WIRELESS SENSOR NETWORKS**" and co-ordinated with "**TECHNICAL SEMINAR**" have known her for the past two years as my student, and I am sure he will reach the pinnace of his career through sheer hard work and dedication.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we Professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be useful for him in future projects.

His ability to work with his counterparts and even with his seniors is exemplary. With his pleasing manners, proficiency in communicating his ideas effectively, he has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members. He also has good teaching capabilities.

Having known him as a student, I am strongly convinced that **Siva Ganesh G** will make a significant contribution to your program. I strongly recommend him for admission to the Master's program at your prestigious university with possible financial assistance.

(Dr. K. MICHAEL ANGELO)

LETTER OF RECOMMENDATION

I am extremely glad that Mr. Vamsi Krishna A has decided to pursue his Masters. I had taught him course on "Verilog Large Scale Integration". In the learning process, I find him to be dedicated. He is a student who works with conviction.

In my view, I have found Mr. Vamsi Krishna A to be an outstanding student who is highly responsible and intelligent. He is a disciplined student who bears a pleasant disposition. His excellent communication skills add to the impressiveness with which he delivers lectures and presents seminars. He maintains perfectness in all aspects and completes the work within the stipulated time.

He is very pleasant and shows good manners while interacting with faculty members and peers. With his excellent communication skills, he gets along with people well and he is a good team player. His knowledge, ability and punctuality were undoubtedly the best traits presented by any student. On a personal note, he comes across as a very helpful and polite student.

His intense desire to study further, to strengthen his academic proficiency and his attitude to always give his best distinguishes him from other students in her class. Vamsi Krishna makes an excellently suitable candidate for taking up graduate studentship. I wholeheartedly recommend him for graduate studies at your esteemed institution.

LETTER OF RECOMMENDATION

1 am writing this letter in support of Mr. Sai Sandeep B who is a student of Electronics and Communication Engineering at our college In my capacity as an associate professor at the department of Electronics and Communication engineering, I have known him for the past 3 years and have found him to be an aspiring and sincere student

1 have handled the courses of 'Micro Processors and Micro Controllers " in which he has done exceptionally well with an excellent score. He possesses good conceptual knowledge in the subjects and methodical work has helped him in developing a broad perspective as well as mastery over fundamentals. He has an ability to voice her ideas clearly, which greatly enhances his clarity in problem solving when approached by fellow students, tier extreme interest, persistent attitude and intellectual curiosity drive him to get deeply involved in his work and excel in it

His major assets are communication skills, clarity of expression and articulation He has the necessary potential to achieve academic goals quite smoothly, His consistent academic performance makes me easy to rate him top among his peers and he is characterized by sense of responsibility; promptness, conscientiousness, endurance and self-confidence.

In my unbiased opinion he has a rich blend of creativity and commitment required for a person who desires further studies in communication engineering. All the above qualities coupled with his pleasing demeanor, adaptability and proactive approach have convinced me to grade him among the good students Considering his keen interest in pursuing higher studies and his preference for research oriented study, I strongly recommend him for admission into your Master's program with all possible assistance.

Dear Michael Angelo,

Sai Srinivas M is in the process of applying for admission to Saint Louis University and requested that you complete a recommendation questionnaire in support of the application.

Saint Louis University uses recommendations in order to gain a more complete understanding of the academic and personal qualities of the applicants: Please use the online recommendation site, which can be found here:

You can submit your recommendation here

This form will take approximately 5 minutes to complete and performs best using a desktop computer or laptop.

This applicant has the right to view their recommendation.

Thank you for your support of Srinivas' application for admission to Saint Louis University.

Sincerely,
Saint Louis University

RECOMMENDATION

Associate Professor,

Department of Electronics and Communication Engineering, DVR and Dr. HS MIC College of Technology,

Email: kmichaelangelo@mictech.ac.in

Phone: +91-8712370640

I am pleased to recommend **Mr. Sai Srinivas M** who is applying for the Master's program at your university. He is pursuing Bachelor of Engineering in Electronics and Communication Engineering at our college. I have taught him "**WIRELESS SENSOR NETWORKS**" and co-ordinated with "**TECHNICAL SEMINAR**" have known her for the past two years as my student, and I am sure he will reach the pinnace of his career through sheer hard work and dedication.

I interacted with him a lot of times and I found him very unique because he stands out when compared to the rest of the students. I found him very creative and he has an excellent grasping power. Unique students are rare to find and when we Professors find one like him, we are happy to be the one to guide him through a particular subject and help him master it, as it will be useful for him in future projects.

His ability to work with his counterparts and even with his seniors is exemplary. With his pleasing manners, proficiency in communicating his ideas effectively, he has established an excellent rapport with his fellow students and the faculty. He has brilliant team leader skills and is competent in extracting the best out of his team members. He also has good teaching capabilities.

Having known him as a student, I am strongly convinced that **Sai Srinivas M** will make a significant contribution to your program. I strongly recommend him for admission to the Master's program at your prestigious university with possible financial assistance.

(Dr. K. MICHAEL ANGELO)

LETTER OF RECOMMENDATION

I am extremely glad that Mr. Sai Tejeswar Reddy A has decided to pursue his Masters. I had taught him course on "Verilog Large Scale Integration". In the learning process, I find him to be dedicated. He is a student who works with conviction.

In my view, I have found Mr. Sai Tejeswar A to be an outstanding student who is highly responsible and intelligent. He is a disciplined student who bears a pleasant disposition. His excellent communication skills add to the impressiveness with which he delivers lectures and presents seminars. He maintains perfectness in all aspects and completes the work within the stipulated time.

He is very pleasant and shows good manners while interacting with faculty members and peers. With his excellent communication skills, he gets along with people well and he is a good team player. His knowledge, ability and punctuality were undoubtedly the best talks presented by any student. On a personal note, he comes across as a very helpful and polite student.

His intense desire to study further, to strengthen his academic proficiency and his attitude to always give his best distinguishes him from other students in her class. Tejeswaramakes an excellently suitable candidate for taking up graduate studentship. I wholeheartedly recommend him for graduate studies at your esteemed institution.

LETTER OF RECOMMENDATION

It gives me immense pleasure in bearing testimony to the excellent character and conduct of **Vamsi A** who is interested in pursuing his academic career in your esteemed university. I only recommend students whom I feel are well suited for the program of their choice. He has been under my tutelage for the past 4 years. Over those years I have taught him '**WIRELESS SENSOR NETWORK**' course.

Through my observation I would like to day that he is attentive, articulate and studious. His ability to visualize and link together the fundamentals of each subject makes him an ideal student. Considering his tenacious, technical ambitions and his ability, I have great confidence that he would occupy the apex position in the field of his interest.

His intellectual prowess and capacity for experimentation are excellent. His extensive knowledge and natural ability to understand things often astound me when I connect with his . He is deserving of prize for his academic capacity and sheer effort by interacting directly with the instructors and motivily being involved in avariety or exta curricular activities, he demonstrated a strong desire to broaden his knowledge.

In my view above a person of his caliber can excel in this stimulating and challenging en ironment of graduate research . I am certain witl his dedication and motivation. He will turn into an outstanding graduate student. Hence I strongly recommend him for the Master program in your esteemed university.

LETTER OF RECOMMENDATION

I take immense pleasure in introducing one of my outstanding student Ms. BHARGAVI P whom I know for the past few years. I have taught her the course of “CRYPTOGRAPHY AND NETWORK SECURITY & UNIX AND SHELL PROGRAMMING”. This interaction with her provides me sufficient information to gauge and asses the intellectual capability and analytical skills that she has developed during her course. I would rank her among the top 5% of the students I have taught in my experience. I think some of my observations are worth mentioning while I pen down my letter recommending her to your University.

I find Ms. BHARGAVI P to be hard working, diligent and sincere in her efforts and feel that her practical and logical approach of handling the problems presented should be brought to your notice. In her, I find the commitment desirous of a good student, meticulous with the right blend of attitude, merit and determination. She had the capability to work effectively and efficiently in a team as well as alone. Often I would find her providing assistance to her batch members.

Her ability to work with counter parts and even with her seniors is exemplary. With her pleasing manners, proficiency in communicating her ideas effectively, she has established an excellent rapport with her fellow students and the faculty. Her performance in the course has been superior, impressing me with her commitment to learn and think innovatively. She is a student with self-reliance and good levels of self-confidence.

Ms. BHARGAVI P is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. In view of all the above facts, I strongly recommend her, without any hesitation, for admission into Master's program with possible financial assistance. Wishing all the success in her future endeavors.

COLORADO STATE UNIVERSITY | GRADUATE ADMISSIONS

Dear Varun Prasad,

CHITTI RUPAS M is applying for graduate admission to Colorado State University and has listed you as a reference. If you are willing to write a recommendation for Hari Narayana, click the link below to access a secure site to submit your recommendation.

Submit Your Recommendation

Thank you in advance for your insight into Hari Narayana's readiness for academic and personal success at Colorado State University as evidenced through your interactions.

Recommendations are a valued part of our comprehensive application review, especially when they include specific examples of students' demonstrated skills, passions, and areas for growth. Your efforts help us to invite talented and engaged learners to work with our outstanding faculty members.

If you have any questions about this request, please contact us at the phone number or email address below.

LETTER OF RECOMMENDATION

I am delighted to recommend Mr. CHITTI RUPAS M, who is interested in pursuing his Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of DVR and Dr. HS MIC College of Technology, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him "SOFTWARE TESTING METHODOLOGIES". He has a good hold on the above subjects. He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him.

Mr. CHITTI RUPAS M is driven by inspirations, incorporated by new ideas and guided by strong fundamentals. He has ardency for technological innovations in the contemporary world. This is clearly visible by the field he choose for his academic projects. He could converse fluently and very coherently and was successful in explaining his points clearly in project presentations. He has got the potential to perform well in a highly competitive atmosphere.

In short, I would like to say Mr. CHITTI RUPAS M is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend his candidature and will be glad to entertain any further communication in this regard.

As a faculty of Computer Science & Engineering Department of DVR and Dr. HS MIC College of Technology, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him "SOFTWARE TESTING METHODOLOGIES". He has a good hold on the above subjects. He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him.

Mr. SRIKANTH REDDY CH is driven by inspirations, incorporated by new ideas and guided by strong fundamentals. He has ardency for technological innovations in the contemporary world. This is clearly visible by the field he choose for his academic projects. He could converse fluently and very coherently and was successful in explaining his points clearly in project presentations. He has got the potential to perform well in a highly competitive atmosphere.

In short, I would like to say Mr. SRIKANTH REDDY CH is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend his candidature and will be glad to entertain any further communication in this regard.

LETTER OF RECOMMENDATION

I take immense pleasure to recommend Mr. SUDHEER BABU CH for his admission in your esteemed school. He has learned the subject “DATABASE MANAGEMENT SYSTEMS” under my guidance and supervision. It is during this period that I observed his enthusiasm and zeal to learn these subjects. He is one of the most conscientious and eloquent student. Concerned about his studies he is always indubitable.

Mr. SUDHEER BABU CH always studious and interested in these subjects. His dedication towards the academics is sublime and is evident from her excellent grades in this subject. He is a diligent and hardworking student. He is very quick at grasping concepts. He has consistently performed well in the class and has a good understanding of the fundamentals along with a strong desire to learn and enrich his knowledge.

I greatly admire him for having the desire to understand even complex subjects that are not included in the curriculum. As one of the top students in the class, he has distinguished himself. He has a wide range of innovative thoughts and is a good observer and quick learner..

He has shown his spontaneity, sheer knowledge and ability to grasp quickly during the .class hours which are dedicated to seminars related to this subject. He has good academic career and has shown a pragmatic approach towards his studies. I find him to be a dedicated and industrious student this can be demonstrated by his academic performance and I am very confident that he will excel in his higher studies and he will be a prospect for the future of your university.

LETTER OF RECOMMENDATION

I am pleased to recommend Ms. GEETHA SREE PRIYA N for the master's program in your university. I have known her from last 4 years. She is one of the most promising students I have come across.

She has been my student in "DATABASE MANAGEMENT SYSTEMS" in 6th semester. During the period of my association with her I was able to gauge her innate abilities to understand the basic concepts and apply them to tackle the problems associated with it. I'm frilly confident about the knowledge in her graduation and I would rate her among the top 10% within the class of 59 students.

As a student she was dedicated to her assignments given to her and finished them on time. She was always been a hard worker and I am impressed with her quick perception and in her reproduction of concepts. Her application is praiseworthy. Perseverance, sincerity and thirst for knowledge have always been the hallmark of her personality.

She has also taken seminars in our college. Proficiency in English through knowledge of the subject coupled with the style of her teaching in a clear and lucid manner made her seminars very interesting and informative. She also has the rare quality of time management and strikes the right balance between her academic and personal commitments. Her maturity, competence and ability to work diligently indicate that she can perform well these strengths and co-operative nature. I firmly believe you would make her a successful candidate for pursuing higher studies in your university.

With frill confidence in her abilities, I personally have a strong feeling that Ms. GEETHA SREE PRIYA N is a deserving personality for masters at your esteemed University along with a suitable financial support.

LETTER OF RECOMMENDATION

I have exorbitant pleasure in writing this letter of recommendation for Mr. VASU V who is intending to pursue MS at your institution. I know him for the past three years as an under graduate student where I offered courses in the field of "JAVA PROGRAMMING". I would like to elucidate few facts about him that impressed me the most. He has shown interest in subject right from the beginning and commitment towards the work. He is quite ambitious and career driven.

I feel that his diligence and expedient analysis represents his competency towards research. He posses high level of moral and ethical standards, self-confident. Technological skills, communication skills and always motivated to take up new challenges and I am always galvanized with him. I strongly believe his sound knowledge of fundamentals, a truly remarkable ability to apply theory to practical situations and high motivation to keep abreast with the least information.

His deep understanding of the subject, as well as his hunt for knowledge constantly impressed me. He has repeatedly proven his conceptual ability and creative outlook in solving problems. Keeping in view all the above stated facts I would rate him among one of the Topper in class. His behavior with teacher and reverential attitude towards elders is admirable.

With all these achievements under his belt and considering him strong foundation. Confess a bright future ahead for Mr. VASU V and recommend him for your university. I am sure that his talent will be utilized and proven in your university if given an opportunity.

Discover. Create. Solve.

Thank You for Your Letter

Dear Chetana V,

Illinois Institute of Technology faculty have found your letter of recommendation invaluable in assessing T Lalitha Kumari's application to the program.

In this light, I'd like to share with you some important information about Illinois Tech.

With more than 120 programs across eight colleges, Illinois Tech offers rigorous, relevant degrees in high-impact fields that are driving innovation. We offer degrees in engineering, science, architecture, business, design, human sciences, applied technology, and law. We know the education we provide is great—and so are our outcomes. We often hear from other institutions as well as employers that our graduates are more prepared than graduates of many other universities.

We Count on Your Recommendation of Us

Your recommendation letter has helped to both recruit and admit a very bright student to our university. We hope that you will continue to recommend Illinois Tech as an academic institution that is strongly committed to the growth of its students. We receive thousands of applications to our programs, so having a good recommendation helps us to efficiently streamline the decision-making process.

T Lalitha Kumari's on their way to participating in an exceptional higher-education experience. You have our heartfelt gratitude for taking the time to help T Lalitha Kumari achieve their dream.

Sincerely,

Rosa Alvarado

His deep understanding of the subject, as well as his hunt for knowledge constantly impressed me. He has repeatedly proven his conceptual ability and creative outlook in solving problems. Keeping in view all the above stated facts I would rate him among one of the Topper in class. His behaviour with teacher and reverential attitude towards elders is admirable.

With all these achievements under his belt and considering him strong foundation. Confess a bright future ahead for **Mr. PAVANKUMAR M** and recommend him for your university. I am sure that his talent will be utilized and proven in your university if given an opportunity.

LETTER OF RECOMMENDATION

I am delighted to recommend **RAJA RAVINDRA N**, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of **DVR and Dr. HS MIC College of Technology**, I have known him for four years of him under-graduation at our college. My appraisal of him application for graduation studies is based on my acquaintance with him.

I tutored his on the subject "**SOFTWARE ENGINEERING**" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr. RAJA RAVINDRA N has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, **RAJA RAVINDRA N** is a well-mannered and polite individual. He gets along well with almost any body and has god relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

Discover. Create. Solve.

Thank You for Your Letter

Dear D. Prasad,

Illinois Institute of Technology faculty have found your letter of recommendation invaluable in assessing B Satish's application to the program.

In this light, I'd like to share with you some important information about Illinois Tech.

With more than 120 programs across eight colleges, Illinois Tech offers rigorous, relevant degrees in high-impact fields that are driving innovation. We offer degrees in engineering, science, architecture, business, design, human sciences, applied technology, and law. We know the education we provide is great—and so are our outcomes. We often hear from other institutions as well as employers that our graduates are more prepared than graduates of many other universities.

We Count on Your Recommendation of Us

Your recommendation letter has helped to both recruit and admit a very bright student to our university. We hope that you will continue to recommend Illinois Tech as an academic institution that is strongly committed to the growth of its students. We receive thousands of applications to our programs, so having a good recommendation helps us to efficiently streamline the decision-making process.

B Satish is on their way to participating in an exceptional higher-education experience. You have our heartfelt gratitude for taking the time to help B Satish achieve their dream.

Sincerely,

Rosa Alvarado

LETTER OF RECOMMENDATION

I deem it a pleasure to introduce **Ms. SRAVANI K** who has been my under graduate student in the department of Civil Engineering. I have taught her "SOFTWARE ENGINEERING". I had observed her at very close quarters and these observations brought me a clear picture about her.

I found her sincere and bright student with a strong desire to pursue perspective carrier in the field of Computer Science Engineering, her ability to interact with people has always impressed me, and she had attended to classes regularly. Although my subjects require understanding skills, she was able to cope up with the subject with her ability to work hard and problem solving skills. She was good at analyzing difficult situations and derives logical solution. Her academics were quite impressive. Apart from her academics she was very good at communication and organizational skills. I found her very active at organizing and participating in various activities in and out of the department. In my interaction with her I was impressed at her sense of commitment and hard work.

Her command over English is fairly comfortable and quite impressive, which I observed when she was handling different seminars conducted at our college. She was a student who is always enthusiastic and eager to know new information from me.

She quest for knowledge and perseverance for excellence ideally qualify her for any Masters course. I recommend and I am confident that she will continue to be a promising, competitive, sincere and an ideal student for her Masters at your university.

LETTER OF RECOMMENDATION

I take immense pleasure to recommend **AKANKSHA A** for her admission in your revered university. Having taught her the subject "**Data Structures**" during this period I have observed her enthusiasm and zeal to learn these subjects. She is one of the most conscientious and eloquent student. Concerned about her studies she is always indubitable.

She is always studious and interested in the subject. Her dedication towards academics is sublime and is evident from her excellent grades in this subject. She is a diligent and hardworking student. She is very quick at grasping concepts. She has consistently performed well in the class and has a good understanding of the fundamentals along with a strong desire to learn and enrich her knowledge.

I really appreciate her for his zeal to learn even the advanced topics which are not covered in the curriculum. She has distinguished herself as one of the best student in the class. She is a keen observer and a quick grasper with a wide range of innovative ideas.

AKANKSHA A has shown her spontaneity, sheer knowledge and ability to grasp quickly during the class hours which are dedicated to seminars related to this subject. I find her to be a dedicated and industrious student. This can be demonstrated by her academic performance and I am very confident that she will excel in her higher studies and she will be a prospect for the future of your university.

I wish her all the success in her pursuits of academic advancements and career

LETTER OF RECOMMENDATION

I take immense pleasure to recommend **TEJA A** for her admission in your revered university. Having taught her the subject "**Data Structures**" during this period I have observed her enthusiasm and zeal to learn these subjects. She is one of the most conscientious and eloquent student. Concerned about her studies she is always indubitable.

She is always studious and interested in the subject. Her dedication towards academics is sublime and is evident from her excellent grades in this subject. She is a diligent and hardworking student. She is very quick at grasping concepts. She has consistently performed well in the class and has a good understanding of the fundamentals along with a strong desire to learn and enrich her knowledge.

I really appreciate her for his zeal to learn even the advanced topics which are not covered in the curriculum. She has distinguished herself as one of the best student in the class. She is a keen observer and a quick grasper with a wide range of innovative ideas.

TEJA A has shown her spontaneity, sheer knowledge and ability to grasp quickly during the class hours which are dedicated to seminars related to this subject. I find her to be a dedicated and industrious student. This can be demonstrated by her academic performance and I am very confident that she will excel in her higher studies and she will be a prospect for the future of your university.

I wish her all the success in her pursuits of academic advancements and career

Illinois Tech Recommendation Request <grad.recommend@iit.edu>
To<anuradha@mictech.ac.in>

Tue, Oct 11,2022 at 7:38 PM

ILLINOIS TECH Discover Create. Solve

Dear Anuradha A

I have started an application to the Master In Information Technology and Management program at Illinois Institute of Technology, College of Computing and request a letter of recommendation from you. My application will be reviewed within the next two weeks and I would greatly appreciate if you could complete my recommendation in this time frame.

Guidelines for Letters of Recommendation

Letters of recommendation should include the following:

- A testament to the applicant's skills, academic ability, and potential for graduate-level studies.
- Specific examples of how the applicant's skills, academic ability, and potential for graduate-level studies have successfully prepared them for their chosen field of study.

Please complete your recommendation by providing examples of support through our secure website. To submit your recommendation, please use the link below. This link is unique to this recommendation and should not be shared or forwarded.

[Submit Recommendation Here](#)

If you have any questions about the recommendation process, please feel free to contact us at admissions@id.iit.edu or 312.567.3020.

Thank you for your time and support!

UNIVERSITY OF BRIDGEPORT

Dear Saleem,

Congratulations on your admission to the University of Bridge Port for the MS in Computer Science & IT - Data Science Track program ! Please make sure that all information entered on the I-20 is correct (name, date of birth, country of birth and citizenship, education level and program of study, and your financial information). If not correct, please contact our office immediately. Listed below is important information, please read carefully.

IMPORTANT DATES

- July 30, 2019:** Earliest date you can enter the U.S. You cannot enter the U.S. as a student prior to this date.
- August 29, 2019:** MANDATORY Orientation before classes begin--you will receive an email requesting to confirm your attendance.
- August 29, 2019:** Latest date you can enter the U.S. You cannot arrive any later than the Program Start Date on your I-20. You may not be granted entry to the U.S. If you cannot arrive by this date, please contact International and Immigration Services.

September 6, 2019: Classes begin

***University policy states that you cannot switch majors upon arrival at University of Bridgeport**

SEVIS FEE/SCHOOL CODE

Now that you have received your Form I-20 you have to pay a \$350 SEVIS Fee by filing Form I-901 before you obtain your U.S. visa. The easiest way to do this is through the internet at www.FMJfee.com.

Bridge port University's school code is **BOS214F10554000**.

Make sure you enter your personal information exactly as it appears on your Form I-20 (and passport). If not correct, please contact us before paying the fee.

GETTING A U.S. VISA

After paying your SEVIS I-901 fee, please go to www.travel.state.gov for instructions on how to obtain your U.S. visa. Click on U.S. Visas, Study & Exchange, Student Visas.

To obtain a U.S. visa your first step will be to complete Form DS-160, upload your photo, and pay the required \$160 application fee. After completing your DS-160, schedule an interview at the U.S. consulate or embassy at your place of residence. **F-1 visa appointments can be scheduled no earlier than 120 days in advance of your program start date.** Bring to your interview all the documentation you presented to obtain your Form I-20 as well as your SEVIS Fee receipt, your Form I-20, your academic records and tests scores, your letter of admission, scholarship letter (if applicable) and proof of compelling ties. (Please note----Canadian citizens do not need to complete Form DS-160, but you are required to pay the SEVIS I-901 fee.)

Compelling ties are those things that tie you to your country and which prevent you from permanently moving to the United States. The best proofs of compelling ties are family ties, property, and previous U.S. travel. Be aware that the interview will be conducted in English. Prepare yourself so you can answer questions about your intention to study at the University of Bridgeport University.

ENTERING THE UNITED STATES

Make sure to carry the following documents with you when traveling:

- Valid Form I-20
- Valid passport
- Valid U.S. visa
- Your financial documentation
- University of Bridgeport University's letter of admission
- Receipt of SEVIS Fee; Form I-901

On the airplane (or means of transportation) you will be given an I-94 card. Complete this card and present it at the port of entry. U.S. Customs and Border Protection (CBP) has automated the arrival/departure process and an electronic record will be created. After arriving in the U.S., your admission number and electronic I-94 record can be obtained through the website www.cbp.gov/I-94

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

X <i>Steve Moore</i>	DATE ISSUED 12 January 2019	PLACE ISSUED Cincinnati, OH
SIGNATURE OF: Steve Moore, Assistant Director of International Initiatives		

STUDENT ATTESTATION

I have read and agreed to comply with the terms and conditions of my admission and those of any extension of stay. I certify that all information provided on this form refers specifically to me and is true and correct to the best of my knowledge. I certify that I seek to enter or remain in the United States temporarily, and solely for the purpose of pursuing a full program of study at the school named above. I also authorize the named school to release any information from my records needed by DHS pursuant to 8 CFR 214.3(g) to determine my nonimmigrant status. Parent or guardian, and student, must sign if student is under 18.

Dear Srilekha:

Congratulations on your admission as a classified graduate student to University of New Hampshire Edwardsville! You should be extremely proud of your academic accomplishments, and I am pleased to welcome you to the SIUE community for Spring 2023.

Now that you are admitted to SIUE, I want to help ensure you have a successful transition. Enclosed is your Departmental Decision Form, which may include any conditions pertinent to your admission. Please contact your graduate program director/advisor as soon as possible to discuss and finalize your enrollment. If you are currently attending an institution other than SIUE, your official degree-bearing transcript should be sent directly from the degree-granting institution electronically to sieuapps@siue.edu or by mail:

SIUE Office of Graduate Admissions
105 Main St
NH 03824 USA

Your transcript must clearly state the degree you were awarded. A hold may be placed on your account and prevent you from registering for the next term if we are unable to verify receipt of your bachelor's degree.

You can now activate your student ID and e-ID, which provides you with access to many services at SIUE. Use the enclosed instruction sheet to activate your e-ID.

I encourage you to visit Blackboard (bb.siue.edu) and browse through the Graduate Students tab of **SIUE 101** for tools to help you succeed in completing your degree. You will find information about parking, registration, childcare, graduate assistantship opportunities, the online graduate catalog and more.

Congratulations again on your admission to graduate school. Remember to check your SIUE email regularly, as all correspondence will be sent there. If you have questions, please feel free to call the Graduate School at 618-650-3010 or visit us in Rendleman Hall, Room 2202. You can also connect with us on Twitter and LinkedIn. I hope you are as excited as we are to have you join the SIUE community.

Sincerely,

A handwritten signature in black ink that reads "Jerry B. Weinberg".

LETTER OF RECOMMENDATION

I am writing to you in support of **Mr. MALINENI SAI VENKATESH** and his desire to attend your university for doing Master's program. I have assessed him in the subject "**DATA STRUCTURES THROUGH C**". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with, he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, he has taken up several other initiatives. His equal commitment and sincerity towards his studies and extracurricular activities impressed me immensely.

Mr. MALINENI SAI VENKATESH possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems, which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from the technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

LETTER OF RECOMMENDATION

I am delighted to recommend **JAHNAVI DANA MURALI MANOHAR Y**, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of **DVR and Dr. HS MIC College of Technology**, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I tutored him on the subject "**SOFTWARE ENGINEERING**" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

JAHNAVI DANA MURALI MANOHAR Y has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, **JAHNAVI DANA MURALI MANOHAR Y** is a well-mannered and polite individual. He gets along well with almost any body and has good relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I am delighted to recommend **KARTHIKEYA M**, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of **DVR and Dr. HS MIC College of Technology**, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I tutored him on the subject "**SOFTWARE ENGINEERING**" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

KARTHIKEYA M has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, **KARTHIKEYA M** is a well-mannered and polite individual. He gets along well with almost any body and has good relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. KAVYA SRI R with whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "**CLOUD COMPUTING**", in graduate program. From the tenure of my observation and interaction I can say that she is the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the language as well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has compliant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. KAVYA SRI R. for her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavour to acquire knowledge through higher studies.

LETTER OF RECOMMENDATION

I am delighted to recommend Mr. LAKSHMI NARAYANA S, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of DVR and Dr. HS MIC College of Technology, I have known him for four years of him under-graduation at our college. My appraisal of him application for graduation studies is based on my acquaintance with him.

I tutored his on the subject "SOFTWARE ENGINEERING" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr LAKSHMI NARAYANA Shas good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, LAKSHMI NARAYANAS is a well-mannered and polite individual. He gets along well with almost any body and has god relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. LAVANYA T with whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "CLOUD COMPUTING", in graduate program. From the tenure of my observation and interaction I can say that she is the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the languages as well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has pleasant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. LAVANYA T for her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavor to acquire knowledge through higher studies.

LETTER OF RECOMMENDATION

I am delighted to recommend **Mr. MANOJ KUMAR CH**, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of **DVR and Dr. HS MIC College of Technology**, I have known him for four years of him under-graduation at our college. My appraisal of him application for graduation studies is based on my acquaintance with him.

I tutored his on the subject "**SOFTWARE ENGINEERING**" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr MANOJ KUMAR CH has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, **Mr MANOJ KUMAR CH** is a well-mannered and polite individual. He gets along well with almost any body and has god relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. N S INDU M with whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "**CLOUD COMPUTING**", in graduate program. From the tenure of my observation and interaction I can say that she is the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the language as well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has complaisant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. N S INDU M for her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavor to acquire knowledge through higher studies.

LETTER OF RECOMMENDATION

I am delighted to recommend MrRAJESH CH, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of DVR and Dr. HS MIC College of Technology, I have known him for four years of him under-graduation at our college. My appraisal of him application for graduation studies is based on my acquaintance with him.

I tutored his on the subject "**SOFTWARE ENGINEERING**" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed an understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr. RAJESH CH has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, RAJESH CH is a well-mannered and polite individual. He gets along well with almost any body and has god relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. RUPA PRASUTHI P, with whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "**CLOUD COMPUTING**", in graduate program. From the tenure of my observation and interaction I can say that she is the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the languages as well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has pleasant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. RUPA PRASUTHI P for her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavor to acquire knowledge through higher studies.

Provisional Admission

Dear SAI CHARAN M:

On behalf of the USF President, the USF Board of Trustees, and the faculty, staff, and students of the University of South Florida CONGRATULATIONS on your official admission to the University of South Florida Tampa Campus. We welcome you to the Master of Science degree program In Business Analytics and Information Systems for the Fall 2023 semester. Based on our most current information, your residency classification for tuition purposes is Non-Florida Resident, International.

For Information about Florida residency, New Graduate Orientation, and to learn about the next steps to enroll as a graduate student, please visit Admitted Graduate Students Checklist webpage at admissions.usf.edu/arad-checklist.

You have been provisionally admitted because we are missing the following item(s). To remove the provisional status, please submit the following as soon as possible, and no later than the end of your first semester of enrollment:

Final Official College Transcript with Bachelors degree India (All Col) Diploma/Grad Certificate Awarded or Provisional

Also, international students must complete the Immigration check-in process. As an international student, you will receive an email with details on how to access IStart, the university's system for immigration documents and tasks.

Again, I congratulate you on your admission to the University of South Florida. I wish you every success in your pursuit of academic excellence.

Sincerely,

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. SOWMYA SREE Uwith whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "CLOUD COMPUTING", in graduate program. From the tenure of my observation and interaction I can say that sheis the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the languageas well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has complaisant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. SOWMYA SREE Ufor her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavor to acquire knowledge through higher studies.

Provisional Admission

Dear SOWMYAMISHRA CH

:

On behalf of the USF President, the USF Board of Trustees, and the faculty, staff, and students of the University of South Florida CONGRATULATIONS on your official admission to the University of South Florida Tampa Campus. We welcome you to the Master of Science degree program In Business Analytics and Information Systems for the Fall 2023 semester. Based on our most current information, your residency classification for tuition purposes is Non-Florida Resident, International.

For Information about Florida residency, New Graduate Orientation, and to learn about the next steps to enroll as a graduate student, please visit Admitted Graduate Students Checklist webpage at admissions.usf.edu/arad-checklist.

You have been provisionally admitted because we are missing the following item(s). To remove the provisional status, please submit the following as soon as possible, and no later than the end of your first semester of enrollment:

Final Official College Transcript with Bachelors degree India (All Col) Diploma/Grad Certificate Awarded or Provisional

Also, international students must complete the Immigration check-in process. As an international student, you will receive an email with details on how to access iStart, the university's system for immigration documents and tasks.

Again, I congratulate you on your admission to the University of South Florida. I wish you every success in your pursuit of

academic excellence.

Sincerely,

Sean Gilmore

LETTER OF RECOMMENDATION

I am delighted to recommend Mr. SRI SANTHOSH BHARGAV who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of DVR and Dr. HS MIC College of Technology, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I tutored him on the subject "SOFTWARE ENGINEERING" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr. SRI SANTHOSH BHARGAV has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, SRI SANTHOSH BHARGAV is a well-mannered and polite individual. He gets along well with almost any body and has god relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I am delighted to recommend **Mr.TARUN KUMAR S** who is interested in pursuing his Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of DVR and Dr. HS MIC College of Technology, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him “Design and Analysis of Algorithms” and “Database Management System”. He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him:

Driven by inspirations, incorporated by new ideas and guided by strong fundamentals. He has ardency for technological innovations in the contemporary world. This is clearly visible by the field he choose for his academic projects. He could converse fluently and very coherently and was successful in explaining his points clearly in project presentations. He has got the potential to perform well in a highly competitive atmosphere.

In short, I would like to say Mr.TARUN KUMAR S is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend him for admission to the graduate program with financial assistance and will be glad to entertain any further communication in this regard.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. TRIVENI Nwith whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "**CLOUD COMPUTING**", in graduate program. From the tenure of my observation and interaction I can say that sheis the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the languageas well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has complaisant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task thatshe confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. TRIVENI Nfor her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavor to acquire knowledge through higher studies.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. VANAJA P with whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "CLOUD COMPUTING", in graduate program. From the tenure of my observation and interaction I can say that she is the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the language as well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has compliant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend VANAJA P for her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavor to acquire knowledge through higher studies.

Provisional Admission

Dear VENKATA NAGA SAI TEJA SRI P:

On behalf of the USF President, the USF Board of Trustees, and the faculty, staff, and students of the University of South Florida CONGRATULATIONS on your official admission to the University of South Florida Tampa Campus. We welcome you to the Master of Science degree program in Business Analytics and Information Systems for the Fall 2023 semester. Based on our most current information, your residency classification for tuition purposes is Non-Florida Resident, International.

For information about Florida residency, New Graduate Orientation, and to learn about the next steps to enroll as a graduate student, please visit Admitted Graduate Students Checklist webpage at admissions.usf.edu/arad-checklist.

You have been provisionally admitted because we are missing the following item(s). To remove the provisional status, please submit the following as soon as possible, and no later than the end of your first semester of enrollment:

Final Official College Transcript with Bachelor's degree India (All Col) Diploma/Grad Certificate Awarded or Provisional

Also, international students must complete the Immigration check-in process. As an international student, you will receive an email with details on how to access iStart, the university's system for immigration documents and tasks.

Again, I congratulate you on your admission to the University of South Florida. I wish you every success in your pursuit of academic excellence.

Sincerely,

Sean Gilmore
Interim Director of Admissions

LETTER OF RECOMMENDATION

I am delighted to recommend Mr.VENKATESH A who is interested in pursuing his Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of DVR and Dr. HS MIC College of Technology, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him "Design and Analysis of Algorithms" and "Database Management System". He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him.

Driven by inspirations, incorporated by new ideas and guided by strong fundamentals. He has ardency for technological innovations in the contemporary world. This is clearly visible by the field he chooses for his academic projects. He could converse fluently and very coherently and was successful in explaining his points clearly in project presentations. He has got the potential to perform well in a highly competitive atmosphere.

In short, I would like to say Mr.VENKATESH A is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend him for admission to the graduate program with financial assistance and will be glad to entertain any further communication in this regard.

LETTER OF RECOMMENDATION

It is indeed a great pleasure in vouching Ms. Seelam Sireesha, a cheerful and prompt student of mine for three years (during his graduation which I had an opportunity to judge her capabilities and integrity personally as well as academically).

Apart from studies and projects, Ms. Seelam Sireeshatook an active part in many extra-curricular activities. She is indeed a very creative learner and her leadership skills have been brought to the several occasions. She has an ability to organize and express her ideas dearly in English both orally and in writing. Her dynamic organizational involvement in various activities of both international and national co-curricular activities organized by DVR & Dr. HS MIC College of Technology, Kanchikacherla, stands a worthy testimony for her leadership skills.

Bearing his impressive caliber in mind I strongly place him among the top 5% of the students associated with me in recent year. She is sincere and detailed in his approach with positive attitude and willingness to delve deep into the subjects, she will reach great heights in his career and I believe he will be an extremely valuable addition to your university and the department. Her dedication towards higher studies, the quest for knowledge and her abilities leads me to strongly recommend Ms. Seelam Sireeshat to the graduate program in your esteemed university with possible financial aid.

LETTER OF RECOMMENDATION

It gives me great pleasure in recommending Mr.Akhil Yto your esteemed university. He has been associated with me for 4 years during which I had ample of time in assessing his both academically and personally.

His Performance in Curricular and Co-Curricular activities have been commendable. I taught him Subject "E-COMMERCE" in his curriculum. I found him to be keen listener, hardworking and an active partner in class discussions. He has shown a natural aptitude for the courses. He has an in-depth knowledge of principle involved in the subject and has excellent skills in both theoretical aspects as well as problem solving. His ability to grasp and deliver concepts, which comes naturally, had enabled, him to succeed in his attempts. His dedication to work and punctuality in sending assignments before time serve to underline her ambitious nature. I have found him as a sedulous student and academically he has been among few outstanding students who have a consistent and good academic record.

His excellent proficiency in English facilities, lucid expression of thoughts and ideas. This should make him a good prospect for teaching or research responsibilities. He has peerless inquisitiveness and enthusiasm to great abreast with the latest development in the subject. He is highly motivated person and can achieve anything by the dint of determination. He is extremely hardworking and accomplish a splendidly consistent academic record.

Bearing his impressive background and caliber in mind I unequally vouch for the fact that she will be an ideal candidate for this Master's program in your esteemed university. It would certainly be a prudent decision to enlist him as a student in your department.

LETTER OF RECOMMENDATION

It gives me great pleasure in recommending Mr. Jaya Ram D to your esteemed university. He has been associated with me for 4 years during which I had ample of time in assessing his both academically and personally.

His Performance in Curricular and Co-Curricular activities have been commendable. I taught him Subject "E-COMMERCE" in his curriculum. I found him to be keen listener, hardworking and an active partner in class discussions. He has shown a natural aptitude for the courses. He has an in-depth knowledge of principle involved in the subject and has excellent skills in both theoretical aspects as well as problem solving. His ability to grasp and deliver concepts, which comes naturally, had enabled, him to succeed in his attempts. His dedication to work and punctuality in sending assignments before time serve to underline her ambitious nature. I have found him as a sedulous student and academically he has been among few outstanding students who have a consistent and good academic record.

His excellent proficiency in English facilities, lucid expression of thoughts and ideas. This should make him a good prospect for teaching or research responsibilities. He has peerless inquisitiveness and enthusiasm to great abreast with the latest development in the subject. He is highly motivated person and can achieve anything by the dint of determination. He is extremely hardworking and accomplish a splendidly consistent academic record.

Bearing his impressive background and caliber in mind I unequally vouch for the fact that she will be an ideal candidate for this Master's program in your esteemed university. It would certainly be a prudent decision to enlist him as a student in your department.

LETTER OF RECOMMENDATION

I am writing to you in support of Mr.Naga Prasad R and his desire to attend your university for doing Master's program. I have assessed him in the subject "INDUCTION AND SYNCHRONOUS MACHINES". I think some of my observations are worth mentioning while I pen down my letter recommending him to study at your university.

To begin with ,he is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. He is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, she has taken up several other initiatives. His equal commitment and sincerity towards his studies and extracurricular activities impressed me immensely.

Mr. Mr.Naga Prasad R possesses a very fine personality for which he is liked by one and all in the department, with his friendly disposition, he can fit into any team. He has a theoretically well-backed approach to solving problems, which clearly displays his innovative and experimental skills. His understanding of concepts with ease makes him an ideal candidate for any kind of work.

He is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps himself updated on the latest developments and goes through which was evident from the technical discussions and interviews I had with him. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish his all the best in his future.

She is an ambitious and career-oriented person who believes in reality and completing the work meticulously. He keeps herself updated on the latest developments and goes through which was evident from the technical discussions and interviews I had with her. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend him for admission into your university. I wish him all the best in his future.

Associate Professor,
Department of Mechanical Engineering,
Email: vlnodaranjith@gmail.com

LETTER OF RECOMMENDATION

I am writing to you in support of Ms.CH Suchitha and her desire to attend your university for doing Master's program. I have assessed him in the subject "**INDUCTION AND SYNCHRONOUS MACHINES**". I think some of my observations are worth mentioning while I pen down my letter recommending her to study at your university.

To begin with, she is a perky class participant and brings together an engineer's analytical approach, a keen grasp of basic facts. She is a self-starter and likes to go beyond the theoretical point of view, to the practical application of subjects. Other than the stipulated work in class, she has taken up several other initiatives. Her equal commitment and sincerity towards her studies and extracurricular activities impressed me immensely.

Ms.CH suchitha possesses a very fine personality for which she is liked by one and all in the department, with her friendly disposition, she can fit into any team. She has a theoretically well-backed approach to solving problems, which clearly displays her innovative and experimental skills. Her understanding of concepts with ease makes him an ideal candidate for any kind of work.

She is an ambitious and career-oriented person who believes in reality and completing the work meticulously. She keeps herself updated on the latest developments and goes through which was evident from the technical discussions and interviews I had with her. I am confident that he will continue to display the same commitment and diligence. Hence, I strongly recommend her for admission into your university. I wish her all the best in her future.

LETTER OF RECOMMENDATION

It gives me great pleasure in recommending Ms. Amruthavalli K to your esteemed University. She has been associated with me for four years during which I had ample time in assessing her both academically and personally.

Her performance in curricular and co-curricular activities has been commendable; I taught her the subjects ENGLISH-II & SOFT SKILLS in her curriculum. I found her to be; a keen listener, hardworking and an active person in class discussions. She has shown a natural aptitude for the course. She has an in-depth knowledge of the concepts and she has displayed a rare ability in handling both theoretical and practical aspects. Her ability to grasp and deliver concepts, which comes naturally to her, had enabled her to succeed in her attempts. Her dedication to work and "punctuality in sending assignments before time" serve to underline her ambitious nature. I have found her to be a sagacious student and academically she has been among a few outstanding students who enjoy a consistent and good academic record.

She possesses an excellent proficiency in English with lucid expression of thoughts and ideas. This should make her a good prospect for teaching or research responsibilities. She has peerless inquisitiveness enthusiasm to keep abreast with the latest development in the subject. She is a highly motivated person and can achieve anything by dint of determination. She is extremely hardworking and has accomplished a splendidly consistent academic record.

Bearing her impressive background and caliber in mind, I unequally vouch for the fact that she will be an ideal candidate for this Master's program in your esteemed University. It would certainly be a prudent decision to enlist her as a student in your department.

Academically yours

(Dr. G. Ashok Vardhan)

I found her to be; a keen listener, hardworking and an active person in class discussions. She has shown a natural aptitude for the course. She has an in-depth knowledge of the concepts and she has displayed a rare ability in handling both theoretical and practical aspects. Her ability to grasp and deliver concepts, which comes naturally to her, had enabled her to succeed in her attempts. Her dedication to work and punctuality in sending assignments before time: serve to underline her ambitious nature. I have found her to be a sagacious student and academically she has been among a few outstanding students who enjoy a consistent and good academic record.

She possesses an excellent proficiency in English with lucid expression of thoughts and ideas. This should make her a good prospect for teaching or research responsibilities. She has peerless inquisitiveness enthusiasm to keep abreast with the latest development in the subject. She & a highly motivated person arid can achieve anything by dint of determination. She is extremely hardworking and has accomplished a splendidly consistent academic record.

Bearing her impressive background and caliber in mind, I unequally vouch for the fact that she will be an ideal candidate for this Master's program in your esteemed University. It would certainly be a prudent decision to enlist her as a student in your department.

Academically yours

(Dr. G. Ashok Vardhan)

LETTER OF RECOMMENDATION

It gives me great pleasure in recommending Ms. Anusha T to your esteemed University. She has been associated with me for four years dining which I had ample time in assessing her both academically and personally.

Her performance in curricular and co-curricular activities has been commendable; I taught her the subjects ENGLISH-II & SOFT SKILLS in her curriculum. I found her to be; a keen listener, hardworking and an active person in class discussions. She has shown a natural aptitude for the course. She has an in-depth knowledge of the concepts and she has displayed a rare ability in handling both theoretical and practical aspects. Her ability to grasp and deliver concepts, which comes naturally to her, had enabled her to succeed in her attempts. Her dedication to work and punctuality in sending assignments before time: serve to underline her ambitious nature. I have found her to be a sagacious student and academically she has been among a few outstanding students who enjoy a consistent and good academic record.

LETTER OF RECOMMENDATION

It is indeed a great pleasure in vouching Mr. Basava Anjeneyulu A, a cheerful and prompt student of mine for three years (hiring his graduation which I had an opportunity to judge his capabilities and integrity personally as well as academically.

Apart from studies and projects, Mr. Basava Anjeneyulu A took an active part in many extra-curricular activities. He is indeed a very creative learner and his leadership skills have been brought to the fore on several occasions. He has an ability to organize and express his ideas clearly in English both orally and in writing. His dynamic organizational involvement in various activities of both international and national co-curricular activities organized by DVR & Dr. HS MIC College of Technology, Kanchikacherla, stands a worthy testimony for his leadership skills.

Bearing his impressive caliber in mind I strongly place him among the top 5% of the students associated with me in recent year. He is sincere and detailed in his approach with positive attitude and willingness to delve deep into the subjects, he will reach great heights in his career and I believe he will be an extremely valuable addition to your university and the department. His dedication towards higher studies, the quest for knowledge and his abilities leads me to strongly recommend Mr. Basava Anjeneyulu A to the graduate program in your esteemed university with possible financial aid.

LETTER OF RECOMMENDATION

It is indeed a great pleasure in vouching Ms. Bhavya Sri A, a cheerful and prompt student of mine for three years (hiring his graduation which I had an opportunity to judge her capabilities and integrity personally as well as academically).

Apart from studies and projects, Ms. Bhavya Sri Atook an active part in many extra-curricular activities. She is indeed a very creative learner and her leadership skills have been brought to the several occasions. She has an ability to organize and express her ideas dearly in English both orally and in writing. Her dynamic organizational involvement in various activities of both international and national co-curricular activities organized by DVR A Dr. HS MIC College of Technology, Kanchikacherla, stands a worthy testimony for her leadership skills.

Bearing his impressive caliber in mind I strongly place him among the top 5% of the students associated with me in recent year. She is sincere and detailed in his approach with positive attitude and willingness to delve deep into the subjects, she will reach great heights in his career and I believe he will be an extremely valuable addition to your university and the department. Her dedication towards higher studies, the quest for knowledge and her abilities leads me to strongly recommend Ms.Bhavya Sri A to the graduate program in your esteemed university with possible financial aid.

LETTER OF RECOMMENDATION

I am contented to endorse this letter of recommendation in favor of Mr DHEERAJ KRISHNA G who is keen to pursue higher studies at your institution. I know him for the past four years as an undergraduate student, where I had taught him the courses in the field like Compiler Design in 6th semester and have been instructor for laboratory courses like "Computer Networks" in 6th semester.

Aesthetic programming skills, perseverance and tenacity to complete the work assigned in him. His keen insight into the learning process and innovative thinking made him participate in various technical symposiums conducted in the college. He is hardworking student with excellent creative and observation skills. He can carryout practical work independently and also extended good cooperation in teamwork. He has also worked, under my supervision in organizing lab and Department works.

His manners are quite pleasing and he has a natural drive to come up with solutions for problems since he has a sound knowledge of the concepts taught in class. He is enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. He is willing to go ahead and get a comprehensive picture of things, rather than acquiring a surface understanding.

On associating with him, I have found him to be attentive and enthusiastic during discussions and his interest is evident through the projects and assignments that he undertakes. His ability to convince people has always impressed me. Good communication and organizational skills help him to be at the forefront of organizing seminars. Undoubtedly, he will be a source of inspiration for others. Considering his academic excellence and effective communication skills I recommend him in the strongest terms for admission to the Graduate Program at your University preferably with financial aid

LETTER OF RECOMMENDATION

I am contented to endorse this letter of recommendation in favor of Ms GEETHA E who is keen to pursue higher studies at your institution. I know her for the past four years as an undergraduate student, where I had taught her the courses in the field like Compiler Design in 6th semester and have been instructor for laboratory courses like "Computer Networks" in 6th semester.

Aesthetic programming skills, perseverance and tenacity to complete the work assigned to her. Her keen insight into the learning process and innovative thinking made her participate in various technical symposiums conducted in the college. She is hardworking student with excellent creative and observation skills. She can carryout practical work independently and also extended good cooperation in teamwork. She has also worked, under my supervision in organizing lab and Department works.

Her manners are quite pleasing and she has a natural drive to come up with solutions for problems since she has a sound knowledge of the concepts taught in class. She is enthusiastic during discussions and her interest is evident through the projects and assignments that he undertakes. She is willing to go ahead and get a comprehensive picture of things, rather than acquiring a surface understanding.

On associating with her, I have found him to be attentive and enthusiastic during discussions and her interest is evident through the projects and assignments that he undertakes. Her ability to convince people has always impressed me. Good communication and organizational skills help her to be at the forefront of organizing seminars. Undoubtedly, her will be a source of inspiration for others. Considering his academic excellence and effective communication skills I recommend him in the strongest terms for admission to the Graduate Program at your University preferably with financial aid

LETTER OF RECOMMENDATION

I am writing this letter in support of **Mr. Ravi Chand Ch** a Civil Engineering student at our college. During the IV-I he learned aspects of the **Environmental Engineering**, under my supervision and assistance. I have known him for a few years and find him to be a dedicated and hardworking student.

He is an exceptional student who achieves high grades as a consequence of his hard effort. He approached me on several occasions, attempting to understand every small detail of various design concepts. His motivation stood out among his peers because of his inquisitive intellect and pragmatic thinking.

Observing him up close, he is an intelligent and hard working student with a genuine desire to study. This inclination stems from his curious bent of mind and a nature for questioning. When addressed by fellow students, he has the capacity to communicate himself clearly which considerably boosts his expressiveness in resolving doubts. His intense enthusiasm perseverance and intellectual curiosity motivate him to become completely interested in and excel at his work.

Apart from academics, **Mr. Ravi Chand Ch** participated passionately in the department's many co-curricular activities and also played an active role in national service scheme. Every year I see a few students who are extremely enthusiastic about their work and he is undoubtedly one of them.

In my unbiased opinion, he has a rich blend of discipline diligence required for a person who desires a career in graduate program. I recommend him to the masters program at your esteemed university with possible assistantship.

LETTER OF RECOMMENDATION

I am delighted to recommend **Mr. KOTI KRISHNA K**, who is interested in pursuing his Masters at your esteemed university. As a faculty of Civil Engineering of **DVR and Dr. HS MIC College of Technology**, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him "**STRENGTH OF MATERIALS-I & II**". He has a good hold on the above subjects. He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him.

Mr. KOTI KRISHNA K is driven by inspirations, incorporated by new ideas and guided by strong fundamentals. He has ardency for technological innovations in the contemporary world. This is clearly visible by the field he choose for his academic projects. He could converse fluently and very coherently and was successful in explaining his points clearly in project presentations. He has got the potential to perform well in a highly competitive atmosphere.

In short, I would like to say **Mr. KOTI KRISHNA K** is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend his candidature and will be glad to entertain any further communication in this regard.

As a faculty of Civil Engineering of DVR and Dr. HS MIC College of Technology, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I have been able to gauge his strengths and abilities. He has a terrific ability to draw on his experiences and develop thoughtful opinions on a variety of issues. I taught him "STRENGTH OF MATERIALS-I & II". He has a good hold on the above subjects. He is an individual with good subject involvement and his systematic approach is evident from his exceptional aptitude in engineering profession. His technical knowledge is no doubt an asset to him.

Mr. LAKSHMI NARAYANA G is driven by inspirations, incorporated by new ideas and guided by strong fundamentals. He has ardency for technological innovations in the contemporary world. This is clearly visible by the field he choose for his academic projects. He could converse fluently and very coherently and was successful in explaining his points clearly in project presentations. He has got the potential to perform well in a highly competitive atmosphere.

In short, I would like to say Mr. LAKSHMI NARAYANA G is a hardworking, courteous individual, who in my opinion is well suited for research. His aptitude that combines perseverance, commitment and creativity will certainly make him a valuable member of your institution. I strongly recommend his candidature and will be glad to entertain any further communication in this regard.

LETTER OF RECOMMENDATION

I am delighted to recommend Mr. PAVAN KALYAN M, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of DVR and Dr. HS MIC College of Technology, I have known him for four years of him under-graduation at our college. My appraisal of him application for graduation studies is based on my acquaintance with him.

I tutored his on the subject "SOFTWARE ENGINEERING" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr. PAVAN KALYAN M, has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, Mr. PAVAN KALYAN M is a well-mannered and polite individual. He gets along well with almost any body and has god relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I am happy to pen this recommendation for Ms. RAMYA SREE V, with whom I foster a close interaction for the past few years. She is one of the brightest and enthusiastic students I had ever taught. She took my subject "**CLOUD COMPUTING**", in graduate program. From the tenure of my observation and interaction I can say that she is the most ambitious and industrious person in my class.

I appreciate the contribution she made to my class in making it a more interactive discussion rather than a conventional classroom teaching. She used to ponder me with many questions and was always the first person to complete the assignments in the class. I also helped her in some of her projects and was amused by the ways she researched for accomplishing her projects.

Her prospects as a researcher are strongly complemented by experimental skills in the laboratory. Her grasp over the language as well as her writing abilities, shall stand her in good stead in subsequent research and teaching assignments. Her curiosity and her stand to put things to perfection shall surely be an advantage. Her role in various events organized by our department is appreciable. Furthermore, she has complaisant manners and a good character.

She is a student of high moral and ethical standards. I am sure she will put forth all her effort into any task that she confronts. By furnishing her with a graduate program in your University, you will not only give her an opening for career headway but also help her reach the supreme level of accomplishment. With full confidence in her abilities, I strongly recommend Ms. RAMYA SREE V for her studies in your esteemed University, with suitable financial aid.

I convey my best wishes to her in future endeavor to acquire knowledge through higher studies.

Letter of Recommendation Request

Dear Mr Subba Rao N V,

This is an automated email informing you that an applicant to the University of New Hampshire Graduate School has indicated that you will be submitting a letter of recommendation on their behalf.

Applicant Information:

- Name: RAVICHAND CH
- Email: ravi1234@gmail.com
- Term: Fall 2019
- Program: Civil and Environmental Engineering MS
- Agreed to Waiver of this Letter: Yes

Please use the link below to fill out the letter of recommendation form and submit your letter of recommendation. Please note, the form cannot

LETTER OF RECOMMENDATION

I deem it a pleasure to introduce Ms. AKSHITHA K who has been my under graduate student in the department of Civil Engineering. I have taught her "SOFTWARE ENGINEERING". I had observed her at very close quarters and these observations brought me a clear picture about her.

I found her sincere and bright student with a strong desire to pursue perspective carrier in the field of Computer Science Engineering, her ability to interact with people has always impressed me, and she had attended to classes regularly. Although my subjects require understanding skills, she was able to cope up with the subject with her ability to work hard and problem solving skills. She was good at analyzing difficult situations and derives logical solution. Her academics were quite impressive. Apart from her academics she was very good at communication and organizational skills. I found her very active at organizing and participating in various activities in and out of the department. In my interaction with her I was impressed at her sense of commitment and hard work.

Her command over English is fairly comfortable and quite impressive, which I observed when she was handling different seminars conducted at our college. She was a student who is always enthusiastic and eager to know new information from me.

She quest for knowledge and perseverance for excellence ideally qualify her for any Masters course. I recommend and I am confident that she will continue to be a promising, competitive, sincere and an ideal student for her Masters at your university.

LETTER OF RECOMMENDATION

I am delighted to recommend **CHANDU CHARAN M**, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of **DVR and Dr. HS MIC College of Technology**, I have known him for four years of him under-graduation at our college. My appraisal of him application for graduation studies is based on my acquaintance with him.

I tutored his on the subject "**SOFTWARE ENGINEERING**" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr. CHANDU CHARAN M has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, **CHANDU CHARAN M** is a well-mannered and polite individual. He gets along well with almost any body and has god relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I am delighted to recommend **HEMANTH V**, who is interested in pursuing him Masters at your esteemed university. As a faculty of Computer Science & Engineering Department of **DVR and Dr. HS MIC College of Technology**, I have known him for four years of his under-graduation at our college. My appraisal of his application for graduation studies is based on my acquaintance with him.

I tutored him on the subject "**SOFTWARE ENGINEERING**" in the third semester. He showed great interest on the subject and has firm grip over the fundamentals. Under this course he had developed a understanding of fundamentals and design procedure of software engineering. In such different and theoretical subject, he tried to imbibe practical approach to every concept.

Mr. HEMANTH V has good communication skills and soft skills. I had the opportunity to observe his working in a group in the lab sessions. On a personal level, **HEMANTH V** is a well-mannered and polite individual. He gets along well with almost any body and has good relationship with his peers which assures that he is a good team player.

I can say he has the right kind of qualities to go in for graduate studies. He is a promising student and is fit to study in your institution. I strongly recommend him for consideration in to your esteemed institution and I am sure he will undoubtedly prove himself to be an asset to your institution.

LETTER OF RECOMMENDATION

I deem it a pleasure to introduce Ms. HARIKA B who has been my under graduate student in the department of Civil Engineering. I have taught her Environmental Engineering – I & II. I had observed her at very close quarters and these observations brought me a clear picture about her.

I found her sincere and bright student with a strong desire to pursue perspective carrier in the field of Civil Engineering, her ability to interact with people has always impressed me, and she had attended to classes regularly. Although my subjects require understanding skills, she was able to cope up with the subject with her ability to work hard and problem solving skills. She was good at analyzing difficult situations and derives logical solution. Her academics were quite impressive. Apart from her academics she was very good at communication and organizational skills. I found her very active at organizing and participating in various activities in and out of the department. In my interaction with her I was impressed at her sense of commitment and hard work.

Her command over English is fairly comfortable and quite impressive, which I observed when she was handling different seminars conducted at our college. She was a student who is always enthusiastic and eager to know new information from me.

She quest for knowledge and perseverance for excellence ideally qualify her for any Masters course. I recommend and I am confident that she will continue to be a promising, competitive, sincere and an ideal student for her Masters at your university.

LETTER OF RECOMMENDATION

I am writing this letter in support of Mr. HUSSIAN SHARIF SK a Civil Engineering student at our college. During the 3-2, and 4-1 semesters, he learned aspects of the Environment Engineering-I, and Environment Engineering-II, under my supervision and assistance. I have known him for a few years and find him to be a dedicated and hardworking student.

He is an exceptional student who achieves high grades as a consequence of his hard effort. He approached me on several occasions, attempting to understand every small detail of various design concepts. His motivation stood out among his peers because of his inquisitive intellect and pragmatic thinking.

Observing him up close, he is an intelligent and hard working student with a genuine desire to study. This inclination stems from his curious bent of mind and a nature for questioning. When addressed by fellow students, he has the capacity to communicate himself clearly which considerably boosts his expressiveness in resolving doubts. His intense enthusiasm perseverance and intellectual curiosity motivate him to become completely interested in and excel at his work.

Apart from academics, Mr. HUSSIAN SHARIF SK participated passionately in the department's many co-curricular activities and also played an active role in national service scheme. Every year I see a few students who are extremely enthusiastic about their work and he is undoubtedly one of them.

In my unbiased opinion, he has a rich blend of discipline diligence required for a person who desires a career in graduate program. I recommend him to the masters program at your esteemed university with possible assistantship.

LETTER OF RECOMMENDATION

I am writing this letter in support of **Mr. Siraj Sk** a Civil Engineering student at our college. During the IV-I he learned aspects of the **Environmental Engineering**, under my supervision and assistance. I have known him for a few years and find him to be a dedicated and hardworking student.

He is an exceptional student who achieves high grades as a consequence of his hard effort. He approached me on several occasions, attempting to understand every small detail of various design concepts. His motivation stood out among his peers because of his inquisitive intellect and pragmatic thinking.

Observing him up close, he is an intelligent and hard working student with a genuine desire to study. This inclination stems from his curious bent of mind and a nature for questioning. When addressed by fellow students, he has the capacity to communicate him self clearly which considerably boosts his expressiveness in resolving doubts. His intense enthusiasm perseverance and intellectual curiosity motivate him to become completely interested in and excel at his work.

Apart from academics, **Mr. Siraj Sk** participated passionately in the department's many co-curricular activities and also played an active role in national service scheme. Every year I see a few students who are extremely enthusiastic about their work and he is undoubtedly one of them.

In my unbiased opinion, he has a rich blend of discipline diligence required for a person who desires a career in graduate program. I recommend him to the masters program at your esteemed university with possible assistantship.

LETTER OF RECOMMENDATION

As a faculty of CIVIL ENGINEERING in DVR & Dr. HS MIC College of Technology. I am pleased to recommend you one of our students for Master's program at your University. I mentored him in the course "Management and International Business" or "International Managements" I have found Shiva Naga S be assiduous and motivated student. In the classroom he is capable of grasping new concepts quickly and I observed his zeal in learning them practically. He has excellent communication skills and can convey his thoughts, ideas or doubts clearly and momentarily. He completes every work allotted to him before the deadline and encourages his fellow classmates to complete the assignments. With his awareness, wit and presence of mind, he has always helped to keep the environment of the class lively. This shows how he enjoys working with his student peers and binds the team together.

Coming to his academic performance Shiva Naga S a decent percentage throughout his academics. He is very good at the subject I taught him. He showed his enthusiasm to participate in many co-curricular activities which includes active participation in Workshops conducted by the Department of Civil Engineering.

On a personal scale, Shiva Naga S a well-mannered and polite student. He is capable of expressing the right things at the right time. He gets along well with almost everyone and has good relationship with his peers. His ability to delegate is something that needs to be praised. I recommend him for Graduate Studies and full financial assistance. In my opinion his academic know-how, competence and commitment definitely makes him one of the most worthy students I have ever taught. Please feel free to contact me to have any further information about Shiva Naga S for your kind consideration.

LETTER OF RECOMMENDATION

As a faculty of CIVIL ENGINEERING in DVR & Dr. HS MIC College of Technology. I am pleased to recommend you one of our students for Master's program at your University. I mentored him in the course "Management and International Business" or "International Managements" I have found **Vamsi Krishna D** be assiduous and motivated student. In the classroom he is capable of grasping new concepts quickly and I observed his zeal in learning them practically. He has excellent communication skills and can convey his thoughts, ideas or doubts clearly and momentarily. He completes every work allotted to him before the deadline and encourages his fellow classmates to complete the assignments. With his awareness, wit and presence of mind, he has always helped to keep the environment of the class lively. This shows how he enjoys working with his student peers and binds the team together.

Coming to his academic performance **Vamsi Krishna D** a decent percentage throughout his academics. He is very good at the subject I taught him. He showed his enthusiasm to participate in many co-curricular activities which includes active participation in Workshops conducted by the Department of Civil Engineering.

On a personal scale, **Vamsi Krishna D** a well-mannered and polite student. He is capable of expressing the right things at the right time. He gets along well with almost everyone and has good relationship with his peers. His ability to delegate is something that needs to be praised. I recommend him for Graduate Studies and full financial assistance. In my opinion his academic know-how, competence and commitment definitely makes him one of the most worthy students I have ever taught. Please feel free to contact me to have any further information about **Vamsi Krishna D** for your kind consideration.

Letter of recommendation

Mr. Ajay Verma has been my student for the past three years. I have handled **MECHANICS OF SOLIDS & THEORY OF MACHINERY**. He is an intelligent and diligent student excelling in both academic work and co-curricular activities.

Mr. Ajay Verma P is an extremely self-motivated student with sharp intellect. His enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides his regular course work, he has participated in various symposiums and technical seminars.

Mr. Ajay Verma P is studious and very strong in his fundamentals. He has excellent command over English and apart from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Mr. Ajay Verma P research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

In view of the above qualities, I strongly recommend **Mr. Ajay Verma P** for admission in your university for the graduate program with full financial assistance.

Sincerely,

(Mr. R. Ranjith Kumar)

Mr. Aravind Babu A has been my student for the past three years. I have handled **MECHANICS OF SOLIDS & THEORY OF MACHINERY**. He is an intelligent and diligent student excelling in both academic work and co-curricular activities.

Mr. Aravind Babu A is an extremely self-motivated student with sharp intellect. His enthusiasm in problem-solving and the ability to analyze ideas are peerless. Besides his regular course work, he has participated in various symposiums and technical seminars.

Mr. Aravind Babu A is studious and very strong in his fundamentals. He has excellent command over English and apart from being studious in his academic work, he is an enthusiastic participant in technical quizzes. He has an ability to rapidly grasp and perceive new concepts.

Mr. Aravind Babu A research orientation and strong inclination towards his field of interest will help him make significant contributions to his field. A good wholesome personality coupled with leadership qualities will make him an asset to any team he may work with. His aplomb and alacrity wonderfully blended with suitableness will be a great source of motivation for the members of the team he is in.

In view of the above qualities, I strongly recommend **Mr. Aravind Babu A** for admission in your university for the graduate program with full financial assistance.

Sincerely,

(Mr. R. Ranjith Kumar)

LETTER OF RECOMMENDATION

It gives me great pleasure in recommending Mr. Hernanth Sai Kumar T to your esteemed University. He has been associated with me for four years during which I had ample time in assessing him both academically and personally.

His performance in curricular and co-curricular activities has been commendable; I taught him the subjects ENGLISH-II & SOFT SKILLS in his curriculum. I found him to be; a keen listener, hardworking and an active person in class discussions. He has shown a natural aptitude for the course. He has an in-depth knowledge of the concepts and he has displayed a rare ability in handling both theoretical and practical aspects. His ability to grasp and deliver concepts, which comes naturally to him, had enabled him to succeed in his attempts. His dedication to work and "punctuality in sending assignments before time" serve to underline his ambitious nature. I have found him to be a sagacious student and academically he has been among a few outstanding students who enjoy a consistent and good academic record.

He possesses an excellent proficiency in English with lucid expression of thoughts and ideas. This should make him a good prospect for teaching or research responsibilities. He has peerless inquisitiveness enthusiasm to keep abreast with the latest development in the subject. He is a highly motivated person and can achieve anything by dint of determination. He is extremely hardworking and has accomplished a splendidly consistent academic record.

Bearing his impressive background and caliber in mind, I unequally vouch for the fact that he will be an ideal candidate for this Master's program in your esteemed University. It would certainly be a prudent decision to enlist him as a student in your department.

Academically yours,

(Dr. G. Ashok Vardhan)

LETTER OF RECOMMENDATION

It is my pleasure to recommend Mr. Mohan M who is interested in pursuing his Masters at your esteemed university. As a faculty, I have known him personally as he studied in mechanical branch under my guidance

I taught him 'VECTOR CALCULUS & NUMERICAL METHODS'. During the course of my teaching, I have observed him to be an extremely hard working, smart working, innovative and sincere student. He has maintained a good academic record in my course. He has an ability to draw on his experiences and develop thoughtful opinions on a variety of subjects.

Mohan is a highly self-motivated student. He has immense patience to learn and implement his technical knowledge in practice. As an independent thinker, he seeks to learn more and has shown great promise by venturing beyond the scope of the subject syllabi. He keeps himself abreast with the latest developments and goes through various technical knowledge which was evident in technical discussions and interviews that I have had with him.

A student who believes in performing to the best of his ability, He will work very hard towards the fulfillment of any responsibility that he undertakes. His zest to constantly be on the learning path and his time management abilities will surely take him a long way. I strongly recommend him for admission to your college for graduate studies.

Sincerely

Dr. A. Anupama)

Letter of recommendation

It gladdens me to write this letter of recommendation for **Mr. Om Sai Phanindra K**, whom I have known for the last three years, both as part of the classes that I have taught and witnessing his zeal and enthusiasm with which he has remained a committed all round student.

Mr. Om Sai Phanindra K has been under my tutelage for **Machine Design** and **Finite Element Method**. He is an intensely focused student who is well read and prepared for class discussions. He has an analytical bend of mind that he uses well in comprehending complex homework on his own. He has the ability to analyse subject's application and experiments towards implementing his learning to find solutions, ability I find to mark his potential for further research and graduate studies. Ability to concentrate is his biggest advantage, which he puts to use when made to work on his own in the lab, yet his excellent communication skills enables him to work well in teams alike.

In addition he has a natural talent to engage and get along with people in the most charming manner. He has a caring and responsive temperament and is also extremely patient and understanding. These attributes I believe he has been instrumental in him holding leadership position, be part of organizing committees of student events, clubs and volunteer work with aplomb.

I've taught exceptional students in the so many years of my teaching career, many who have gone on to study at prestigious universities globally. While **Mr. Om Sai Phanindra's** percentage and relative department rank exhibits his real calibre, he surely is one who has a quest for learning and has a self-motivation to achieve. Without hesitation, **Mr. Om Sai Phanindra K** will prove to be a successful and recommend him highly to the graduate school at your university.

Wishing him a bright future,

Sincerely,

(Mr. R. Ranjith Kumar)

Letter of Recommendation

I take great pleasure in recommending Mr. Sai anil Kumar Pfor admission into your esteemed institution. I have known Mr. Sai anil Kumar P from the past three years and have been his instructor for “FINITE ELEMENT METHODS” and found him to be a sincere, self-reliant and diligent young man with a pleasing demeanour.

Mr. Sai anil Kumar Phas good subjective knowledge, which is quite evident from his performance index. He has consistently being among the top **10** of his class. During his interactions with me, he showed great insight in subject matters. He had good communication skills and expressed his ideas lucidly and impressively.

Mr. Sai anil Kumar Phas a great thirst for knowledge. He had a great ability to quickly assimilate and relate it to the previously acquired knowledge. He demonstrates leadership qualities and was an active member of our student counsel. He is quite capable of undertaking research projects and I am sure that he can perform at his best as a member of a team.

Judging from the above aspects, I can confidently state that **Mr. Sai anil Kumar P**possesses the required zeal to prepare and has sufficient motivation and commitment. Hence, I strongly recommend his admission to your esteemed university with requisite financial aid.

Sincerely

D.Divya

LETTER OF RECOMMENDATION

As a Professor of CIVIL ENGINEERING in DVR & Dr. HS MIC College of Technology. I am pleased to recommend you one of our students for Master's program at your University. I mentored him in the course "Management and International Business" or "International Managements" I have found Venkata Bhanu Prasad U be assiduous and motivated student. In the classroom he is capable of grasping new concepts quickly and I observed his zeal in learning them practically. He has excellent communication skills and can convey his thoughts, ideas or doubts clearly and momentarily. He completes every work allotted to him before the deadline and encourages his fellow classmates to complete the assignments. With his awareness, wit and presence of mind, he has always helped to keep the environment of the class lively. This shows how he enjoys working with his student peers and binds the team together.

Coming to his academic performance Venkata Bhanu Prasad U a decent percentage throughout his academics. He is very good at the subject I taught him. He showed his enthusiasm to participate in many co-curricular activities which includes active participation in Workshops conducted by the Department of Civil Engineering.

On a personal scale, Venkata Bhanu Prasad U a well-mannered and polite student. He is capable of expressing the right things at the right time. He gets along well with almost everyone and has good relationship with his peers. His ability to delegate is something that needs to be praised. I recommend him for Graduate Studies and full financial assistance. In my opinion his academic know-how, competence and commitment definitely makes him one of the most worthy students I have ever taught. Please feel free to contact me to have any further information about Venkata Bhanu Prasad U for your kind consideration.
