Infosys Off-Campus Recruitment Drive: Guidelines and Instructions for the online test

Infosys Freshers Recruitment <Talent.Acquisition@infosys.com>
 To: Infosys Freshers Recruitment <Talent.Acquisition@infosys.com>

Sat, Jan 15, 2022 at 7:32 AM

Hello!

Thank you for registering for the Infosys Off Campus Recruitment Program. You have been shortlisted for the online test of Specialist Programmer and Digital Specialist Engineer based on the eligibility criteria.

Your online test for SP and DSE roles has been scheduled for Friday, January 28, 2022, from 3:00 PM to 6:00 PM. You will receive an email from TalentAcquisition@infosys.com 48 hours before the scheduled test date and time, containing the test link, one-time password, and other details. Please check your spam/junk folders in case you do not receive the email at least 48 hours before the test day.

You are advised to do the following before taking the Infosys online test :

1. Read the 'Guidelines and Rules for Infosys online test' attached in this mail and ensure you adhere to it.
2. Make sure your desktop/laptop supports the test environment by taking this system-readiness test and use the same device for the online test. If you fail to appear in the test due to system incompatibility, you will not be allowed another attempt.
3. You must reset the one-time password you receive with the examination link at least 24 hours before the test. In case you forget the new password and enter a wrong one to start the test, you might get temporarily blocked. In that situation, you should clear the browser cache, refresh, and try again after some time with the correct password.

Here is a proprietary guidance video for the preparation for this process. Kindly note that these topics are not exhaustive and should be treated as guidance and recommendation only.

In case of any queries, please write to us at Talent.Acquisition@infosys.com.

We wish you the best!
