MINUTES OF THE MEETING

Finishing School Program (FSP)

Date: 14.07.2022

Finishing School Program (FSP) is one of the Programs in the college that roofs the standards of the students in the aspects like Placement-Training, Group Discussions, and Mock Interviews etc. Under this program, overall development of the students is fully ensured. It includes all aspects such as personality development, behavioral development, development of communication skills, confidence building, development of etiquette etc. Apart from this, Finishing School Program (FSP) activities have an important role in the all-round development of students, especially training them with latest knowledge of trends in technology. These programs are being organized for the overall development of the students.

The following members of the FSP attended the meeting on 14.07.2022 at 3:00 PM in Principal Administration cabin and discussed various aspects of conducting programs for students.

REPORT

Name of the Event: International Yoga Day

Date: 21-06-2023

Venue: College Campus

International Day of Yoga or commonly and unofficially referred to as Yoga Day, is celebrated annually on 21 June since its inception in 2015. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA).

Yoga is a physical, mental and spiritual practice attributed mostly to India. The Indian Prime Minister Narendra Modi in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares special significance in many parts of the world. The Ministry of AYUSH, Govt. of India has sent Common Yoga Protocol to be followed on the occasion of International Yoga Day by all the people of educational institutions, Govt. Offices, NGOs etc. The programme was inaugurated by college Principal and the programme was headed by NSS Programme Officer Dr. G.Rajesh. During the inaugural session the Principal shared his experience of his own health problem NSS volunteers for motivation and also explained how the yoga has helped to overcome the health problem.

REPORT

Name of the Event: Workshop

Date: 27/02/2023

Department: EEE

Academic Year: 2022-23

Topic: "INNOVATIVE PRODUCT DEVELOPMENT USING ARDUINO"

Duration: 3 Days

Resource Persons: Mr.P.Sathish Kumar, CEO & CTO Ramson Tech Labs.

Target Audience: B.Tech III Year Students.

Department of EEE organized a "INNOVATIVE PRODUCT DEVELOPMENT USING ARDUINO" on 22-24 February 2023

The course "Innovative Product Development Using Arduino" is designed to empower participants with the knowledge and skills required to conceive, design, and realize innovative products using the Arduino platform. This hands-on course takes participants through the entire product development lifecycle, from idea generation to prototyping and testing. It's ideal for beginners with little or no prior experience in electronics and programming, as well as for experienced makers and engineers seeking to expand their skillset.

WORKSHOP CONTENTS:

Day -1 :

Basic concepts of
ARDUINO, Programming.

Day -2 :

Emphasised the design,
Implementation of various types of water-level controllers.

Day -3 :

Design and implementation of open loop and closed loop DC/DC converters for power electronics applications

BENEFITS OF WORKSHOP:

- You can build awesome projects
- Arduino is great for programming
- You can learn electronics easily
- It's a cheap hobby to start
- Arduino might suit you better than a Raspberry Pi

REPORT

Name of the Event: Product Design and Drafting by CATIA

Organiser : Department of Mechanical Engineering

Sponsor : APSSDC

Dates : 21-11-22 to 26-11-22 (5 Days)

Trainer : Karra Prasanna Lakshmi

Participants : III B.Tech (Mechanical)

Coordinator : D. Divya

Number of participants: 49

The workshop titled "Product Design and Drafting by CATIA" was a comprehensive training program aimed at equipping participants with the necessary skills and knowledge to use the CATIA software for product design and drafting.

The trainer "Karra Prasanna Lakshmi" from APSSDC taught the CATIA software to design and draft various products, including mechanical parts, automotive parts, and consumer goods to III B. Tech Mechanical Students..

The workshop covered a wide range of topics, including an introduction to CATIA software, user interface and toolbars, sketching tools, 3D modelling techniques, assembly design, and drafting. The sessions were interactive and hands-on, with participants given ample opportunity to practice using the CATIA software.

At the end of the workshop, participants gained a solid understanding of CATIA software and its application in product design and drafting. They learned how to create 3D models, assemblies, and drawings using the software. The skills acquired from the workshop are valuable in various industries that require product design and drafting expertise.

During the closing session, the training program concluded and vote of thanks by Dr. D. V. Siva Reddy, Head of the Department, MECH. All the faculty members of the department have attended the Closing Session.

To: All Faculty and CSE, IT- III Year and AIML, AIDS II- Year Students

From: HOD CSE

Subject: Two-Day Workshop on "Amazon Web Services" in association with BrainO Vision

Dear Faculty Members and Students,

We are delighted to announce a Two-Day Workshop on "Amazon Web Services (AWS)" organized by the Department of Computer Science and Engineering in collaboration with Brain O Vision. This workshop aims to provide participants with a comprehensive understanding of AWS, one of the leading cloud computing platforms.

Event Details:

Date: from 16.11.2022 to 17.11.2022

Venue: CSE Department Seminar Hall

As cloud computing continues to play a pivotal role in modern IT infrastructure, this workshop offers a valuable opportunity to enhance your understanding of AWS. We encourage both faculty members and students to actively participate.

**A Report of Two-day Workshop on “Amazon Web Services” held
on 16.11.2022 and 17.11.2022.**

The department of Computer Science and Engineering organized a Two-day Workshop on “Amazon Web Services” held on 16.11.2022 and 17.11.2022.

The AWS Essentials Workshop was organized with the following objectives:

1. To introduce participants to Amazon Web Services (AWS) and its services.
2. To provide hands-on experience in setting up and managing AWS resources.
3. To educate participants about best practices in cloud computing and security.
4. To equip participants with foundational AWS knowledge for their professional development.

The AWS Essentials Workshop successfully introduced participants to Amazon Web Services, equipping them with essential knowledge and skills for cloud computing. The engaging sessions, hands-on labs, and interactive discussions contributed to a rich learning experience. We hope that the knowledge gained during this workshop will benefit participants in their future endeavors and encourage them to explore AWS further.
