### Feedback Form

Course Name: Programming in c

Duration of the Course: 150 hours

*(Please do not write your name. You are free to respond objectively)*

1. Please give your comments on the usefulness of the Workshop/guest Lecture/Seminar.

It is very helpful to get job in software field

2. Please give your comments on the process/methods during the program.

Digital classes and online sessions held in the program was very useful

3. What input areas were most useful to you ("which you have learnt/experienced during the programme)?

Doubts cladification & local thinking areas are most useful

4. In what input areas would you prefer to have further training?

Need more Practice sessions and also provide online sessions

5. Further Comments (if any)
